Police Had Busy Times But Little Centennial Crime

All through Centennial Year's traffic and crowds were well looked after and good order prevailed, reported Chief C.W. MacArthur to the annual meeting of the City Council. We had some 500 accidents during this period, but the majority of them were of a minor nature. Only one fatality occurred as the result of an automobile and this was not due to speed or carelessness on the part of the driver.

The Force at present comprises 16 uniformed men and one plain clothes man, as follows: 1 Chief, 1 Deputy Chief, 1 Staff Sergeant 4 Sergeants and 10 Constables. Also attached is one clerk - Ernest McTague, one painter and sign-placer-Michael Langley and one meter repair man - Hawley Crockett.

Deputy Chief Webster and Detective Sergeant Lund are assigned to our investigation departments and are employed, chiefly, in the investigation of the more serious offences that take place from time to time. They also fill in on shift duty when we are short through illness or absence on leave. We have found it necessary to use a hired vehicle, part time, to enable them maximum effifiency and mobility in their work. We have found that this has paid good dividends.

The traffic division is in charge of Staff Sergeant Dowling who has Constable Bishop, Constable Russell Downe, Michael Langley and Hawley Crockett with him. Cst. Bishop is mainly engaged on actual supervision of meters and infractions of the By-laws relating to them, but also works on any duty that comes to hand in relation to traffic. He is industrious, efficient and fair and is doing a splendid job. Cst. Russell Downe is on motor cycle duty during the summer months and has looked after the traffic movements with good results. In the winter months he goes on regular shift.

Michael Langley is a busy man looking after all street painting, the erection of new and damaged signs and the marking and painting of these signs. His department has had a busy summer. A number of "Yield the right of way" signs have been placed where stop signs were originally and we feel that they are a great improvemnt.

Hawley Crockett is employed in the care and maintenance of all meters in the City.

The ever increasing motor vehicle traffic, both local and tourist, together with parades, weddings, funerals and parking problems keep Staff Sergeant Dowling and his men on duty almost 18 hours of each 24.

All other members of the Force; that is the ones not on special duty are divided into shifts made up of one sergeant and three men, working eight hours a day.

Mr. Ernest McTague is a very busy man and an important part of our own system. He works through the day hours. Sells dog licences, bicycle licences, collects all money for traffic violations, issues burial permits and keeps records of all accidents. All complaints are recorded under his supervision. He does an excellent job.

In February Constables Millier and Howatt were detailed to attend the Maritime Police Training School- at Halifax, for two weeks.

NEW PATROL

In the summer we were given a new police patrol which has given good service. It has now approximately 28,000 miles of service. it is in good repair as well as a new Harley Davidson motor cycle allotted to us later in the summer. This patrol is equipped with two way radio service and this is of such service we cannot visualize how it could ever be dispensed with.

POLICE CONVENTION

In September, in our City of Charlottetown, we held the Annual Convention of the Canadian Association of Chiefs of Police. We had a large attendance, coming as they did from all parts of Canada Police Chiefs and their wives. This was the first time this body held a convention in our Province and we feel that it was highly successful. From an advertising and tourist angle it should have far reaching effects. Any success we may have achieved in this regard can be attributed to the whole hearted cooperation of our Council, our Police Force and our citizens who contributed generously to the funds necessary to launch this important conference.

VACANT PREMISES

Possibly one of the most important duties of the Force in this age appears to be the regular inspection of premises of citizens who are temporarily away from home and are anxious about their property, unoccupied as it is. There are many requests for inspection of such premises and to do this alone requires the expenditure of many miles and manpower hours.

All pilice property or more correctly city property in the hands of the police is in good condition, including equipment and lockup cells. These have all been cleaned and renovated for this Centennial Year and we propose to keep them in this condition, feeling that the best work is produced under the best living conditions. Poor and unsanitary surroundings reflect to a disadvantage on those who live or work under such conditions.

FEW DELINQUENTS

Juvenile Delinquency is not at all serious in the City. A very few cases have come to Court and in one or two instances the reform school was necessary.

Arrests for the year amounted to 964, an increase of 24 over the previous year. Cases entered and disposed of in the City Magistrates Court amounted to 1104. This includes arrests and shows an increase over the year 1954 of 24. Four of these were sent to the Supreme Court, 8 handed over to other Police Forces or escorts. 12 sent to Falconwood Infirmary and 29 dismissed or withdrawn. 1054 were convicted.

There has not been a great amount of serious crime. We had one capital offence committed and the offender is now lodged in the Infirmiary for the insane. A few cases of breaking and entering the most of them being successfully concluded.

All members of the Force have given good service, have enjoyed good health and have all received three weeks leave of absence.

Protestant Orphanage Contributions

SPECIALS

$25.00, Memorial L. O. B. A.
$10.00, New Wiltshire, L. O. L.
$5.00: Mildred MacGuigan, Charlottetown

Correction Crapaud List:

Dr. P. M. MacDonald listed as $2.00, should have been $5.00.

TOTAL $7.00

LOVE

Devotion that is with design and measure,
Has for the measure moments to divine.
Strong sense has reason, reason has its pleasure,
And sense in proper truth dispels the twine.
But sense divining, measured moments rendered,
Does with discretion daunt the spirit's lay;
Big in her boundless truth, the night dismembered,
Gives rank discourse upon the gilded day.
Now, love in measure is in truth devotion,
Yet, whence devotion to divine in love?-
That for device has neither sense nor notion,
Has neither sense nor notion to reprove.
This then be false, love does for truth deceive it;
What has no reason neither will receive it.

—Danny McCarron,
Montague, P.E. I.

Christmas At The Protestant Orphanage

Christmas at the P. E. I. Protestant Orphanage was a very happy time for the many children residing there. Numerous treats and gifts from generous friends of the little ones, and a wide variety of entertainment, left nothing to be desired in the observance of this season of joy and goodwill. The home was tastefully decorated for the occasion.

In mid-December a delicious supper was provided by the Odd Fellows. Later in the evening each child received a gift suitable according to his or her age. A Cadet Band sponsored by the Summerside Branch of the Canadian Legion visited the Orphanage on Sunday, December 18th. Following a particularly enjoyable concert, candy and gifts were distributed.

The children were guests of Trinity United Church Girl Guides on December 19th, receiving on this occasion, treats and individual gifts. The Gamma-Phi-Hi-Y Club, a group of young boys from the Charlottetown Y.M.C.A. showed films at the Orphanage on the 20th, afterwhich treats were distributed. On the 22nd, representatives from the R.C.A.F. Station at Summerside, presented the children with treats and a Television set on behalf of the personnel stationed there.

The Annual Christmas concert was presented by the children on the evening of December 22nd. It was soon apparent from the excellence of the entertainment that much time and effort had produced gratifying results. The concert was well attended, despite extremely hazarous travelling conditions. At the conclusion of the program, the children enjoyed ice cream, provided by the Prince Edward Preceptory No. 35. Santa arrived with treats for all on December 23rd. His visit was kindly arranged by R. T. Holman, Ltd.

Christmas day, so eagerly awaited by all children arrived promptly on December 25th. A turkey dinner was on the menu complete with "fixings". Santa made his appearance again, this time accompanied by the Royal Arch Masons. Each child received a splendid gift along with fruit and candy. The school teacher, Miss MacInnis, also had a gift for each one.

The trustees gratefully acknowledge the contributions listed below:

$100.00, W. E. Bentley (In memory of his wife Mable Bentley)
$50.00 each: Crystal Chapter No. 1, Order Eastern Star., Prince Edward Preceptory No. 35, Mrs. A. M. Warn, Seattle, Wash. (Formerly Sadie Bell, Milton) Estate George J. Rogers.
$40.00, Estate Julia Parsons.
$39.87, O'Connor Picnic Fund.
$30.00, United Packing House Workers.
$25.00 each: Andy's Sea Foods, Summerside., Canadian Legion, No. 1 Branch, Charlottetown.
$10.00 each: Mr. and Mrs. Warren Duchemin, Charlottetown. Mrs. H. S. Henderson, Charlottetown, Lodge 218, Maintenance of Way Employees, Charlottetown. Mrs. D. A. MacFadgen, Lake Wales, Florida, (In memory of her father. Dougal MacKinnon.)
$5.00 each: Dr. W. J. P. MacMillan, Charlottetown, Mrs. A. V. Saunders, Charlottetown, Seventh Day adventists Welfare, Charlottetown. Whitlock Tire Service, Charlottetown, Springbrook, W. I., Kingston, W.I., Elmira, W. I., Borden W. I.

YORK

Mr. and Mrs. Leonard Newson and family, Jork, were recent visitors of Mrs Newson's mother, Mrs. Pope Newson, New Haven.

Mr. Eric Sproule of the R.C.A.F. is spending a holiday at York Manse, the guest of his parents, Rev. and Mrs. J. Sproule.

Miss Doris Brown, Charlottetown, paid a short visit to York recently.

The card game winners were, Mrs. Eddison Hardy and Arthur Brown.

Mrs. Gorden Carr and son Eric, Charlottetown, were the guests of Mr. and Mrs. Peter Proud on Tuesday, also Mrs. Albert Proud.

Mr. and Mrs. Ress Newson, York, were visitors to Vernon River, on Sunday.

Mr. and Mrs. Victor Ling and son, Lowel and neice Pearl Bowness, were the guests of Mr. Earl Ling and family, York.

The many friends are sorry to hear of the illness of Mrs. Robert Chapple.

Master Donnie Sproule returned to his home, after spending a few days at the home of Mr. and Mrs. Willard Prowse, Brackley.

Mr. and Mrs. Albner Vessey, York, spent Tuesday in Charlottetwon.

Mr. and Mrs. Arthur Wyatt, Pleasant Grove, are the guests of Mr. and Mrs. Richard Vessey, York.

Mrs. Frank Vessey, York, spent Tuesday at Covehead, the guest of her mother, Mrs. Frank Bovyer, Covehead.

Mrs. Sproule has returned to her home, York Manse, after being a patient in the P. E. Island Hospital.

Miss Gloria Hardy is visiting at the home of her grandparents, Mr. and Mrs. Harry Slackford, Charlottetown. B.O.

City School Board Reports Work Progressing Favorably

Work in the schools is, we believe, progressing favourably on the whole, but due to the overcrowding in Queen Square School, it has been found necessary to stagger eight classes. This not only makes it difficult for the pupils but for the teachers and parents as well.

The Queen Charlotte High School has been completed, and is giving general satisfaction. The school library with Mrs. Ruth MacKenzie as Librarian, has proven to be a popular place, shelves are being gradually filled. The auditorium is popular and well suited to entertainments by various organizations, for which use a fee is charged. The grounds in front are being maintained in a good condition and shrubs have been planted. The football field at the rear is in good condition and has been used on frequent occasions. A brass ban has been organized under the direction of Mr. Ivo Cudmore.

MUSIC

Regular instruction in music was given in four of the schools, but it is regretted that at Queen Square School classes were irregular, due to the lack of a qualified teacher.

Manual training was carried out in Queen Charlotte High School under the direction of Mr. LeBaron E. Tait who instructed 227 boys in mechanical drawing and woodworking. Similar instruction was given at Queen Square School by Mr. John Danton to 373 boys.

The Kindergartens of Prince Street and West Kent Schools have a full quota of pupils, we believe they are happy adjuncts to these schools. The former is under the direction of Mrs. Dorothy Malone and the latter under Miss Anna Matheson.

During the year members of the staff of the Provincial Health Department have given the usual attention to the health of the pupils, including dental work.

89 MORE PUPILS

The number of pupils enrolled as of December 1955, was as follows; Queen Charlotte High School, boys 224 girls 199; Prince Street School boys 222, girls 185; West Kent School boys 172, girls 163; Queen Square School boys 834; Rochford Square School girls 636, for a total of 2635 students. In addition the Kindergartens have an enrollment of, Prince Street 40; West Kent 39 bringing the overall total to 2714. This represents an increase of 89 pupils over the same date the previous year.

The number of teachers employed in city schools is 97 regular teachers and five specialist teachers.

The financial statement showed that the total income of the Board for the year was $237,478.08 with expenditures amounting to $229,513.23, leaving a surplus of $7,965.85 over expenditure. The amounts paid in supplements to teachers' salaries was $109,689.00, less deductions for the City Teachers Pension System $1,919.04 and deducti for the Blue Cross $1,885.68 making a net supplement of $105,884.28.

After teaching in Island schools for fifty-four years, twenty-nine of which were spent at Rochford Square School, as both teacher and Principal, Sister Christina Nelligan died on August 19, 1955. Her faithful work for and interest in the welfare of those committed to her care will be long remembered. She was succeeded as Principal by Sister Helen MacDonald. Miss Jaqueline MacDonald, who has faithfully served on the staffs oboth West Kent and Prince Street Schools, resigned in June, and was placed on pension.

BOARD MEMBERS

The following members were appointed to the Board (expiry date in brackets): by the Government-Dr. R. G. Lea, M.D., C.M., chairman, (1957); Major Earle G. Baker (1956); Mrs. Walter Lawlor (1958) and Wing Cmdr. Alan G. MacMillan, B.A., M.B.A. (1959) by the City—Dr. W. R. Carson, D.C. (1956); H. F. MacPhee, B.A., Q.C., (1957); Dr. V. J. P. MacMillan, O.B.E., M.D., C.M., F.A.C.S. (1958) Mrs. George Whiteside (1959) and Col K. M. Johnston, E.D. (1960).

Quarrel Over Maple Sugars

MONTPELIER, Vt. (AP)—Governor Joseph B. Johnson of Vermont Tuesday accepted the challenge of Governor Averell Harriman of New York to a "free and fair" test of rival maple sugars.

Meanwhile, Governor Lane Dwinnell of New Hampshire hovered on the sidelines, issuing statements and just itching to get into the fray.

The controversy started when the New York legislature came up maple the official Nw York state tree.

Johnson promptly accused the with a bill to designate the sugar neighboring state of trying to pilfer Vermont's official tree, the maple — "stepping on hallowed ground," he put it.

That led to the Harriman challenge and the Johnson acceptance. The tentative arena: The New York maple sugar festival at Cooperstown April 6.

To Open Museum

OTTAWA, (CP)—Plans are being made for an impressive ceremony to open the Alexander Graham Bell Museum in Baddeck, N. S., a resources department official said Tuesday night.

The ceremony is scheduled for Aug. 11.

Works and resources department officials met here with Nova Scotia government officials over the weekend to discuss plans for the museum's opening and for the organizing of its displays.

The building for the new museum, dedicated to the Canadian inventor and humanitarian, now is completed. Heirs of the inventor have donated the objects for display but the displays are not yet set up in the building.

The official said it has not yet been decided who will officiate at the opening.

CTC CANADIAN TIRE CORP'N

From One Cook to Another

by Mary Blake Carnation Home Service Director

EGGS CAN BE EXCITING!

BECAUSE WE CONSIDER eggs as a staple food, we sometimes forget what *interesting* things can be done with them. *French* women know all about that — they're famous for taking a few eggs . . . adding a touch of this or wisp of that . . . and coming up with something really glamorous!

I have a grand collection of egg recipes myself. Some are quite simple — some are more elaborate. But all are specially delicious, because I use Carnation Evaporated Milk in their making. Carnation's special blending qualities accomplish marvels in giving golden smoothness and rich flavor to recipes using eggs. Prove it for yourself. Try Carnation in a favorite egg recipe — or in

EGGS PARISIENNE (Makes 6 servings)

2 tablespoons butter
½ to 1 cup grated cheese
6 eggs
1 cup undiluted CARNATION EVAPORATED MILK
Salt
Minced onion, powdered marjoram, paprika or cayenne

Spread bottom of an attractive baking dish with the butter. Sprinkle with a layer of cheese and break eggs over cheese; be careful not to break yolks. Pour a little undiluted Carnation over the eggs, then add remaining cheese. Sprinkle with choice of seasonings and pour in remaining Carnation. Bake in slow oven (300° F.) until eggs are set but not hard. Serve from the baking dish.

"HAM 'N EGGS" are an all-time favorite. And there's a delicious luncheon or supper dish I make, that plays an interesting variation on the familiar theme. This easy "Ham-and-Egg Pie" occasionally appears on our dinner table, too—and I usually make it when I have a bit of pie crust left over. Wait till you taste the smoothness and rich flavor of the sauce! Never a lump when you make sauce with double-rich Carnation—the milk with special blending qualities not found in any other milk.

A TOUCH OF IMAGINATION — and Carnation Evaporated Milk — can make a brand-new treat of Scrambled Eggs. Next time you scramble eggs, try them this way:

CARNATION SCRAMBLED EGGS (Makes 4 servings)

Cook 2 tablespoons chopped green pepper and ½ tablespoon chopped onion in 2 tablespoons butter in frying pan. Beat 5 eggs with ½ cup undiluted Carnation Evaporated Milk until combined; add salt and pepper to taste. Pour into frying pan . . . lower heat . . . and cook without stirring until set on bottom. Carefully draw egg mixture from bottom and sides of pan, allowing liquid to run under. Continue until all is lightly set.

HAM-AND-EGG PIE (Makes 6 servings)

4 slices cooked ham, diced
6 hard-cooked eggs, sliced
2 cups Carnation Cream Sauce *
Pie paste

Line sides of a casserole dish with rolled-out pie paste. Combine ham, eggs and cream sauce, and turn into casserole. Cover with pie-paste, which has been slit for escape of steam. Bake in a hot oven (425° F.) about 25 minutes, until crust is nicely browned.

FREE: Mary Blake's new booklet, "One Dish Meals", 8 pages, full color. For your copy write to Mary Blake, Carnation Company Limited, Dept. NO, Toronto or St. John's, Nfld.

*CARNATION CREAM SAUCE—Blend 2 tablespoons flour, 1 teaspoon salt and 2 tablespoons butter in saucepan over low heat. Gradually stir in 1 large can undiluted Carnation Evaporated Milk. Stir and cook until thickened and smooth.

QUICK QUIZ ON COFFEE: Why are egg shells used to clarify boiled coffee? Because heating coagulates the white that clings to the shell—trapping all the tiny particles that might make coffee "muddy". Why do coffee lovers the world over prefer Carnation Evaporated Milk to cream in coffee? Because Carnation's double-rich and special-blending qualities "cream" every drop to rich-tasting perfection — bring out a smoother, more satisfying flavor. Try Carnation in coffee — costs only about half as much as light cream.
