SOURIS PUPILS SEE FACTORIES

One June 15th, 1956 the teacher, Miss Phyllis Morrison and pupils of Grade 5 and 6 Souris Elementary School enjoyed a very interesting tour through the two factories of the town, capably arranged by the manager of the Eastern Packing Co. Ltd., Mr. Paul Gallant. They also visited Griffin's Fisheries plants. From their tour they learned how modern factories operate and viewed both lobsters and other fish from the time they left the boat at the wharves and followed each process through the plant which turned out canned lobsters and fresh frozen fillets. On their return to the Eastern Packing Co. office a treat was provided by Mr. Gallant. Both teacher and pupils felt they had a demonstration in Nature and Geography which they would always remember.

Souris Sea Cadet Corps Is Organized

Under the sponsorship of the Souris Lions Club a Royal Canadian Sea Cadet Corps was formed at Souris on Tuesday night. Mr. Charles Hogan, President of the P.E.I. Branch of the Navy League of Canada and Lt. Gabriel Houson, Bandmaster of the Summerside Sea Cadet Band were present and the formation of the corps was officially declared by Mr. Hogan. The Commanding Officer of the corps will be John White, Principal of Souris High School and a former Captain of the P. E. I. 174th Regiment. Mr. Arthur Wright, Postmaster at Souris was appointed as chairman of the Souris Sea Cadet Committee and also was elected as President of the local branch of the Navy League which was formed at the same meeting. Mr. Hogan said yesterday that the potential membership of the corps in Souris was about 35 members and he was enthusiastic regarding its future success. He felt that the Lions Club would do a good job in sponsoring the corps and that the newly elected officers were men who would provide the leadership required to make it a success. Mr. Hogan said that applications are now being considered for officers of the corps and that when they have been selected there was a possibility that they would attend camp this year at Acadia which will be held from August 12th to 25th. He said that the training of the cadets would begin in September at the Souris High School.
