## GRAIN

WINNIPEG, Nov. 6 — (CP) — Most prices firmed up near the close today on the Winnipeg Grain Exchange in response to a better one at Chicago.

Earlier in the trade, prices generally were lower and irregular as commercial demand appeared light and offerings more liberal.

December barley was the weak spot as offerings were plentiful. Both oats and barley received support from shippers, while some export demand was indicated in barley.

Export loadings of Canadian wheat totalled more than 2,000,000 bushels, with the United Kingdom taking 1,100,000 bushels, Republic of Ireland 300,000, Japan 170000, Italy 315,000, and Switzerland 175,000.

Prices for class two wheat were up 1⅛ cents from yesterday while I.W.A. prices were up one-eighth.

Closing prices:

Is LONGFELLOW
AXYDLBAAXR

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
