Local and Other Items.

GENEROUS MONTREAL.—Over sixteen thou-  
sand dollars have been already subscribed in  
Montreal for the relief of the sufferers by the  
Springhill disaster.

SHE SKIPPED OUT.—Charles Marston, of  
Che sea, Me., is looking for his wife, who  
eloped Saturday with a Frenchman named  
Dooly, after having drawn the money which  
Marston had in the Gardiner savings bank,  
which he had previously deposited in her  
name.

GOOD WHEELING.—H. T. T. and Roy D.  
Ostman made the run on Columbia bicycles  
from Washington county to Pittsfield in one  
day, a distance of 73 miles. Some portions  
of the distance were hilly and others were sandy.  
The feat is called a good one for amateurs.—  
Pittsfield, Mass., Call.

FRESHETS IN NOVA SCOTIA.—The big thaw  
of the last two or three days of last week has  
been accompanied by a very heavy freshet in  
different parts of Nova Scotia. The water at  
the bridge over the Cornwallis River at Kent-  
ville was fully a foot higher than it has ever  
been known to be before.

CAUGHT STEALING LETTERS.—Two boys,  
Fred and James Symer, have been arrested at  
Montreal for stealing letters. They sneaked  
the sliding board of a shoot with mailage, and  
after a letter had been put in the box and stuck  
there they pulled it out. They gathered  
about 100 letters before they were caught in  
the act.

THREE MEN KILLED.—Owing to a defect in  
the brake at the top of an incline at Whitwell  
coal mines, Nashville, Tenn., on Saturday, a  
car containing sixteen men dashed down the  
incline at terrific speed. Three men were in-  
stantly killed, and five others seriously in-  
jured. It is suspected a pig was removed  
from the brake during the night with malicious  
intent.

NEW PAPER.—Two numbers of The  
Mercury, the latest journalistic venture in  
Halifax, have been received by THE EX-  
AMINER. The paper presents an excellent  
appearance, and every one of its eight pages  
is filled with interesting reading matter.  
A good deal of attention is, of  
course, devoted to society matters.  
The Mercury is published by the  
Dunn Publishing Company. Mr. W. R.  
Dunn, late of the Echo, is editor and man-  
ager. The Mercury has the best wishes of  
THE EXAMINER.

THE 1, 2, 3, 4, 5.—The Canadian Fireside  
Week is out with another grand prize com-  
petition to increase its circulation, in which  
300 valuable prizes are offered. This is no  
puzzle or trick, and requires no searching in  
dictionaries or books of any kind. It is in-  
genious, but simple, and has never before  
been offered by any paper. A child of eight  
can win as easily as a college professor.  
Among the prizes are bicycles, tricycles, \$100  
cash, in nature, silverware, jewelry, summer  
trips—prizes for men, women, boys and girls,  
300 in all. Send at once 5¢ for sample copy,  
with full particulars and list of prizes, to 9  
Adelaide street west, Toronto, Ont. Mention  
this paper.

MARRIAGE BELLS.—The Vancouver papers  
contain reports of the marriage at that place  
recently of Miss Jean Fraser, daughter of Mr.  
D. M. Fraser, formerly of Charlottetown, and  
Mr. George Ristean, one of the C. P. R. con-  
ductors. The ceremony was performed  
at the residence of the bride's  
parents by the Rev. J. M. McLeod.  
The bridesmaids were Miss Cassie Fraser,  
cousin of the bride, and her sister Miss Jessie.  
Mr. H. C. Clarke was the groomsmen.  
The bride was the recipient of many beautiful  
and costly presents, including a handsome  
diamond brooch, the gift of the groom, while  
the bridesmaids were respectively presented  
with a diamond ring and a gold watch.

CRUSHED TO DEATH.—A fatal accident oc-  
curred at Sydney Mines last week, by which a  
workman named John Cann, of that place,  
met a most terrible death. The unfortunate  
man was descending the shaft about 6 o'clock  
to commence work, and at the same time com-  
ing up out of the pit were several workmen in  
the upgoing cage, and when the cages reached  
the surface of the pit the engine stopped to  
enable the men to land. At that time the  
descending cage was about ten feet from the  
bottom of the pit, and Mr. Cann, thinking he  
had reached the bottom of the pit, stepped out.  
In a moment the engine again started,  
and the heavy cage descended, mangling Mr.  
Cann's body against the side of the pit, killing  
him instantly.

FOR OVER FIFTY YEARS Mrs Winsloe's  
Soothing Syrup has been used by millions of  
mothers for their children while cutting teeth.  
It leaves their little sufferer at once; it pro-  
duces a natural, quiet sleep by relieving the  
child from pain, and the little cherub awakes  
as "bright as a button." It is very pleasant  
to taste. It soothes the child, softens the  
gums, always all pain, relieves wind, regulates  
the bowels, and is the best-known remedy for  
diarrhoea, whether arising from teething or  
other causes. Twenty-five cents a bottle.  
Be sure and ask for "Mrs Winsloe's Soothing  
Syrup," and take no other kind.

LETTERS TO THE EDITOR.

A Shameful Report.

SIR,—Mr. Archibald Macdonald, the es-  
teemed representative of Georgetown, can  
afford to treat with silent contempt the  
mean and shameful report of the proceed-  
ings here on Nominating Day, in the Patri-  
ot of the 2nd inst.

It is the first time since Responsible  
Government that a man seeking the suf-  
frage of a free people was afraid, after  
nominating, to address the electors on the  
important issues before them. Dr. Mc-  
Intyre failed in his duty, sneaked away  
from the intelligent electors and left a man  
to speak for him who has been told more  
than once that he is not wanted, that the  
people have no confidence in him, conse-  
quently White, the thrice rejected of Mar-  
ray Harbor, was hooted down and not  
allowed to speak.

Dr. McIntyre's insult to the assembled  
electors on the 26th February, 1891, will  
be long remembered.

ONE WHO WAS PRESENT.  
March 4, 1891.

Another Successful Islander.

Our old friend, Mr. John Ross, has, we  
consider, made the greatest and most for-  
tunate stroke of his life this week, in pur-  
chasing the valuable and well known Wil-  
liam H. Miller property of 500 acres, with  
barns, stables, family residence and out-  
buildings, situated on the north branch of  
Two Rivers, well timbered, and taken to-  
gether one of the handsomest properties in  
Kittson County and in the Northwest.  
Mr. Ross paid \$2,400 down, and has easy  
terms for the balance. We have been ac-  
quainted with Mr. Ross from the time he  
came to Kittson County with \$50, and have  
had large business transactions with him in  
the past, and a more honorable young man  
we do not know of. Mr. Ross raised  
nearly 5,000 bushels of grain last year, but  
if he does not total 10,000 next harvest and  
drive in a herd of fat cattle, we shall be  
out in our reckoning of what John is good  
for on the best farm near Northoute.—  
Kittson County, Minnesota, Era.

[The Mr. Ross referred to above is a  
native of Springton, L. I. 67, and has two  
brothers in this city. He left the Island  
for Minnesota about twelve years ago.  
THE EXAMINER wishes him continued pros-  
perity.]

Funeral of Thomas Conway.

The funeral of Thomas Conway, a son of  
the late C. P. Conway, took place yester-  
day afternoon from his late residence, No. 253  
Jay Street. It was largely attended by the  
relatives and friends of the family of the  
deceased, and also by the members of the  
force and employees of the Manhattan El-  
evated R. I. way, where he had long been em-  
ployed.

The floral offerings were elaborate and  
included harps, pillows, crosses and other  
devices. A broken pillow was sent by the  
railroad employees and bore inimum stelles at  
the pier the words "To our friend Tom."  
Edward Harrigan, the actor, a cousin of the  
deceased, attended the funeral with his wife,  
and Mr. William Fransoli represented Col.  
Hains, the superintendent of the Manhattan  
Elevated R. I. road.

Mr. Conway died last Thursday evening.  
He was immensely popular in this city, and  
always looked upon as a gentleman of up-  
right character.—Brooklyn Citizen.

[Thomas Conway, with his parents, re-  
sided in Charlottetown for several years,  
and has many friends in this city, who will  
hear the news of his early death with regret.]

Jews Massacred.

SPREAD BY COSSACKS AS THEY WERE CROSS-  
ING THE PRUSSIAN FRONTIER.

The scheme to smuggle Jews by whole-  
sale out of Russia for emigration to the  
United States has, according to a Berlin  
despatch, already resulted in bloodshed.  
The Russian authorities have been keeping  
a close watch for some time on the frontier  
of Prussian Silesia, and the Russian side of  
the boundary is patrolled by battalions of  
Cossacks on the look out for any who may try  
to leave Russia without permission. A few  
days ago a force of Cossacks on the watch  
opposite the town of Mylowitz, in Prussian  
Silesia, discovered 30 emigrants crossing  
the frontier.

Several of them had already got within  
Prussian jurisdiction, and were therefore  
safe from the Cossacks, but the large ma-  
jority were still on the Russian side of the  
line when the half savage cavalry of the  
Czar came dashing down upon them. The  
Cossacks trampled them under their horses,  
killing quite a number before the reman-  
der allowed them selves to be driven back.

Besides the killed many of the emigrants  
were badly wounded. In one instance  
a father who had escaped across the  
line saw his wife and child driven back  
and went back to join them. It was ascer-  
tained that all the emigrants were destined  
for America.
