

DOWN THE BACK STRETCH

Our New Brunswick correspondent writing under date of July 21st says: "I was at the races in Fredericton yesterday and we had good racing. Otto Irvine of Mars Hill, Maine, was the starter. It was the first time he had met him but was very favorably impressed with his starting. Among those on the Judges' Stand with myself was Tommy Raymond, who is not training horses at present. There was an accident in the first heat of the 2:16 trot and pace. Billy, trailing behind Calumet Euclid, struck his sulky and both went down. Billy pulled up very quickly and could not start again. Calumet Euclid was at the quarter in 31 seconds, the half in 1:03 3-4 and was trotting a storm when the accident happened.

"Ray Henley 2:01 1-2, with Earle Avery, is reportedly leaving for Ohio where Ray will take part in races in his former home town. There was an accident in the third heat of the 2:16 trot and pace. Al Langille won the third heat of the 2:16 class. Calumet Duds in 2:10 and received the greatest amount of applause of any driver during the afternoon. He also won the third heat in the Junior Free for All with Tracy Hanover, 2:04 1-2. Dr. 1:59 1-2, brought from Ohio for the Free for Alls in Maine and winning at Houlton, was lame after his race there, also Lauri Hanover 1:59 1-2."

A special despatch from G. Blenden Thomas, Alma, Quebec, states that Mr. Whyte 2:07 1-2, new to the Free for Alls, won the 2:25 pace the same day with Goldie Axworthy, best time 2:13, and clinched a most successful career. He was the third race on the program—2:15 class, with Arctic Hal, best time 2:12. There was a large crowd of people, no accidents and a real afternoon of sport.

Frank G. Trott, writing from the Boston Globe, says Henry Chukie is racing four pacers for his Maine pastures which can shade 2:02 over a good mile track and three of them are out of daughters of the champion trotting stallion Lee Axworthy 1:58 1-4.

Over eight thousand people attended the horse races at Stratford, Ontario, July 22nd, most of them attracted by the fact that Billy Direct, the champion pacer, would go an exhibition race against time in an effort to lower the Canadian pacer record of 2:02 1-2, made by Walter Dale, 2:00 1-2 at Fredericton, N. B., September 15th, 1937. Billy Direct did the trick, stepping his mile in 2:02 flat. This knocked four seconds off the track record of 2:06, held since by the late pacer, "Fleming," whose birthplace is Dundas, a short distance from Stratford, came in for a great ovation, also the horses and his part owner, D. J. McConville. A wreath was placed around Billy's neck and other homage paid to him. Vic was presented with a silver tea service and thousands of rounds of applause.

It will be remembered that Billy Direct as a four-year-old last fall, broke the one-year-old record of 1:55 1-4 made by Duke of Marlborough, bred by Harry H. Ridge of Haverhill, Mass., and sired by Napoleon Direct 1:59 1-4, dam, Gay Focks 2:07, bred by Malcolm Forbes, son of Benjamin 2:06 1-4 and Nancy Banks 2:04.

While Billy Direct was creating a new Canadian pacer record at Stratford, his full brother, Fred Direct, eight years old, was winning over the Old Orchard, Maine, track, and his owner, Mrs. Avis Gross of Andover, was the recipient of many congratulations. Forbes Direct beat a good field of pacers in 2:01 3-4.

June Evans, five-year-old trotter, by Oliver Evans 2:16 1-2, arrived by express Tuesday evening from Montreal and is now stabled at the Provincial Exhibition grounds. June started four or five times last year and took a record of 2:13 1-2. She was mostly in mixed classes and over none too good tracks. She was given light training Thursday at the Provincial Exhibition grounds. She is owned by L. T. Porter who is a contractor in the vicinity of part of the Wood Islands wharf construction.

T. C. Collette, Secretary of the Beauce track, showed up a good record in Fredericton, and he took a record of the first heat. This horse was trained by J. B. G. and took a time record at that of 2:10 1-2. He was raced twice last year on the pace, once in Maine and once in New Brunswick, but he never picked up earnings. He was when Mr. Collette got him he seems to be improving every time he turns around.

Another pacer that showed up was Volo Ray 2:06, owned by L. Barriere, Acadiaville, N. B. He was the best pacer last year over Maritime tracks as he was a good pacer in Kentucky where he took his record and won quite a number of events. We are told that the black and stretched Volo Ray won so that now he can show something of his old time form. He won the two heats of the 2:16 class in 2:10 and 2:13, chased out by Martindell who won the third heat.

Well, they were certainly kicking up the dust at Northam on Wednesday.

Simmerings Around The Sport Front

(By Alan Randal, Canadian Press Staff Writer) NEW YORK, July 28—If promoter Mike Jacobs hadn't been so beloved about it you'd hardly have believed him today when he reported he is only beginning to get the "feel" of his box-fight promoting business. Uncle Mike figures the September Louis-Pastor thing in Detroit will do better than Louis-Braddock in Chicago two years ago. Detroit is virgin territory, said Mike with an air of a pioneer. "Nobody knows the strength of this thing and the sky is plenty high."

But it is high finance that Mr. Boxing is tinkering with any way you eye it. Uncle Mike tabs the Sept. 20 Detroit fuss as an \$800,000 affair. He rates his other shows all within six weeks of the Louis-Pastor so, as follows: Aug. 14, Philadelphia-Conn-Dorazio, \$20,000; Aug. 12-New York-Armstrong-Johnson, \$200,000; Sept. 7, Philadelphia-Galento-Nova, \$200,000; Sept. 25-Pittsburgh-Conn-Lesnevich, \$100,000; Oct. 2-Apostolovitch, \$50,000. The total is \$1,470,000.

Lou Nova is sure enough stepping out of character. A while back he was a nice quiet lad trying to get along. Then he beat Maxie Baer. And now he says such things as "Joe Louis can't take a punch; Bob Pastor is a bike rider, not a fighter; Tony Galento is a fat bum." Here's Lou's summation of his career: "It's hard to fight through the ranks but the rest of the way I think will be a cinch." On yeah?

The Yanks are averaging almost a home run a day. Joe Gordon is leading the Yankees' four-pley hit against Chicago.

The AP's Whitney Martin jumps into the heavy-nap tennis ball racket. "It's no fuzzi over our face. But what about the fat boy in the second row. He and his brothers keep the game alive and should be consulted. If they want to play a top cat and derby, why give it to 'em."

Arsenault Hurls No-hitter For Red Sox

Mayor George McIntyre, premier of the Province of Montserrat, has announced his classes for his big King's County race meet next Wednesday, August 2nd, and they are such as will give a high class afternoon's sport. The 2:13 trot and pace will bring together the same bunch of fast pacers that hooked up at Northam, with probable additional ones. The 2:16 trot and pace is also a feature. The other two classes are 2:21 trot and pace and 2:26 trot and pace. Both are assured good lists of entries and keen contests will result. The 2:13, 1:59 1-2, fastest record pacer in the Maritimes, will go an exhibition mile against time and it would not be surprising if she made a new track record of 2:07 1-4, made by Patrick Direct some years ago. Montague races have been a magnet that attracts big audiences and this year is no exception. We expect to see a packed grand stand and grounds.

Entries for the twelve classes to be raced at the Provincial Exhibition on August 15th to 18th, close today with Secretary J. W. Boulton. All those who have horses suitable for the classes and have not entered, should do so at once. Nowhere else in the Maritimes is there a program to equal Charlottetown's and don't forget the prizes or winning owners, prize drivers, caretakers and other features that make this meet popular at home and abroad. There are chances to suit almost every kind of trotter or pacer.

Jim Pendergast, Kensington, whose friends are legion and who is known all over Canada and the Yukon, had the misfortune of being thrown off a load of hay recently and knocked unconscious for several minutes. At last reports he was suffering considerably from a sore side and head. "Big Jim" has encountered quite a number of blows in his career, particularly during the time he stood up against some of the best in the land, but we never heard of him being knocked out before so he must have had a very bad fall. With his thousands of other friends in this Province we hope for a speedy recovery.

Injury Sends Wooderson To Sidelines

LONDON, July 28—A torn leg muscle forced Sydney Wooderson to the sidelines for the balance of the season today and temporarily dashed his hopes of proving to the world he is a "troser" as well as a "runner." The slight lawyer, who holds the world record of 4:06 4/5 for the mile was bitter about the injury that he kept from the public. "I was national meet at White City Aug. 7 and a chance for revenge against Blane Rideout." "It was my chance to make up for my miserable showing in America," he said. Wooderson's defeat by Chuck Fenske, Glenn Cunningham, Archie Brown and Rideout at Princeton, N. J. hurt his pride. The Princeton race was the scene of the bumping incidents between

Anchors Push Across Winning Tally In Last Of Eighth Inning To Nip Stars 5-4

Aided by a doubtful decision on the basepaths in the fifth inning and then pushing across the winning tally as Jack Gallant's infielder got away from the Stars' second baseman, allowing "The Williams" to score, Westend Anchors last night won the opening game of the re-organized City league by sending the Stars down to a 5-4 defeat.

With players on both squads bristling all night the fans saw the two teams stage a scrappy fight of it all the way with the winners finally pushing across the deciding run after the losers had come from behind on two occasions to knot the count.

With 8 to 4 Anchors took advantage of fielding "The Stars" in the second, fourth and eighth innings to come through with their victory. Only one of their runs were earned as the Stars had two to their credit, but errors finally told the tale. Stars' eleven runners stranded on the paths in the 8 and 13 innings. Errors costed them three doubles and a triple included in their eight-hit attack off the offerings of "Doc" McCallum but the punch at the plate with runners on was sadly missing.

Robbie, getting but one hit in the first four innings started running into tough luck as early as the second. With two out in the frame an error, a base on balls and another error let two runs in; in the fourth Ryan hit a single into left field and the Anchors catcher completed the circuit as the ball got away from the Stars left fielder. In the fifth with V. Roach sineling to start the frame he was six feet away from the sack going to second when the throw from the plate arrived but the base judge claimed the runner and second sacker had failed to touch the runner and despite heated protests by the Stars the decision stood. Roach scored as two men were being thrown out at first and second.

With one out in the last of the eighth Williams beat out a slow roller to short for a hit; Ryan followed with another single, Williams stopping at second, Gallant then hit a roller to second that went by the infielder and scored Williams. It was the winning run. Umpires' francs calling the game with darkness falling.

Held scoreless for four innings by smart pitching by McCallum in the pinches, Stars broke out with three runs springing in the fifth, three bases on a ball, a base on three bases on a ball, a base on a mighty triple by "Snag" Square-

PHILADELPHIA, July 28—Connie Mack, winning over an Illinois team that kept him in bed for weeks, is mapping a "swapping and buying" program he hopes will return his equally aging Athletics to power in the American Baseball League.
Connie, at 76, is determined to produce another pennant winner. He hopes he had the nucleus for a championship team this year, and the club's showing is a keen disappointment.
So from his sick bed, which he has only left for intervals each day, Mack is looking toward 1940. His plans were disclosed today by his son Earle, acting manager, who said: "If there is any way for us to get ball players, we're interested. This year's team won't do. We'll spend if we can get what we want. We'll trade with anybody, and with the exception of a few players anyone on our roster is available."
Only 10 players of the present Athletic squad are likely to survive Mack's remodeling program. Outfielders, Bob Johnson, Sam Chapman and Wally Moses are certain to stay. Earle Mack said, along with catchers Frank Hayes and Earle Brucker.
Mack also let it be known he sees a place in his 1940 team for first baseman Dick Siebert, rookie infielders Bill Nagel and Joe Ganbenbein formerly with Toronto, and a pair of first year outfielders, all-American football players Eric Tippon and Dee Miles. He named no others.

Alberta Golfer Climaxes Sweep Through Favorites By Eliminating Champion

By SYDNEY GRUSON
Canadian Press Staff Writer
ST. BRUNO, Que., July 28—Henry the giant-killer, better known as Henry Martell, the Alberta champion, climaxed a sweep through the favorites today by eliminating Ted Adams of Chilli-cothe, Mo., the 1938 champion and qualifying to meet Ken Black of Vancouver in the final of the Canadian amateur golf championship.

As steady as a machine, and just as efficient, the jobless Albertan who hopes for work as a reward polished off the champion 3 and 2, while Black raced over Mount Bruno course with the best individual round of the tournament to beat Phil Farley of Toronto, one up.
Black shot a sizzling 68 on the last half of the 36-hole match.

Stands Off Challenge
Adams went down to a better golfer, on the day at least, and the champion admitted as much when Martell held out his second putt for a half and par five that ended the match on the 34th hole. There were more thrills on the Black-Farley clash but there was nothing to exceed Adams' courage as he tried to overtake Martell or to equal the methodical manner in which Martell stood off the challenge.
Far from fazed by the luck of the draw, Martell started his last four matches the underdog against his United States oppon-

ents. His four victories took care of a third of the tough American opposition and he goes into tomorrow's final tournament with an even choice against the brilliant Black.
Poor chipshots on three of the first seven holes cost Martell three holes in the morning round but he didn't make another mistake until he missed a 30-foot putt on the 24th hole—the sixth of the afternoon round. He got hot from the 22nd of a 12-footer for a par to win the 23rd.
Henry got the jump on the champion in the afternoon round. Adams missed it started to go ahead when his 30-foot putt on the 19th hit the cup and bounced out, but Martell had better luck. He dropped a 10-footer for a birdie on the 22nd and a 12-footer for a par to win the 23rd.
The wind that blew off the mountains started to catch Adams' shots and took one from the tee on the 26th into a sand trap, costing him a hole and putting Martell two up. The champion never was closer after that.
Black and Farley pitched a series of great shots at each other and Adams missed it started to get the winning breaks. The British Columbia champion started the afternoon round one hole down but Farley's one-under-par 69, the best round of the tournament until Black went around the last 18 in 68.

NOTE: Four classes each and every one well filled with Island and Mainland horses that are known to be well classified and are bound to make a thrilling contest in every heat.
Montague for year has had the reputation of staging the best that can be produced in the line of races in this country and this year will be no exception.
Jane Azoff 1:59 1-2, owned by C. H. Horton, Murray River, will go an exhibition mile against time in order to give the people of Kings County an opportunity of seeing this mare in action. As there was not sufficient competition available it was impossible to hold a Free-For-All. Jane Azoff is the fastest pacer ever brought to the Maritimes and in all possibility will break the track record.
There will be no dust at the Montague Race Track on Wednesday as an adequate sprinkler system will take care of this nuisance.

MEALS
The local branch of the Women's Institute will be in charge of the tables again this year, which is an assurance of a first-class meal at reasonable prices. The ladies are giving their services free and the proceeds will be for some needy and worthwhile community undertaking.
RACES START AT 1:45 P.M.
In view of the large entry list every effort will be made to have the races start sharp on time. Patrons are kindly requested to come early so as to avoid as far as possible congestion at the ticket office just as race time.
The Management assumes no responsibility for any accident or damage to any person or property during this meet.
GENERAL ADMISSION 50c plus tax—children 25c—Children under 8 years of age free
