St. James Hall.—To-night, PHILHARMONIC practice this evening. CHORUS SOLOS at St. James' this evening. Go early.

EXCELLENT instrumental music at St. James Concert this evening. Admission only 15 cents.

L. O. A.—A regular meeting of Boyne Lodge, No. 614, will be held to-night at 8 o'clock. Visiting brethren welcome.

MEDICAL MEETING.—A meeting of the Medical Association will be held in the Law Library this (Tuesday) evening at 7.30 o'clock.

THE CONCERT in St. James' Hall to-night will be well worth attending. The programme which appears in another column, is an excellent one.

SCARLET FEVER.—There are four or five cases of scarlet fever in West River, Lot 47. Two children of Mr. Daniel McLean succumbed to the disease last week.

ON THE STOCKS.—Private advices from Belfast, Me., state that there are thirty-two wooden vessels on the stocks ranging from 1504 to 2000 tons, besides two steel ships.

ACCIDENTALLY SHOT.—We learn from the Summerside Pioneer that Mr. John Boats, in the employ of R. T. Holman, Esq., was accidentally shot through the hand while repairing a revolver on Tuesday last.

IN A HURRY.—Hello, "Kirk" dogan, said a bystander this afternoon, what's all the running about. I'm after a couple of tickets for St. James' Concert. There are no tickets Mr., simply pay your 15 cents at the door and pass right in. "Is that so?"

DEATH OF AN ISLANDER.—Isaac Dover, barber, died at Ferris, N. S., recently, in the 24th year of his age. He was taken ill about two weeks ago with sore throat, which developed into erysipelas and culminated in blood poisoning, which caused his death. Dover was a native of Prince Edward Island.

THE STANLEY did not return last evening, as intended, owing to her late arrival at Pictou, which was caused by thick heavy ice in the straits. She, however, made the trip to-day, arriving shortly before one o'clock. She will leave on return to-morrow morning at six.

A SNOW FLOUGH ADRIFT.—On Wednesday last, says the Pioneer, the snow plow became coupled from the western train near St. Elmo's as it was approaching Summerside. Being down grade it gradually gained in speed and passed through the town at a very rapid rate. Fortunately no one was on the track and the main line was open so that no accidents occurred.

SAD ACCIDENT.—A lad named Artemus Toombs (son of Mrs. Toombs of Rust co) met with a sad and most unfortunate accident yesterday. He was attending upon a threshing machine in his mother's barn; and, slipping from the loft while the drum was running, fell among the teeth and had one of his legs fearfully mangled. Dr. Honeywell and another physician performed an operation, under which the boy behaved heroically.

A CLERGYMAN INJURED.—The Pioneer says: Owing to an accident Rev. Mr. Dickie has been laid aside for a few days from active work. On Monday last while generating the oxy-hydrogen gas for the magic lantern lecture that evening an explosion took place and the reverend gentleman was severely burned on one leg. The lecture was not, therefore, the success it otherwise would have been and it is likely it will be repeated on a future occasion.

ZION CHURCH SOCIAL.—The social in the basement of Zion Church last night was one of the pleasantest affairs of the kind held this season. The building was thronged, and the proceeds amounted to over \$50. The intellectual portion of the entertainment consisted of readings by Miss Lawson and Mr. James H. Good, a recitation by Mr. T. A. McLean, an address by Mr. A. McNeill, and some excellent vocal and instrumental music by other ladies and gentlemen whose names we have not obtained.

SECOND METHODIST CHURCH.—The Easter Concert in the Upper Methodist Church last evening was in every way a success. The audience was large, the floral decorations very attractive and the singing by the children thoroughly enjoyable. The solos by Miss Tillie Brown and Mrs. A. A. McLean were well rendered and deservedly applauded. This adds another to the several successful concerts given by the Sabbath School Choir since its management by Mr. Hawley.

THE KENTUCKY TORNAO.—The Courier Journal of Louisville, Ky., describes the recent tornado in these words: "The mighty stroke of the tornado fell with a suddenness that scarcely gave time for quickened hearts before those hearts were stilled in death. Twice before the wrenching asunder of life and homes and castles of trade the impulse of the gale fought impatiently to accomplish the work reserved for the whirling tiger of the air, whose avant couriers they were. Twice, for five furious minutes each, they strove and passed on, screaming their bill of rage. Then came a lull, but only for a little space, and then the tornado thundered over the doomed territory with terrible lightnings constantly ablaze.

TWO ACCIDENTS.—A Montrose correspondent of the Summerside Agriculturist gives the following particulars of a severe accident that Mr. William Clark met with while working in his mill lately: It appears that his rotary saw caught a board he had just sawn, and the edge of it gave him a severe slap in the face, cutting him from the forehead down, and throwing him several feet. His son, hearing the noise, ran in and found him insensible. The doctor was immediately sent for. On arrival he dressed the wound, putting in several stitches. Feels are entertained for his recovery, as it is thought the skull is fractured. The same correspondent says that while two sons of Mr. Fern, Bowness were playing in the barn recently, one of them slipped and fell a distance of fourteen feet, breaking his leg at the thigh. Dr. Carruthers was immediately summoned, and under his care the lad is doing as well as could be expected.

FOR THE WEAK AND LANGUID.—Campbell's Bess, Iron and Wine is one of the best tonics, possessing many nutritive and strengthening qualities. It is recommended by the leading medical men. If you are weak and languid a bottle will give instant relief. See that you ask for a d'get Campbell's Bess, Iron and Wine, nov 61/90
