Testimonial

C. P. Fletcher, Esq.

DEAR SIR,—I do not wish to return to Montreal without expressing my gratitude to you for the very excellent Bell Piano that you placed at my disposal for my recital. I have tried many Canadian Pianos of different manufacturers, and must say that, considering the size of the instrument, I have never found one to equal it for depth and brilliancy of tone. The action is quite as elastic and responsive as in American Upright Pianos of the highest grade. Again thanking you, very sincerely,
I remain,
Yours,
FRED. E. MORRIS

MESSAGE TO MEN

Proving that True Honesty and True Philanthropy still Exist
If any man who is weak, nervous and debilitated, or who is suffering from any of the various troubles resulting from youthful folly, excesses or overwork, will take heart and write to me, I will send him confidentially and free of charge the plan pursued by which I was completely restored to perfect health and manhood, after years of suffering from Nervous Debility, loss of Vigor and Organic Weakness.

I have nothing to sell, and therefore want no money, but as I know through my own experience how to sympathize with such sufferers, I am glad to be able to assist any fellow-beings to a cure. I am well aware of the prevalence of quackery, for I myself was deceived and imposed upon until I nearly lost faith in mankind but I rejoice to say that I am now perfectly well and happy once more and am desirous therefore to make this certain means of cure known to all. If you will write to me you can rely upon being cured and the proud satisfaction of having been of great service to one in need will be sufficient reward for my trouble. Absolute secrecy assured. Send 5c silver to cover postage and address Mr. G. Strong, North Rock and Mich. 135 p&w.

FOR SALE. RARE CHANCE

The property occupied by J. J. Gay and son situate in the village of Pownal, 7 miles from Charlottetown, is offered for sale. The proprietors have carried on a large market garden nursery, and seed business for thirty years, and the purchaser will no doubt retain a large share of the local trade. The premises comprise a large dwelling house, store, warehouse, barn, shed, orchard, and about 15 acres of the most fertile land on the island. This land has been manured year after year, for so long that an old man said the other day: "It is all a bed of manure and could be hauled for top-dressing." This would be an ideal spot for a country merchant, or it would be admirable for a summer resort. The situation is one of the most beautiful on the island. Good bathing, fishing, boating, shooting and within easy distance; churches, post office school telephone and shops all at the door.
For terms and further particulars, apply to Von Clure Gay, J. J. Gay & son or to,
