In these Examinations, as in the open competition, the merit of the candidates examined will be estimated by marks, and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it at any one Examination. The Examination will be conducted by means of printed questions and written answers, and by *viva voce* Examinations as may be deemed necessary. The marks obtained at each of such periodical Examinations will be added to those previously or subsequently obtained. The last of these Examinations will be held at the close of the second year of probation, and will be called the "Final Examination." By the merit then shown it will be decided whether a selected candidate is qualified for the Civil Service of India.

10. No candidate will be permitted to proceed to India until he shall have passed the Final Examination, and received a certificate of qualification from the Civil Service Commissioners, or after he shall have attained the age of twenty-four years.

11. The selected candidates who at the Final Examination shall be found to have a competent knowledge of the subjects specified in Regulation 9, shall be adjudged to have passed, and to be entitled to be appointed to the Civil Service of India.

12. The seniority of the Civil Service of India of the selected candidates shall be determined according to the order in which they stand on the list resulting from the Final Examination.

13. No person will, even after passing the Final Examination, be allowed to proceed to India unless he shall comply with the regulations in force, at the time, for the Civil Service of India, and shall be of sound body, health and good moral character.—The Civil Service Commissioners will require such further evidence on these points as they may deem necessary before granting their Certificate of Qualification.

14. Applications from persons desirous to be admitted as candidates are to be addressed to the Secretary to the Civil Service Commissioners, Dean's Yard, London, S. W.

15th April, 1867.

NOTE—(1.) The Secretary of State for India in Council has authorized the Civil Service Commissioners to state that it is his intention to allow the sum of £100 for the first year of probation, and £200 for the second year to each selected candidate who shall have passed the required Examinations to the satisfaction of the Commissioners, and shall have complied with such rules as may be laid down for the guidance of selected candidates.

(2.) All selected candidates will be required, after having passed the second periodical Examination, to attend at the India Office for the purpose of entering into an agreement binding themselves, amongst other things, to refund in certain cases the amount of their allowance in the event of their failing to proceed to India. If a candidate is under age a surety is required.

(3.) After passing the Final Examination, each candidate will be required to attend again at the India Office, with the view of entering into covenants and giving a bond for £1,000, jointly with two sureties, for the due fulfilment of the same. The stamps payable by civilians on these documents amount to £3 10s.

(4.) Candidates rejected at the Final Examination of 1870 will in no case be allowed to present themselves for re-examination.

Treasurer's Office, 5th June, 1867.

WARRANTS from No. 1960 to No. 3008, of the date of the 13th Novr., 1865, (both inclusive) will be paid at the Treasury, on demand, together with the interest due thereon.
JAMES WARBURTON, Treasurer.

[CIRCULAR.]

DOWNING STREET,

25th April, 1867.

Sir,

With reference to the Circular Despatch from this Department, dated the 5th June, 1866, relative to the case of Foreigners naturalized in any of Her Majesty's Colonies who wish to obtain British Passports for foreign travel, I have the honor to inform you that different cases have occurred lately in which such naturalized Foreigners have applied in this Country for Passports without being in possession either of a Passport from the Governor or of any Official Document from the Colony to establish their identity and character. You will readily perceive that this is calculated to embarrass this Department, and also to cause much private inconvenience to the persons concerned if they should find themselves unable to produce any sufficient evidence of their quality.

I have therefore to suggest that, in every Colony containing naturalized Foreigners who are likely to travel in Europe, it would be convenient that notice should from time to time be given in public Newspapers of the necessity for such persons providing themselves before leaving the Colony with some official evidence of their identity and description.

I have the honor to be, Sir,
Your most obedient
Humble Servant,

(Signed) BUCKINGHAM AND CHANDOS.
