TEA MEETING.

The official members of the Wesleyan Church in Charlottetown invited the Choir and the Teachers of the Sunday Schools of their Church to take tea with them in the Temperance Hall on Wednesday evening the 2d inst. The Hall was beautifully and appropriately decorated, and a large company sate down to a most sumptuous tea, which was most fully and amply discussed. The doors were thrown open at half-past seven, for such members of the society and congregation as could make it convenient to attend, when the Rev. Mr. M'Murray took the Chair and commenced proceedings by giving out a hymn suited for the occasion, and which, with other hymns during the evening, was sung by the Choir in their most artistic and best style. The Rev. Gentleman then delivered an address, and the following Resolutions were unanimously passed, preceded by stirring speeches made by the several gentlemen who introduced them.—

Moved by H. A. Johnston, Esq., M. D. Seconded by Mr. Wm. Heard. Supported by Mr. Geo. Millner:

Whereas, the official members of the Wesleyan Church of Charlottetown, feeling a sense of the obligation they are under to the Choir, have great pleasure in inviting them to, and in meeting them on the present festive occasion, and being desirous to give some expression to their sense of indebtedness,

Be it therefore Resolved, That the most cordial thanks of this meeting be given to the Choir for their efficient services in the sanctuary during many years past, and this meeting most devoutly hopes, that the members of the Choir will long be spared to fulfil their pleasing and delightful duties in leading the singing of the praises of Jehovah, in our Services, and that they, with all the Society and congregation, will in ever found "Speaking to themselves in Psalms and Hymns and Spiritual Songs, singing and making melody in their hearts to the Lord," "with the spirit and with the understanding," and eventually join the Heavenly Host in singing of Moses and the Lamb in one unbroken and eternal choral Song.

This Resolution was acknowledged by Mr. John Bovyer, the Father of the Choir, in a very grateful and appropriate manner.

Moved by Hon. Charles Young. Seconded by Mr. Wm. Wright:

Whereas, the Teachers of the Sunday Schools in connection with our Church, have been invited to this Festival chiefly for the purpose of showing them, that we highly appreciate their disinterested and and unwearied efforts on behalf of the Youth of our Families,

Therefore Resolved, That this meeting would express the deep interest it feels on behalf of Sabbath School institutions, believing that these Schools are nurseries to the Church, and most fervently pray, that each one of the Teachers may be taught of God, having "Wisdom and understanding exceeding much, and largeness of hearts, even as the sand is on the sea-shore;" and that their infections imparted will be crowned with God's Blessing, and be the means of leading the Lambs of Christ's Flock fully into His own Fold.

This Resolution was acknowledged by Mr. James Moore, one of the Superintendents of the Sunday Schools, in his usual feeling and fervent style.

Moved by Rev. Mr. Brewster. Seconded by Mr. Geo. Beer. Supported by Mr. James R. Watts:

Resolved, That this Meeting cannot seperate without giving its humble and hearty thanks to God for His loving kindness and tender mercy in thus permitting us, as Pastors, official members and people, to assemble in the bonds of Christian Friendship and love of Holy Love; that our present position fills our hearts with gratitude to the Giver of all good, and we can truly say with the sweet singer of Israel, "Behold, how good and how pleasant it is for Brethren to dwell together in unity," and our sincere prayer and fervent desire is, that this state of things may long continue, and that we all may be faithful unto death, and wear in each other's presence a Crown of Life at the right hand of God, for ever and ever.

The Meeting was closed with Prayer; the Doxology was sungand Benediction pronounced.

We have however the papers of the latest date from Liverpool, from which we have copied the most important items of news, which will put our readers in possession of all that has occurred of any importance.

We have taken up the greater part of our paper with the News, to the exclusion of many advertisements, we trust our readers will appreciate the sacrifice we have made for their benefit.

The Great American Hair Tonic.

Bogle's celebrated Hyperion Fluid, for the growth and preservation of the Hair is well known to be without a rival on this continent. Hundreds of imitations have started into an ephemeral existence, since the introduction of this unrivalled Hair restorative, and their doom been sealed, whilst Bogle's Hyperion Hair Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady, which can affect the Hair, but can be cured by this incomparable preparation. To Ladies it is invaluable, and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

Bogle's Electric Hair Dye converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin and leaves the Hair soft and glossy without injuring the texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole Shaving compound renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeniona removes Freckles and tan from the face in the shortest possible time, and is acknowledged to be the very best article for beautifying the complexion.

To be had, wholesale or retail, of W. Bogle, 227, Washington street, Boston, U. S.
