SKIN'S BURNING SKIN. Skin Peeling Off, Skin Literally Afire, Cooled and Soothed by Chasse's. The great feature of Chasse's Ointment—Almost instantly it touches itching, burning, eczematous skin, relieving the patient. It is a boon to mothers and children who suffer. There is nothing uncertain about it or this way of speaking about it.

"My six-year-old daughter, Bella, was afflicted with eczema for 24 months. She cried almost every day. I saw advertised in the paper a medicine called Chasse's Ointment, and I bought a box of it. I used it for one week, and the first application showed the curative effect of the ointment. We have used very little of the box, but the change is very marked. The eruption has all disappeared, and I can confidently say my child is cured. (Signed) M. A. W. WELLS, JOHNSTON, 112 Ave Street, Toronto.

A face that was a scab from forehead to chin cured in 10 days. On behalf of the Fred Victor Mission Bible Class, I wish to express our gratitude to you for the gift of Chasse's Ointment, which you supplied in aid of our charitable work to the infant child of Mrs. Brewster, 411 River street. Ten days ago the child was awfully afflicted with a scab on the face, which was very itchy and sore. It was so bad that she could not sleep, and in that brief time a complete cure has been effected. Truly, your gift was worth more than its weight in gold. EDWARD YEIGH, 304 Sherbourne Street, Toronto.

"IT WELL DESERVES ITS FAME."

So Says Mr. Clair H. Sisson, of Carnarvon, Ont. who was cured by Paine's Celery Compound.

THE MEDICINE THAT ALWAYS MAKES SICK PEOPLE WELL.

In literature, art, music, law and statesmanship, the world has seen but few giants of towering intellect. The same may be said about the profession of medicine, that noble science that aims at assuaging pain, banishing disease and saving precious human life.

Amongst the few noble medical men that have left grand records and imperishable names and memories, Professor Edward E. Phelps, M. D., LL. D., will always stand high, and rank with the mightiest benefactors that man has ever seen or heard of.

Prof. Phelps' grand discovery, Paine's Celery Compound, has done more for the sick and afflicted than any other medicine that human skill and science ever devised. Countless thousands of men and women on this North American continent owe their lives and present good health to that wonderful curing medicine that Prof. Phelps gave to suffering humanity.

To-day thousands are lifting themselves from the pains and miseries of nervous diseases, rheumatism, dyspepsia, indigestion, liver and kidney troubles, headaches, sleeplessness, and impure and poisoned blood, by the curing and recreating virtues and power of Paine's Celery Compound.

Mr. Clair H. Sisson, of Carnarvon, Ont., who was so satisfactorily cured by Paine's Celery Compound, after failure with all ordinary means, desires to contribute his quota of praise to a medicine which, he declares, well deserves its fame. Mr. Sisson says:—

"Some time ago I had a severe attack of Gripe, and I did not recover from the effects of the disease. Later on the disease attacked me with double force, so that I was unable to work. Previous to this I was doctoring for catarrh and heart trouble, but received no benefit from the treatment I got.

"One day, in my mail, I received a book, 'The Dominion Album,' which was devoted to the interests of Paine's Celery Compound. After reading many testimonials I concluded it was the medicine for me, and I sent and purchased three bottles. After using one bottle I was much relieved, and when I had finished the other two I was more like my former self. Now I have no symptoms of catarrh or heart trouble.

"Your Paine's Celery Compound well deserves the fame that the many testimonials have given it. Yours is the most wonderful and best medicine of the age, and almost as palatable as milk. I shall consider it my duty to speak of its merits wherever I go."

AN ILLINOIS SENSATION.

A Lady of Union County recovers her Health in a Marvellous Manner.

ASHA, Illinois, June 17.—A very interesting case of recovery from a complicated form of kidney trouble has taken place here, and the details are gradually being made public. The sufferer was Miss M. Loomis, who for a long time has been a victim to severe pains in all parts of the body. She consulted a number of doctors and was treated for a great variety of complaints, the diagnosis all proving faulty. At length she determined to try Dodd's Kidney Pills, having read and heard much of their efficacy and found her expectations justified in a complete cure.

Science Triumphant at Last. Miller's Emulsion of Cod Liver Oil is the outcome of the latest scientific researches. There was always a prejudice against taking Cod Liver Oil on account of its disagreeable taste, but Miller's Emulsion is agreeable to the palate, and that is one reason why it has become so popular with the medical fraternity, the hospitals of the country and the households wherever consumption or lung troubles prevail. Miller's Emulsion is the greatest strengthener and blood maker, and cures Coughs, Colds, Bronchitis, Scrofula and all Lung affections. In Big Bottle, 50c. and \$1, at all Drug Stores.

Many a Young Man. When from over-work, possibly assisted by an inherited weakness, the health fails and medical treatment must be resorted to, then no medicine can be employed with the same beneficial results as Scott's Emulsion.
