

Mr. Rock Steps Fast Mile; Great Card Goes Tonight

Charlottetown Driving Park finally won the battle with the weatherman Saturday night, with the result that the eight dash racing program was run off under almost ideal conditions before approximately 800 fans.

Threatening skies from early morning merely threatened. They didn't let loose with rain that has plagued the harness racing cards scheduled earlier for the local racing strip.

Mr. Rock, the 6-year-old Ches-

tertown gelding liked the night better than any of the others. Cyril Smith rode the Nova Scotia horse to a victory in the second dash of the free-for-all in the fast time of 2:10.2. The Rock was a good second to Just Betty's Mark in the first mile in the slow time of 2:41.1.

Other winners on the program were Nellie Bangs, Colonel Henry, Norine Clegg and Jean Clegg. Jean and Norine were able to emerge as double dash winners.

It was a night for the ponies to 'rack up new marks. Nellie Bangs got hers in the night's first dash, 2:19. Norine Clegg got her 2:15.1 tag in the second trip of the C pace and Colonel Henry possesses a mark of 2:18 after his victory in the second mile of D trot and pace.

Best win pay of the night was Nellie Bangs, \$20.20. Next in line was \$13.50 for a win on Colonel Henry.

Tonight another great card goes at 8 o'clock. Eight more dashes are on the racing menu that promises just as much action as the card on Saturday.

Feature event tonight will be the AA pace with seven starters ready for the word. They are Eddie Hoosier, Peter Federal, Ginger E. Sister Dawn, G. Ann C., Nell's Lad and Betty French. This looks like as good a race as one could arrange.

All other six dashes promise action galore. That's tonight at Charlottetown Driving Park with starting time set for 8 o'clock.

White Sox, Tigers Cop Doubleheaders

By THE ASSOCIATED PRESS
Chicago clung to its half game lead over Cleveland in the American League race Sunday as Detroit charged into third place by sweeping a doubleheader from New York Yankees.

The White Sox took a pair from Baltimore 9-6 and 3-2 in 10 innings and Cleveland won two at Washington 9-5 and 12-6 where 11 home runs were hit seven by the losers.

Charley Maxwell's three-run homer off Whitey Ford in the eighth gave Detroit the first over the Yanks 3-2. The Tigers bombed Duke Mass for four runs in the first inning enroute to an 8-2 victory in the second game. Jerry Casale of Boston held Kansas City to five hits for a 6-1 victory. A scheduled second game was rained out.

LOSE, BUT GAIN
Milwaukee lost a game but actually gained ground on San Francisco in the National League. Chicago's Dick Drott shut out the league-leading Braves 6-0. However, Philadelphia took advantage of errors by the Giants to beat them twice 7-5 and 6-3. Gene Freese was the big hitter for the Phils in both games.

Unbeaten Roy Face won his 10th on relief for Pittsburgh in the opener 6-3 and the Pirates went on to trip Los Angeles again in the second game 5-2. Dick Stuart's two homers did the job in the finale. St. Louis split a pair with Cincinnati. The Cards took the first 5-4 on Gino Cimoli's ninth-inning single with the bases full but Jim Brosnan, traded to the Reds six days ago, turned on his old mates to grab the second 3-2.

The White Sox came from behind twice to take the opener at Baltimore and rallied to tie the second game in the ninth. They won it in the 10th after an error

by Bob Boyd on what would have been the third out.

The Indians and Senators really staged a home run brawl at Griffith Stadium. Minnie Minoos hit two, including a grand slammer, and knocked in nine runs for Cleveland. Jim Lemon of the losers hit one in the first and two in the second. Rocky Colavito connected with No. 20 and Harmon Killebrew No. 21.

Maxwell won the first game at Yankee Stadium with his 14th homer and seventh against New York. The Yankee killer also started off the second game with a run-scoring ground rule double. He had two more singles, joining Al Kaline and Harvey Kuenn in pacing the Tigers' 15-hit attack. Frank Lary beat the Yanks again in the opener.

Casale allowed the A's only five singles to beat Johnny Kucks. They called off the second after the opener, delayed 75 minutes, finally was played in a steady drizzle at Fenway Park.

LEAGUE LEADERS LOSE
The only single game in the National was played at Wrigley Field where Drott, who came off the disabled list only six days ago, blanked the league leaders. The Cubs backed him up with 11 hits off Bob Rush and Carlton Willey.

Freese hit a three-run homer for the Phils in their first game triumph over the Giants and drove in three more runs in the second game. Humberto Robinson and Robin Roberts were the Phils winners.

Face came into the opener at Forbes Field with the score tied at 3-3 in the eighth. He pitched two shutout innings and struck out four. Stuart hit a two-run homer in the first inning of the second game off veteran Carl Erskine. His second came off Art Fowler.

Chubby Bill Casper Grabs 59th U.S. Open Tourney

MAMARONECK, N.Y. (AP)—Bill Casper's fabulous putting blade blew hot and cold Sunday while the others blew only cold—the wind—and the chubby California greens wizard won the 59th U.S. Open golf championship with a 72-hole score of 282.

Scrambling out of traps and rough in the face of wintry gusts, Casper shot a final round 74, four over par, which barely withstood the late challenges of Bob Rosburg and big Mike Souchak.

Rosburg, bespectacled San Francisco pro with an awkward baseball grip, finished second at 283 after suffering a double bogey five at the 67th and then watching birdie putts miss the cup by inches on the 70th and 71st.

On the 72nd, needing a birdie three to tie, he approached short and left a 40-foot putt two feet shy of the hole. He had a final round of 71.

NEEDED A BIRDIE
Souchak, the former Duke footballer, also came to the final hole needing a birdie to tie. He drove into the rough but his recovery carried 50 feet past the apron and he took three strokes from there for a bogey five.

He also shot 71 for 284 and a tie for third place with host pro Claude Harmon.

The two sentimental favorites, Ben Hogan and Sam Snead, never made a serious move, although the bulk of the estimated 12,000 gallery—loyal and deep suffering—stayed with them to the bitter end. They finished in a dead heat at 287.

Hogan, at 46 seeking an unprecedented fifth Open triumph, shot a 76. He couldn't buy a putt. The jinxed Snead, bidding for the big prize which always has evaded him, got into trouble early and finished with a 75.

NO OTHER THREATS
No one else made a serious lunge for it. Arnold Palmer, Doug Ford and Ernie Vossler, all in contention at the start of the final round, dropped from contention early and battled for place money. They finished in a package at 286.

The new Open champion is a 27-year-old happy-go-lucky professional from Apple Valley, Calif., who loves to eat and fish and who plays tournament golf as if it were an afternoon picnic. He is five-foot-11 and weighs

A. MacKenzie Takes Lead In First Round Of Tourney

Art MacKenzie of Charlottetown, one of Prince Edward Island's leading amateur golfers, although hampered by heavy showers and high winds, Sunday afternoon led a field of 13 golfers in the first round of the P.E.I. district tourney with a 36-total of 159. The tournament was played on the Cavendish course.

MacKenzie is no stranger in this tournament, having won it at least a couple of times. Trailing Art in by five strokes was Don V. MacDonald and following close behind was Jack Beaton

with a total of 165. The final round of the tournament will take place at Belvedere next Sunday. The top five golfers in the tourney will compete on July 5th, with 20 golfers from four districts in New Brunswick in the District Tournament playoffs at Edmundston, N.B.

The two top golfers in that tournament will be named to the N.E. — P.E.I. Willingdon Cup team.

The golfers finishing first and second in the N.E. — P.E.I. tournament at Fredericton, N.B., later on in July, will make up the four-man Cup team.

"Moosey" Dowling of the Moncton golf club, brother of Cecil "Bubby" Dowling, Belvedere golf pro, playing in the eastern division of the N.E. — P.E.I. Willingdon Cup eliminations at Sackville golf club, recorded the lowest score of the 36-hole round with a 145-nine over par.

Following are the results of Sunday's tourney:

Art MacKenzie	61	76	159
Don V. MacDonald	64 <td>80</td> <td>164</td>	80	164
Jack Beaton	65	82	165
Wendell Giffis	66	81	169

Marlins Top Royals 10-3

By THE CANADIAN PRESS
Miami Marlins employed their best hits on more telling fashion than Montreal Royals Saturday to back out a 10-3 International Baseball League victory.

Lefty Jim Archer surrendered 16 hits but rode to his fourth win on a 17-hit assault by the Marlins on four Montreal hurlers.

Leo Burke and Bert Hamrie belted home runs for the Marlins, while Bob Lennon and Sandy Ampros homered for the Royals. All came with the bases empty.

Billy Harris, born in Dugenville, N.B., took the loss. He now has three wins and six losses. Harris was the first of the quartet of Montreal pitchers.

KINGS CLOUT LEAFS
In other action, Havana Sugar Kings romped past Toronto Maple Leafs 9-4 as Havana third baseman Lou Skizas batted in four runs with a triple, double and a single.

It was the seventh loss in eight games for the last-place Leafs. Vincente Amor was the winner, with Al Pehanick, third of four Toronto hurlers, taking the loss. Richmond Virginians beat Buffalo 5-3 with a three-run uprising in the eighth inning to break a 2-2 deadlock.

QUALITY CANADIAN PRODUCTS CONTAINING QUALITY INCO NICKEL

Imagine driving a gas turbine car like this!

In the not too distant future, you may be seeing gas turbine cars, trucks and buses. They're under development... and Inco Nickel is helping make them a reality.

Your car of the future will have smooth power to spare—yet the engine will be smaller and lighter. It will run on lower grade fuels like kerosene. But the engine will be hot—jet hot! That's where Inco Nickel comes in. At temperatures in the 1600°F. range, ordinary metals aren't good enough. Special heat-resisting nickel alloys are needed to take this blistering punishment... to withstand stress, corrosion and fatigue at high temperatures. And Inco research is helping develop just such alloys.

Nickel, of course, is also used for the heavy protective plating on bumpers, grilles and trim, and nickel-containing stainless steel for wheel covers. It goes into the strong, durable alloy steels that make the gears and shafts of cars and trucks equal to grueling wear on the road. In your present car and your car of the future—you can rely on quality Inco Nickel to give you dependable service.

How a gas turbine engine works

A gas turbine engine works something like a windmill. Spun by hot gases from the combustion chamber, the turbine or "windmill" powers the turbocar. Designers are relying on nickel alloys to withstand the high temperatures of future gas turbine cars, trucks and buses.

Bright, durable nickel-chromium plating provides a protective coating that gives lasting beauty in depth to new car trim.

Nickel imparts strength and toughness to steel. Nickel alloy steels used for car and truck parts withstand severe use and abuse.
