The altar was decorated with gladioli. Mrs. Mary McDermott sang, with Miss Grace McCarthy as organist.

The bride was given in marriage by her uncle, Mr. Patrick Malone. She wore a full-length gown with Chantilly lace bodice and double nylon tulle skirt over satin. She carried a prayerbook with a white orchid. Her fingertip nylon veil was held by a crown of lace and seed pearls.

Miss Patricia Sullivan was maid of honor. She wore a strapless gown of Nile green net over taffeta, with a stole, and carried a colonial bouquet of yellow roses.

Mr. George Abate, brother of the bridegroom, was best man. Mr. Joseph Pazzanes, cousin of the bridegroom and Mr. Gerald Malone, cousin of the bride, were ushers.

A reception was held at the Pawtucket club. The bride's mother wore navy sheer over taffeta, with an orchid corsage. Mr. Abate's mother wore a similar dress, also with an orchid corsage.

Mrs. John Moran, Mrs. Louis McCaughey, Miss Lucy Amira, Mrs. Daniel Giardini, Mrs. Anthony Abate, and Mrs. Joseph Abate assisted in serving. Miss Katherine McAuliffe attended the gift room, and Mrs. Joseph Welch presented the guest book.

For travel, the bride wore a Palm Beach suit with white accessories and a white orchid corsage.

The bride was born in Haverhill and was graduated from St. James High School in 1949. Mr. Abate also born in Haverhill, was graduated from Haverhill High School in 1948. He served two years in the U. S. Army, and is now employed by Wilson and Co.

The bride has, in the past, visited her relatives in Emerald P. E. I. each summer. Her parents, Mr. and Mrs. Michael McCluskey, were both born on the Island; Mrs. McCloskey being the former Dora Trainor of Emerald and Mr. McCluskey being of North Wilshire.

Guests were from Calais, Me.; Grand, R. I.; Seabrook, N. H.; Lynn, Boston, Lawrence and Fall River, Mass.

The bride was given a miscellaneous shower by Mrs. Henry O'Shea, and she was given a personal shower by Miss Sullivan. # SALAD WEEK

## July 30th to August 10th

The Prince Edward Island Department of Agriculture gives its support and approval to the promotion of a program initiated by the Canadian Horticultural Council for the more general use of salads in the diet.

... Greater consumption of salads not only develops better health, but also lowers food costs and provides a wider market for a great variety of Island vegetables, fruits, chicken, fish, dairy and other products. This is the season of low prices and peak production of fruits and vegetables fresh from the field. Examine the many products that are available at your grocer's.

... Try salads during Salad Week, and every week.
