Just a week ago I stood Where I stand today. Looking at a cold back-yard Of winter's barren clay.

I marvel, as I look this week That Earth could change So soon. I see, today, In that back-yard The Crocuses in bloom.

Where not the slightest sign Of life. A week ago was seen: Now, beautifying everything, Are flowers And leaves of green.

Students Seek Increase In Scholarship Funds

A delegation of students from St. Dunstan's University met Wednesday afternoon with Premier Alex W. Matheson in order to seek his support and the support of the Province in their efforts to obtain an increase in scholarships and bursaries from the Federal Government. The delegation, representing the St. Dunstan's Committee of the National Federation of Canadian University Students, presented to the Premier a brief stating the case for the increase in scholarships and bursaries and illustrating the need for them. The presentation of the brief seeking increase in Dominion grants in scholarships and bursaries is part of a nation-wide campaign conducted by the National Federation of Canadian University Students in their efforts to impress upon the Provincial and Federal Governments the needs of Canadian Students for financial assistance.

The delegation meeting with the Premier consisted of Thomas Kane, Chairman, George Mullally, vice chairman, St. Dunstan's N.F.C.U.S. committee, Floyd Gaudet, president of St. Dunstan's Students' Union, Alton Craig, president of St. Dunstan's senior class and Richard Wedge, chairman, St. Dunstan's N.F.C.U.S. The brief, read to the Premier by Mr. Kane, requested the support of the Provincial Government of Prince Edward Island, and the personal support of the Premier, at the forthcoming conference in Ottawa for its request that the Federal Government allocate more funds for the granting of scholarships and bursaries. These scholarships and bursaries, sought, are to be awarded to 10,000 Canadian Students in the form of 2,500 awards, each tenable for four years. It is estimated that once such a program is fully underway, it would cost approximately \$5,500,000. It would mean the payment of relatively substantial bursary awards, most of them averaging some \$500.00, to about one-fifth of the

innocent, and is knowingly using her sadly-worn wiles to rope him into marriage, if possible. Sue's letter to you is impertinent, no doubt, if we choose to weigh it conventionally. But it shows indirectly that she feels desperately alone in her quest for the good life - which after all is what everyone seeks, no matter how far off the beam they go. In her sense of loneliness, she urgently feels she must confront you directly about her fears of losing John if you won't accept or understand her. Not that she would phrase her case this way, perhaps; but still that's what it amounts to.

Mother Ought To Act Her Age

What to do? Get straight in your mind about the problem. As of now, you are agitating yourself about Sue as if she were your dangerous rival in a struggle to own and dominate John. In reality you are John's mother, and as such you ought to be a wise mature character, capable of guiding him aright through adolescent

How to make a hit with your wife

If your wife is like most women these days, she likes feeling independent. Even if you already have a "joint" bank account on which she may draw, won't she feel happier still if you give her a savings account of her own? That will give her steady encouragement to systematic saving. Compound interest will help make

her bank balance grow. And at The Canadian Bank of Commerce, she'll get such a warm welcome she'll find saving a pleasure.

Yes, you'll make a hit with your wife if you bring her with you today to our nearest branch—and start a savings account she'll have as her very own. Anyone in our more than 680 branches will be glad to help you.

Albany Will Address Teachers On Mental Health

The sales of Sunday, March 27th did a lot of damage in this section of the Province. The barn roof of Mr. Arthur Thompson, North Tryon, was completely blown apart; also the large barn roof on the farm of Mr. George McKay, M.L.A., of Albany, was completely demolished. A large barn of Mr. Fred Matters, Westmoreland was also ruined by the gale.

Friends will be glad to know that Mrs. George Pratt of Tryon, who is a patient in the Prince County Hospital is improving.

Mr. and Mrs. Sheldon Campbell of Saint John, N. B., motored to Albany on Sunday, April 3rd. They were on a brief honeymoon to Mr. Campbell's home in Augustin Cove. They plan on leaving for a visit to Boston and New York returning to Saint John, N. B., by way of Montreal. Mr. and Mrs. Campbell plan on making their home in Saint John, where they are operating a Motel and cafe.

A farewell party was held in the Tryon Baptist Hall for three of Tryon's young ladies who are planning on leaving the island for far away lands. Miss Joyce Woods of North Tryon, left by plane for Regina, Thursday, March 24th. Miss Verna Woods and Miss Marion Sturdy of Tryon left by car for Connecticut, U. S. A. They plan on entering a hospital there as X-ray technicians. A large crowd attended the party and a presentation of a purse of money was made to the young ladies.

Mr. Raymond Woods, Albany, is one of our pioneer poultry men. He has one thousand cockerels over a month old. Mr. Woods plans on having these birds ready for the Dominion Day market.

Though retired, Dr. Laycock is now in Eastern Canada working with Dr. Griffin in the interests of Mental Health.

He has consented to come to Charlottetown to address the P. E. I. T. F., on Wednesday, P. M., April 13, at 2.30. Anyone wishing to hear this gifted speaker is privileged to attend.
