CONTRACT BRIDGE

By B. JAY BECKER

QUIZ
Partner bids One Heart, next player passes. Both sides are vulnerable and you have a part score of 60. What do you now bid with each of the following four hands?

- AKQ7 ♠ J6 ♠ AJ83 ♣ A92
- AJ7 ♠ KQ83 ♠ AQ864 ♠ 92
- A5 ♠ A64 ♠ KQ852 ♠ AK74
- AQ ♠ KQ782 ♠ 8 ♠ KQJ964

1. Two notrump. Different point count requirements apply when a part score exists. Since one notrump is sufficient to produce a game with a part score of 60, it necessarily follows that a two notrump response must be construed as a slam try.

Without a part score, the normal expectancy for a two notrump response is 13 to 15 points, and for a three notrump response 16 to 18 points.

With a part score, greater values are required for these responses because both bids are directed toward a game but toward a slam. The two notrump response denotes 15 to 16 points; three notrump, 17, 18, or even 19.

2. Three diamonds. The jump shift by responder is 100 percent forcing, even with a part score. A distinction is made between a jump in a suit and a jump in no-trump. There is every reason to feel optimistic about slam possibilities. If a good fit found in either hearts, diamonds, or clubs, the slam will be odds on.

3. Four notrump. This is an ideal hand for the use of Blackwood. The number of aces partner has for his opening bid is a sure guide to how many tricks can be made with hearts as trump.

If partner responds with five hearts, showing two aces, the bidding is dropped. If partner bids five notrump, showing four aces, seven hearts can be bid with complete safety.

It should also be observed that with a part score of 60, a two club or diamond response is not forcing on the opening bidder, even though it is a new suit by responder, because game has already been reached.

Both the two and three notrump responses are limit bids. They do not compel, but only invite, the opener to bid again.

4. Four notrump. This is an ideal hand for the use of Blackwood. The number of aces partner has for his opening bid is a sure guide to how many tricks can be made with hearts as trump.

If partner responds with five hearts, showing two aces, the bidding is dropped. If partner bids five notrump, showing four aces, seven hearts can be bid with complete safety.
