suggestions made by the various participants in last year's carnival, and will be considered by the sponsoring clubs and organizations each of which has a representative member on the carnival committee, who will report his club's views and suggestions towards the tentative program at the next meeting of the carnival committee on February 19th.

The proposed program has placed increased emphasis on the agricultural and fisheries industries within the province, and exhibits, contests, and displays will give greater recognition to both these industries in the suggested plans for the carnival.

NAME CHANGE

A change has even been suggested in the carnival's name, so that this year it would be known as the Summerside Lobster Carnival and Exhibition.

SEA QUEEN

The Sea Queen contest, again a highlight of the carnival, has received the committee's recommendation that the Queen and her Princesses be chosen on appearance, popularity and talent.

A tentative suggestion was made by the committee that the contestant chosen as Sea Queen would receive an attractive prize such as a trip to the Canadian National Exhibition for the Queen and her chaperone.

the Sea Queen and Princesses, with a coronation parade and crowning of the Queen on Friday evening. The Lobster Carnival Queen and Princesses will be guests at all official carnival functions, and judges of the contest are to be from outside of this province.

FEATURE ACT

Each day it is hoped to have a feature act, either local talent or professional, on stage twice daily, first about 5:30 p.m. and again immediately after an evening function on the stage.

This year it is expected that the lobster suppers will be served in marquees adjoining the stadium, while the interior of the stadium will contain the stage at the north centre side of the building and the north half of the stadium will be allotted to the display of fish products and commercial fishing equipment.

The south end will be used for commercial booths, while the balcony walk above the stadium seating that surrounds the center rink area will accommodate the institutes' displays and other exhibits of this nature.

The Summerside Fire Department will be hosts to all firemen in the Maritime Provinces at their 1959 annual Firemen's Tournament, during Lobster Carnival Week.

CARE CENTRE GETS DEEP FREEZE

The ladies of the Summerside Okto Club yesterday presented a 400-pound capacity deep freeze unit to the Chronic Care Centre, where it will serve the needs of the elderly resident patients.

The unit is expected to lower food costs at the institution which will now be able to purchase and store food items in quantity and at times when the greatest food values are offered.

The ladies of the Summerside Okto Club had previously presented an electric clothes drier to the Chronic Care Centre and the deep freeze unit makes the second major item of needed equipment that the club has provided for the benefit of the patients.

Canadian Pacific and North-eastern Airlines will be asked if they wish to make use of the airport along with Maritime Central and Trans-Canada, Mr. Kennedy said.

Fire Missile At New Centre

EGLEIN AIR FORCE BASE, Fla. (AP) - The first Bomarc ground-to-air interceptor missile launched from a new multi-million-dollar test centre here roared off its launching pad Thursday.

The launching marked the start of a program under which the Eglin centre will take over from Cape Canaveral the testing of shorter-range missiles. The Boeing-built Bomarc, which can carry an atomic warhead, was fired towards a drone plane over the Gulf of Mexico.

Results of the test were kept secret. LONDON, Ont. (CP) - A lot measuring 92 by 40 feet that was sold eight years ago by the city for \$750 is being re-purchased by the city for \$35,000 on behalf of east London merchants, to improve a street parking area.
