You Can Pin Your Faith

To any representation we make. The Watches we sell are the best money can buy. And the plain truth is strong enough to sell them. In these days of sham and misrepresentation, take time to think before buying a watch. We have some exceptionally good movements in plain neckle and silver cases. They make good, sensible, every day watches. If a single one proves less true-worthily than we promise we'll take it back willingly.

BRACKLEY POINT ROAD—It is complained that parts of the Brackley Point Road are not in the best condition for travelling. It is hoped that the necessary attention will be paid to this much used thoroughfare, and the desired improvement effected at once.

QUITE A TRICK—A Portland, Me. paper says: The Eva Martin brought from Nova Scotia forty-four crates of lobsters on deck. This is a trick that has never before been tried by a sailing smack. The crates have to be thrown overboard every two or three hours in order to give the lobsters new water. They are made fast to the vessel by string lines and are towed that way for some time. It is very hard work, especially so in rough weather.

THE POTATO CROP—The potato dealers of Shediac have already begun gathering barrels for their fall trade. There was on the string at Paines yesterday a car containing over 430 barrels for a Shediac dealer. It is understood that the farmers of Shediac, Cape Bald and vicinity planted a large acreage this spring. So far the bug is not reported very destructive.—Sackville Post.

AN OLD AND WELL TRIED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child softens the gums, allays all pain, cures wind, colic, and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

ISLAND PRIZE WINNER—The People's Journal of Dundee, Scotland, says: Mr. John A. McLaren, Prince Edward Island, late of Dunee, contributes to the summer number of the People's Journal a capital prize paper, entitled "Crossing the Cape, telling of an exciting adventure in the frozen North." Mr McLaren is the junior partner of Messrs. James Paton & Co., and we heartily congratulate him on winning the first prize for a story written by a Scotchman. This was competed for by the United States and Canada, and Mr McLaren was one of the three first prize winners—the other two residing in Cairo, and Jamaica, West Indies, respectively. Those who have not read so often the literary merit displayed in certain ads appearing in THE EXAMINER will not be surprised at Mr. McLaren's success.

TOURISTS—Prince Edward Island Illustrated is a beautifully illustrated book on P. E. Island. For sale at the bookstores or at this office—50c

AN UNPOPULAR ISLANDER—The Boston correspondent of the Halifax Herald says: There is at least one Canadian councillor in Boston who is not a favorite with his fellow countrymen. This is Councilman McIsaac, of South Boston, a former Prince Edward Islander. Ever since his election, two years ago, he has been trying to have an ordinance passed whereby none but citizens could be employed in the institutions of the city. About two weeks ago the nurses and orderlies at the Boston city hospital, who were not citizens, were quietly asked to declare their intentions or leave the service. Hereafter no Canadian will be admitted into the service of that institution unless he is a citizen. Fully 80 per cent of the nurses and orderlies there now are Canadians.
