NOW, WHAT IS LOVE?
 Now, what is love, I pray thee tell?
 It is that fountain and that well
 Where pleasure and repentance dwell:
 It is perhaps the suncing bell
 That tolls all into heaven or hell;
 And this is love, as I hear tell.

Yet what is love, I prithee, say?
 It is a work on holiday,
 It is December matched with May,
 When lusty blood in fresh array
 Heats ten months after the play
 And this is love, as I hear say.

Yet, what is love, good shepherd, same?
 It is a sonnet mixed with rain,
 It is a toothache or like pain,
 It is a game where none hath gain;
 The lass saith no, yet wouldst thou fain;
 And this is love, as I hear pace.

Yet, shepherd, what is love I pray?
 It is a yes, it is a nay,
 A pretty kind of sporting day,
 It is a thing will soon away,
 Then, nuptials, take vantage while ye may;
 And this is love, as I hear say.

Yet what is love, good shepherd, show?
 A thing that creeps, it cannot go,
 A prize that passes, too and fro,
 A thing for one, a thing for two,
 And he that presses shall find it so;
 And, shepherd, this is love, I trow.

—Sir Walter Raleigh.

Babies, Not Nonentities.
THEY CLAIM OUR BEST CARE.
**They Thrive Best on
 Lactated Food.**

Some mothers act as if their babies were
 nonentities—beings not worthy of thought
 as far as proper dieting is concerned.
 In nine cases out of ten such mothers have
 been cross, puffy and delirious babies be-
 cause their babies are badly nourished. The
 happy, contented and loving mothers make
 Lactated Food their friend, and baby's
 protector and nourisher. The results that
 flow from the use of this food are far
 beyond computation.

Lactated Food makes fat, healthy and
 robust babies, who are able to pass safely
 through the hot summer weather without
 fear of dysentery, diarrhoea or other pre-
 vailing infantile troubles. Lactated Food

SATISFACTORY REFLIES.
A Marked Increase in Sale of the New Spec.
De Remedy.

DETROIT, Michigan, May 20.—City drug-
 gists here report a great number of en-
 quiries with regard to the specific remedy for
 Bright's disease, diabetes and all forms of
 kidney complaint, known as Dodd's Kidney
 Pills. A partial investigation has shown
 that in every case the reply of the drug-
 gists to the questions of their customers
 has been highly laudatory to the remedy
 and that they have been able to cite many
 cases from their own personal knowledge
 where the most signal benefits have been
 derived from its use. The result has been
 a very marked increase in the number of
 sales made and several unusually large or-
 ders have been given.

Mr. Busby—if you hang those tur-
 keys by the feet you will keep them long-
 er.

Mr. Butler Business—That ain't what
 I am trying to do. I want to sell them.

A Caution! A Warning!
 If, on blowing the nose in the morning
 lump side flake are discharged colored
 with blood, especially on one side, lose no
 time in applying a remedy. Catarrh of
 the very worst kind has become seated,
 the walls are sore and full of small ulcers,
 and if not soon cured will be hard to cure
 and eradicate. "A stitch in time saves
 nine." Use Chase's Catarrh Cure.
