

Cleveland Loses Tough Game To Boston 15-14

By STEVE ROBERTSON
Canadian Press Staff Writer

Lou Boudreau, a self-described "pessimist all season," insists that his Cleveland Indians will win the American League pennant.

"Now I feel confident," the Cleveland manager declared at Boston yesterday. "We're going to lose our share of games, but at the end of the season we'll be on top."

Whereupon Lou's Indians went out and lost a tough game to Boston's suddenly spirited Red Sox who for the second time in two days refused to roll over and play dead for Cleveland. The Red Sox overcame a 12-2 Indian lead for a stormy 15-14 victory before 28,328 fans.

The Sox pulled themselves within three games of the leading Detroit Tigers, whipped 4-3 in Philadelphia. The Tigers have a one-game edge over New York Yankees, also beaten today, and a two-game margin over the Indians.

Before the roof fell in on the Indians, Boudreau for the benefit of newspaper men listed three main reasons for his confidence that Cleveland will win the pennant:

1. The players: "In all my years as manager we've never had such a fine group."
2. Individual performance: "Our pitching is excellent and I see signs of our hitting returning."
3. The opposition: "None of the other leaders seem to have an abundance of hitting."

Boudreau has been chary about his forecast this season. But in 1948, when the Indians were 4½ games behind in September, he predicted a pennant. He was right. But in yesterday's game, Bob Lemon appeared headed for his 21st victory with little trouble. The Indians had accumulated 10 runs in the first three innings and got another pair in the fourth. That was when the Sox came to life.

They scored eight times in their half of the fourth, got two more in the sixth and four more in the eighth. What proved to be the winning margin was Al Zarilla's seventh homer of the season, socked well into the right-field stands. In other American League games, Ray Scarborough, Chicago White Sox ace, kept the Yankees from a virtual tie in the League race by stopping New York 6-4 on six hits. This came as the Tigers were absorbing their second straight setback, 4-3, at the hands of Philadelphia Athletics. The victim was Hal Newhouse, prince of the Detroit mound corps.

In the National League, St. Louis Cardinals bombed their old nemesis, Preacher Roe, for three home runs to sink Brooklyn Dodgers 3-1. Tommy Glaviano, Del Rice and Stan Musial connected off Roe, easing Gerald Staley's 14th victory.

At Cincinnati, Homer Howell hit a homer with two out in the ninth inning to snap a tie and give the Reds a 3-2 victory over New York Giants.

Philadelphia's Phillies increased their first-place lead over Brooklyn to 5½ games but it was a close thing. Chicago Cubs, powered by three successive home runs by Hank Sauer, walloped the Philadelphia Phillies 7-1. The Phils took the second, 9-5, to move farther ahead of the Dodgers.

Two Matches In Ch'town Tennis Club Tourney

In the only two matches played in Charlottetown Tennis Club annual tournament play yesterday Dr. M. Schapira and Ken Abbott both advanced into third round play of the men's singles division with victories over their respective opponents.

Dr. Schapira defeated Carl Bradley in a closely contested match that was forced to three sets before it was decided, and although the final scores were 1-6, 6-1, 6-2, the play was close at all times, with the much younger opponent Bradley, making it a battle every inch of the way.

Abbott won his match in straight sets, defeating Don Nauss 11, 9, 6-0, with the former player showing his more experienced skill in the final set after having a really nip-and-tuck 20-game first set struggle.

Fredy Coyle, Elmer Blanchard, G. D. Fitzgerald and Miss Wanda MacMillan all advanced into their next stages of play in singles events, by default.

Play will be resumed today and the following is the schedule:

TODAY'S MATCHES

Men's Singles, 5:15 P.M.—Walter Cullen vs. Charles Willett; E. Blanchard vs. Ivan Dowling; Ned Wran vs. Fred Coyle.

6:00 P.M.—Ken Abbott vs. Vic Williams; Paul Kays vs. G. D. Fitzgerald.

Ladies Singles

6:00 P.M.—Helen Larter vs. Allie MacLeod.

Sport Briefs

KENTVILLE, N.S., Aug. 28 — (CP) — A grand-slam homer in the fifth gave Kentville Wildcats a 7-4 victory over Halifax Shipyarders in the Halifax and District Senior Baseball League semi-finals here today. The best-of-seven series now is tied 2-2.

NORTH SYDNEY, N.S., Aug. 28 — (CP) — Sydney Mines Ramblers and New Waterford Dodgers battled to a 6-6 tie in the third game of their best-of-seven Cape Breton Senior Baseball League semi-finals here today. Ramblers won the first game 3-2 and Dodgers the second 16-2. Today's game probably will be re-played Thursday.

STELLARTON, N.S., Aug. 28 — (CP) — Dartmouth Arrows defeated Stellarton Albions 13-7 here today to tie their best-of-seven Halifax and District Senior Baseball League semi-finals at 1-1. The first game ended in a 6-6 tie.

Wins S'side Golf Club Ch'ship

Norman MacLeod won the Summerside Golf Club championship in the final 36 holes of the club tournament, played on Sunday. Squadron Leader L. Carver was runner-up. At the end of 18 holes, MacLeod was 3 holes up but at the end of 27 holes he was only one up. The game ended on the 34th hole four and two. Last year's champion, Roy Adams, was eliminated by S-L Carver. MacLeod has been champion on three previous occasions.—S.

Driftwood Spoils Speedboat Attempt

CONISTON, England, Aug. 28 — (AP)—Donald Campbell sent his speed-boat, Bluebird II, over Lake Coniston at better than 150 miles an hour today but his attempt to smash the American-held world's speed record was balked by a tiny piece of driftwood.

Campbell was midway in a run along a measured mile when his temperature gauge flashed a warning that the engine was overheating.

"I was travelling at more than 160 M. P. H.," he said. "I immediately took my foot off the accelerator."

Back in the boat house a check showed that a small piece of wood had become lodged in the water intake scoop of the cooling system.

Campbell said he intends to make another attempt to crack the record of 160.32 M. P. H. tomorrow morning if the weather remains favorable.

ideal country for training and plenty of birds," but added "I wish there wasn't quite so many fences."

He also said that he had heard much of the shooting country here from visiting American sportsmen, and had come on their recommendations.

Mr. Roe is conducting his training here from Mr. Freeman Eddy's Kennels, located on the Mount Edward Road.

In regard to the classes to be held here for local dog owners Mr. Roe will give instruction for half-hour periods to two separate groups, twice a week, commencing tonight. The classes will be held at the Royal Packing Company Plant on Grafton Street, which has been generously donated by Mr. Ralph Jenkins, the proprietor. Class days will be Tuesday, Wednesday, Thursday and Friday, and officials of the Kennel Club stated last night that non-members of the Club who are invited to attend but should contact the Secretary, Mrs. J. O. C. Campbell, to be allotted to their proper groups.

THE GUARDIAN, CHARLOTTETOWN

AUGUST 29, 1950

In view of the keen interest that has been displayed among tennis enthusiasts during the holding of the Provincial and other club tournaments this season as well as the ones that are in progress now, there is a strong trend towards seeing the open style competitions being brought back to this Province next season.

The point was brought out by local officials last Saturday during the prize presentation ceremony at the Charlottetown Tennis Club at the conclusion of the Provincial Closed Tournament play held there. Making the presentations, Club President J. E. Wran referred to the possibility during his remarks, and the suggestion was received with much general favor by attending enthusiasts.

With the new clubhouse for the City club well on its way to completion, and four of the six courts in finer shape than they have been since before the war, it is felt that with these improved facilities, the Club will be in a position to extend an invitation to other Maritime Clubs to come and compete in Island Open play next season.

Although there hasn't been an open tourney held here for some three or more years, the Charlottetown Club has an age-old reputation for organizing and holding successful tourneys of that nature during its history of some three-quarters of a century of activities. It is the present view, that through the co-operation of the other clubs in the City and Province, that the days of such tourneys are far from over here, and with a combined effort, should see activity renewed here again next season.

"It makes a difference, believe it or not, how a felder enters a dugout after he catches a foul fly ball," states Billy Evans. "There is a definite line of demarcation between gently stepping into the dugout after a catch and falling into it with a thud."

"In the good old days of long away" continues Evans, "it was far from safe for a player of the defensive side to get too close to a dugout. His approach to the dugout of the opposition always brought a verbal barrage designed to thoroughly upset the player. It was not unusual to move the bats about so that they might interfere with the making of the catch. Incidentally, after making the catch, the player occupants of the dugout didn't help him out of his embarrassment, after he had joined them in the dugout. As a rule he was just about considerably in his effort to return to the playing field. Fortunately those days are no more."

"It is an accepted truth in baseball that it is best for the game to keep the ball in play whenever and wherever possible. This theory has been carefully followed by the interpretation of this rule. If the fielder or any defensive player should fall into the stand, or fall down in the dugout, after making the catch, the ball is dead, and runners may advance one base without liability to be put out. If a player steps into the dugout and makes the catch, the ball is alive and in play and runners may advance at their own peril."

"This interpretation protects, as it should, the fielder in every possible way. Also it removes any premium on rough play in the dugout. The proper procedure is definitely defined. If the player falls into the dugout and is thereby so handicapped that he cannot make a play on the ball, the minimum penalty is enforced—the ball becomes dead and each runner is entitled to advance one base without liability to be put out."

"On the other hand, if the player, after making the catch, steps into the dugout, the ball continues in play, and the fielder can attempt any play he desires and runners may advance at their own peril."

Provincial Swimming Meet Scheduled For S'side On Wednesday

The Prince Edward Island Swimming and Diving Championships, under the sponsorship of the Summerside Y's Men's Club, will be held at the Marine Wharf, Summerside, tomorrow afternoon commencing at two o'clock.

The Provincial Meet, the first of its kind to be held here for many years, will bring together some 120 contestants who will compete in a program of twenty swimming and diving events, and will represent Kings, Queens and Prince Counties. They will be the winners of the individual County championship trials held earlier this summer.

Mr. Kenneth Calbeck of the Summerside Y's Men's Club will be the Provincial Chairman of the Meet, while Dr. Ray Barrett, Charlottetown, and Cullen DeLoory, Georgetown and Corporal Heaty, Strong (R. C. M. P.) Souris, will lead the Queens and Kings County groups respectively.

Three judges and timers from each County, have been selected to preside over the Meet.

Following the success of the individual County Meets, which all produced an outstanding calibre of performance, the Provincial Meet is expected to produce some of the keenest competition to be witnessed here for many years, and top-notch swimming and diving demonstrations are expected to be the feature of the Meet before the final champions are declared in the various divisions.

The Queens County swimmers will meet at the Y. M. C. A. tomorrow afternoon at 12:30, from where they will be transported to Summerside by private cars.

Three World Track Records Ratified

BRUSSELS, Aug. 28 — (Reuters) — Three world track records were ratified by the Congress of the International Amateur Athletic Federation Saturday.

200-metre hurdles—22.3 seconds, by Harrison Dillard of the United States, set June 21, 1947.

220-yard hurdles—22.3 seconds by Dillard, set June 21, 1947.

10,000-metres—29 minutes, 26 seconds by Emil Zatopek of Czechoslovakia, set Aug. 4, 1950.

"Naturally, umpires like such an interpretation because it specifically defines the possibilities of the play, all centered on the manner in which the fielder becomes a part of the dugout scene. Nothing is left to the imagination or observation of the umpire. If the player falls down, the ball is dead and all runners advance one base. If the fielder steps in, the ball remains in play and runners advance at their own risk. Thus, there are two different decisions on what may seem like the same play to the spectator, each hinging on the manner in which the player making the catch enters the dugout." Evans concludes by saying, "It would seem much better to step in rather than fall down in the dugout from the standpoint of the defensive side."

Weather Delays Junior Tennis

(By The Canadian Press)

OTTAWA, August 28 — Rainy weather today put a crimp in the opening of the week-long Canadian junior tennis championships which saw only boys and girls in the under-15 group get into the play.

Carolyn Flemming of Truro, N. S., won two matches to reach the semi-final round of the girls' singles. The 14-year-old Nova Scotia champion in both junior, women and girls' singles defeated D. Coe of Ottawa 6-3, 6-1.

In the quarter-finals Carol Wyn eliminated 13-year-old Carolyn of Buffalo, N. Y., seeded No. 1 in the foreign entry. In three hard sets the Nova Scotia girl defeated her opponent with scores of 6-3, 3-6, 6-2.

The cream of Canada's junior tennis crop plus a sprinkling of top United States players are among the 200-odd entries in the big meet which is being held at the Rideau Lawn Tennis Club. Because of the pile-up caused by today's late start some of the games will be played off tomorrow on the courts of the Ottawa Tennis Club.

In the first round of the boys' singles, top-seeded Pierre Lambert of Victoriaville, Quebec, defeated George Wilson of Yarmouth, N. S., 6-4, 6-3.

Only New Brunswick player to perform today was Miss Iris Bliss of Fredericton, provincial junior champion. Miss Bliss defeated Penny Lowe of Ottawa in the first round of the girls' singles. The score was 6-4, 3-6, 6-4.

S'side Valley Ball Playoff Schedule

A meeting of the Summerside valley ball club was held on Friday evening with Harry Bishop acting as chairman. The playoff games were arranged as follows and will be held on Tuesday, August 29th: Firemen vs. R. C. M. P. Recce vs. Bag Factory Above to played at the Armouries Airforce vs. Schurmans To be played at the Airport It will be a best of three game series for the George T. Clarke trophy. Dates of other games will be announced later.—S

Takes Ominous View Of Aussie Victory

PARIS, Aug. 28 — (AP) — The newspaper Combat took an ominous view today of Australia's Davis Cup tennis victory over the United States. The paper noted that Australia also took the cup "in 1914 and 1939, both tragic years."

Victorias-Kinsmen Open Semi-Finals Here Tonight

Local fans should see some top-notch ball at Memorial Field this evening when the Victorias and Kinsmen open their semi-final playoff series in City Junior Baseball League competition, commencing at 5:15.

Second and third place winners of the regular schedule respectively, the Vics and Kinsmen have been playing a close brand of ball all season with the schedule winning Knights of Columbus nine, with the Vics and Knights having to play an extra game to decide the first place position, the final result showing only a three-game gap separating the first and third place squads.

Although the Vics are the slightly favored crew to take the best of three game series, as the result of their showing in league play this season, there is not that much difference between the two squads to make it an easy touch, and everyone is expecting it to be a battle right to the final out of the series.

The winning team will meet the Knights in a best of five game series for the City Junior championship.

Shipment Of Game Birds Made Easier

Hunting game birds in Prince Edward Island by outside gunners will be easier this year.

The visiting hunters will not have to worry about shipping the birds back home. The Provincial Department of Industry and Natural Resources has changed the old ruling which provided that birds must be carried out of the Province in open sight and tagged with the number of the hunter's license.

This year, for the first time, shipping coupons are attached to non-resident licenses. These must be certified by an officer of the Royal Canadian Mounted Police but can be attached to the birds or containers making it legally possible to ship them.

The ruling that birds had to be taken out of the Province in open sight created a problem at times especially if the non-resident wanted to take away the full 40-bird limit allowed during the season.

Now he can ship a few at a time and keep right on hunting until his quota is reached. Or he can ship the birds home ahead of him if he has other business to attend to.

United States customs regulations on the importing of game birds are printed on the reverse side of this year's non-resident licenses.

Gussie Moran Signs For Pro Tennis

NEW YORK, Aug. 28 — (AP) — Gussie Moran, who calls a curve a curve, today signed a professional tennis contract which will guarantee her \$75,000 for one year of play.

"I really hate to leave the amateur ranks," she said, "but after all this way I won't have to worry about what I wear."

Gussie, whose costumes always have been more startling than her tennis, will start with Bobby Riggs' troupe early in November when it opens in Madison Square Garden. Her contract includes a clause that she will receive 30 per cent of the receipts if the tour grosses more than \$250,000.

Collects \$6,055 On Two-Dollar Bet

PORT OF SPAIN, Trinidad, Aug. 28 — (CP) — A Fort of Spain merchant, Alexander Dewar, collected \$6,055.48 on a \$2 bet Saturday at the unknown three-year-old filly Katia scored an upset victory in a "F" class, six-furlong race here. The filly is owned by F. L. Deveteuil of Port of Spain.

Holy Redeemer Tennis Tourney Is Continued

Jack MacDonald captured the Holy Redeemer boys' singles tennis championship yesterday after noon when he defeated Roger Gardham in a spirited final match in straight sets of 6-2, 6-3 played over the local club courts.

Play in the men's and ladies singles was also continued during yesterday in the annual Holy Redeemer tournament.

The following are the results:

Men's Singles
Dr. Yue Kuoh-Wel defeated Bob Morse 6-2, 6-3; Carl Prouté defeated Marcel Arbique by default; Melvin-Martin defeated Ralph DeCoste 6-4, 6-4; Jack Hennessy defeated Doug Douglas 6-1, 6-0; Allan MacDonald defeated Carl Prouté 6-3, 6-2.

Ladies Singles
Mrs. Kay Douglas defeated Vivian Molynieux by default; Rita Berrigan defeated Rita Gallan 6-1, 6-1; Adelaide Larter defeated Rosemary Trainor 6-3, 6-2.

Today's Scheduled Matches
Ladies Singles—5 P.M.—Frances Trainor vs. Louise Wedge.
5:30 P.M.—Claire MacDonald vs. Rita Berrigan; Alice Hennessy vs. Dot Saunders.
6:30 P.M.—Adelaide Larter vs. Maxine Claybourne.

Interesting Meeting Of Kennel Club

Members of the Charlottetown Kennel Club were treated to an interesting and instructive talk and demonstration on "obedience training" for dogs by Mr. D. W. Roe of Augusta, New Jersey, U. S. A., at a special meeting held at the Clover Club last evening.

Mr. Roe, a professional trainer of all types of dogs, has been in this Province for the past month where he is training some 17 field dogs for United States sportsmen owners, as well as three or four hunting dogs owned locally.

At the request of the Kennel Club, Mr. Roe has consented to hold training classes for local dog owners for the next four weeks or so during the remainder of his stay here.

Describes Training

Introduced to the meeting by Club President W. H. Beaton, Mr. Roe gave a very instructive outline of basic training for dogs and later demonstrated the procedure of this training with one of the dogs he brought with him, a Brittany Spaniel, which gave the many interested members in attendance an excellent cross-section of how a dog should be handled in "obedience training."

Mr. Roe explained that training a dog requires considerable patience, and that training should begin when the dog is about six months old. He emphasized being firm in the training, but not to be harsh in treatment, and that above all, to not make the training periods too long. "One half hour at a time is sufficient," he stated. He also pointed out that all commands should be sharp, but brief.

Using an un-trained dog for his demonstration, it was a revelation to the listening audience the way he taught the dog to "come to heel," "sit," "lie" and "come" at the given commands after a few brief lessons with the use of a choke-chain and leash.

Local Country

In a later interview with the audience, Mr. Roe brought the dog's name to the fore, "because it is

Everybody's Talking About This Great Razor Bargain!

Gillette ROCKET ONE-PIECE RAZOR

NOW IN DURABLE STYRENE TRAVEL CASE

COMPLETE WITH 10 GILLETTE BLUE BLADES IN DISPENSER!

HERE'S the greatest bargain in shaving history! It's the new Gillette Rocket Razor and the amazing Gillette Blade Dispenser, now packed in a permanent Styrene travel case.

This razor changes blades instantly, shaves like a dream. For tops in shaving ease and convenience, buy a Gillette Rocket Razor Set—only \$1.29.

BIG \$2.00 VALUE For Only \$1.29
