STEAMERS FOR HILLSBOROUGH AND ELLIOT RIVERS.

Colonial Secretary's Office,
May 24th, 1864.

NOTICE is hereby given that in pursuance of the Act of the General Assembly of this Island passed in the 27th year of Her present Majesty's Reign, intituled "An Act relating to Steam Communication between Charlottetown and certain parts of the Hillsborough and Elliot Rivers, and to repeal a certain Act therein mentioned"—Proposals will be received at this office until MONDAY the TWENTIETH day of JUNE next, at the hour of 12 o'clock, noon, from persons willing to place and run a STEAMER or STEAMERS on the said Rivers, under contract with the Government of this Colony in terms of the said Act. The contractor to have the exclusive right of running one or more good and sufficient Steamboat or Steamboats for the use and accommodation of the public between CHARLOTTETOWN and MOUNT STEWART BRIDGE on the Hillsborough River, touching at the respective Wharfs on the north and south side of the said River, at McConnell's Ferry, on the way up and down said River; and between CHARLOTTETOWN and ROCKY POINT WHARF on the south side of the Elliot River, the said Steamboat or Boats to be bound to run at least twice, that is to say, on Tuesday and Friday in each week, between Charlottetown and Mount Stewart Bridge on the said Hillsborough River, touching at each of the Wharfs above mentioned, on the way up and down said River; and twice on each of those days weekly between Charlottetown and Rocky Point Wharf, on the Elliot River, from the opening of the Navigation to the close thereof in each and every year (commencing from the opening of the Navigation in the year 1865) during the continuance of such contract. The sailing of the Steamboat on said routes to be regulated thus:—

The Boat to start from Mount Stewart Bridge on the mornings of Tuesday and Friday, at such an hour as to enable her to reach Charlottetown at or before 9 o'clock, a.m.; having landed her passengers and freight at Charlottetown, to leave there not later than a quarter past 9 for Rocky Point Wharf. To leave Rocky Point Wharf no later than 10 o'clock, a. m., for Charlottetown.—To leave Charlottetown at 3 o'clock, p. m., for Rocky Point Wharf, thence returning without delay to Charlottetown; to leave Charlottetown at 4 o'clock, p. m., for Mount Stewart Bridge, and arriving there the same evening.

The Contractor to have the privilege of running said Steamboat or Boats on any of the intermediate days, namely, on Monday, Thursday and Saturday in each week, on either of said Rivers; it being understood that should said Boat or Boats run upon the Elliot to a point above McEwen's Wharf on the south side of said River, such Boat or Boats shall touch at that Wharf, and also at McEachern's Wharf on the north side on the way up and down said River.—Proposals to specify the rates of fare or charges at which the owner or owners of said Boat or Boats will agree to convey passengers, luggage, and freight upon each of the said Rivers or routes respectively, from the different points or places to Charlottetown, and *vice versa*. The Contract to be entered into to contain such clauses, stipulations and agreements as may be deemed by the Executive Government necessary or desirable for the security of the passengers and property to be conveyed in and on board of such Steamboat or Steamboats, or which may, in any way or manner, tend to the convenience or accommodation of the public. The Contractor to be bound to convey mails by such Steamboat or Boats if required by the Executive Government, or the Post Office Department so to do.

Proposals to state the length of time proposed to run the Boats, the Act being limited to ten years. The Contractors to give Bonds with two sufficient sureties for the due performance of such contract as may be entered into.

A FIRST RATE OPENING FOR SPRING.

To Farmers, Merchants, Shipbuilders, Tanners, and Mechanics

THE UNDERSIGNED has been instructed by the owners to offer FOR SALE, or RENT, several VALUABLE FREEHOLD and LEASEHOLD PROPERTIES and FARMS in BELFAST and other parts of the Island, in good heart and ready for cropping this Spring, for which good valid titles and immediate possession can be given.

ALSO — Several BUILDING LOTS in that most advantageous mercantile situation, "SUMMER HILL," adjoining Montague Bridge, 10 miles from Georgetown, where close on to 150,000 bushels of produce are annually shipped, nearly all paid for in cash. Americans and other speculators purchase here, and ship for Great Britain, the United States, &c. &c. &c.

A number of Stores, Wharfs, a Meeting House, Post Office, and a Temperance Society established for sometime, with many Grist and Saw Mills, and Cloth Works in the vicinity; where also any quantity of all kinds of Lumber can be had, in trade, at low rates. "SUMMER HILL" property is the only Freehold one for sale in the place, which renders it most desirable for the above class of Artisans, now so much wanted in this little village in its infancy.

A STORE, and Dwelling in it, capable of holding 15,000 bushels of produce, with a double Wharf and site for Lime Kiln, will be sold cheap or let, the 1st May next.

Buildings will be erected, if desired, and at moderate rent to good tradesmen, members of any Temperance Society, who will meet with every encouragement, and trade taken in payment.

A Temperance Hall and Farmer's Club will shortly be erected at Summer Hill. Close on to £70, in cash and material, has already been raised for this purpose, with a free site for any extent the building may require.

The inducements held out to temperance men to settle down in this locality ought to cause the Lots for sale there to be purchased at an early day. Such a good chance, on such easy terms, seldom occurs. And, indeed, some of these Lots are already looked for.

A Temperance Hotel or Boarding House is now much wanted in this locality.

☞ Plans, particulars, and any other information can be obtained by calling at the office of Messrs. BALL & SON, Surveyors and Land Commissioners, Charlottetown; W. SANDERSON, F. P. NORTON, THOS. ANNEAR, Georgetown; JAS. BROYDRICK, Campbeltown; F. W. HUGHES, *Examiner Office*, Ch'town; and to the owner of "Summer Hill" property.

Goods generally kept in Stock.

Newly Invented Patent PLOUGHS, for 1 and 2 horses,
Do do do Threshing Machines, for 1 Horse, warranted the best on the Island, and can perform as much work as some of the two Horse power by other makers; thus effecting a vast amount of labour both of man and horse, and avoiding the great injury and loss of Straw under the inclement weather until it is left useless for fodder for cattle.

New Patent Root and Straw Cutters, for saving Hay and Oats
" " Churns, to make excellent Butter in 10 minutes.
" " Cultivator and Stump Extractor, to raise 10 ton by two men.
" " Potatoe Diggers,—just wanted,—with several other improved Farming Implements.

The above Machines will now be sold at low prices, in order to prove the advantages of them over the old fashioned ones, by which such expeditious and excellent work is now performed. A vast benefit to the land has been effected by the use of those newly invented CYLINDAR MOULDBOARD PLOUGHS, of SMITH & FIELD, Greenfield, Mass., who have obtained several Gold Prizes for the discovery they have made in reducing cost, labor, and the draft on horses, to nearly one-half that of the old Scotch and Irish Ploughs.

Parties wanting any of the above valuable and low priced Machines this season will require to order them on an early day, having now only a few left on hand for specimens, at ORWELL CHEAP STORE, cheaper than the cheapest, from A NEEDLE TO AN ANCHOR.

Hunnewell's Great Remedies.

Hunnewell's Eclectic Pills.—THE TRUE FORM OF A CATHARTIC.—By the application of true Medical Laws, both character and economy are combined in this most valuable Pill. To prevent putting into the stomach such quantities of indigestible and injurious drugs usually contained in Pills that require from four to six to get a decent cathartic, and to prevent the *Griping Pains* so erroneously judged to be evidence of character, was the study in this development. The dose seldom exceeding *one* and never more than *two* Pills, settles the question of economy, and confidence is asked to test their true character in *Dyspepsia, Costiveness, Biliousness, Liver Complaints, Piles*, all derangements of the *Stomach* and Bowels, and as a true Family Pill. For *Worms* they are a sure cure.

Hunnewell's Universal Cough Remedy.—The basis of this truly wonderful preparation, now of such well-earned celebrity, is a freedom from every component calculated to debilitate, and by such to allow the greatest freedom of use, day or night, as the only true theory by which *Throat* and *Lung Complaints* can be effectually cured.

To prevent asking attention to long stories of great cures, when local causes make almost all such complaints different in effect, I would ask confidence which will be sacred, in *Colds, Coughs, Hoarseness, Sore Throat, Bronchial* and *Asthmatic Complaints, Whooping Cough*, and to all *Throat* and *Lung Complaints*, which, when neglected, end in *Consumption*. Testimonials from Physicians of the highest respectability, and from invalids, can be seen at my office by all interested.

Hunnewell's Tolu Anodyne.—This justly celebrated preparation, which has so truly earned the name and fame of a *True Anodyne* by results which had baffled every other attempt at cure or relief in *Neuralgia, Gout, Nervous Headache, Tooth* and Ear Ache, Cholera Morbus, Pains in the Stomach or Bowels, Hysteria, Distress after Eating, Loss of Sleep, General Nervous Debility, Paroxysms in Asthma and Whooping Cough, now declared to be largely nervous, and the pains in Monthly Menstruation, also declared to be one of the most important points in medicine. A lady writes from New York, "were it ten dollars a drop, I would not be without it in my family, and not one should be without it."

RARE OPPORTUNITY!
Valuable Real Estate.

THE subscriber is authorized by the Misses STEWART to offer FOR SALE those most VALUABLE BUILDING LOTS, situate on the West side of Queen Square directly opposite the City Hall, having a frontage on Queen Street of about 119 feet, and on Grafton Street of about 85 feet, together with the DWELLING HOUSE and premises thereon, now occupied by Mrs Cairns as an Hotel. This property is so well known that further description is unnecessary; suffice it to say, that those Lots far exceed in value any building Lots to be had in this City, situate as they are in the very centre of trade, within a few steps of all the public buildings, the Post Office, City and Legislative Halls, and commanding a view of the Harbour, Rivers and surrounding country, which for beauty and extent is unsurpassed; and as a situation for an Hotel, which the intended speedy completion of the Railroad from Picton to Truro will render an enterprize not more of necessity than of sure and great remuneration, is not to be equalled in the Island. This property will be sold in one entire Lot, or will be divided to suit purchasers. Terms easy.

Freehold Property for Sale.

THE front of the Farm owned by the late JAMES ANDERSON, Esqr., consisting of THIRTY ACRES, (more or less.) and in possession of the undersigned, is now offered for Sale. The property is so well known that scarcely any description is needed. It has a front on St. Peter's Bay of Twenty-five chains, and not more than a quarter of a mile from the entrance of the Harbor, and abundance of sea manure heaps up on its front every season, which can be brought on the farm very conveniently by means of an excellent slip in the bank, through which a horse can bring any load. The road once known as the "Old Ferry Road" leads from the road which runs to the Harbor, and passes by the rear of the above land, leading to the Bay, and thus fitting it for a business place, especially a fishing situation. The whole of the above is in a high state of cultivation, and can be kept so by the abundance of manure thrown up on its front by the sea.

The above Property will be sold by PUBLIC AUCTION, on the Twenty-first day of JULY next, at the hour of One o'clock, by the undersigned, on the premises.

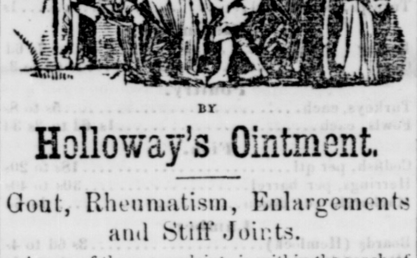
Judson's Worm Tea!

A CURE TO BE HAD FOR A TRIFLE.



BY

Holloway's Ointment.

Gout, Rheumatism, Enlargements and Stiff Joints.

A cure of these complaints is within the reach of the most humble, by fomenting the affected part with warm salt and water, and rubbing in Holloway's Ointment twice a day. Thousands have been cured who looked upon Gout and Rheumatism as incurable. The same treatment should be employed for the dispersion of chalk stones, and all painful enlargements or stiffness of the joints; in such cases the Pills should be taken according to the printed directions.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

The cure of ulcers has won for Holloway's Ointment an imperishable reputation, as this healing Ointment will restore any case, however bad, to soundness. Many bad legs arise from imprudence, happening several years before and almost forgotten. If, then, there be any doubt as to the origin of the sores, the patient should read carefully what is written on secondary symptoms in the Book of Directions, as those sores never heal soundly until the system has undergone a thorough course of Holloway's purifying Pills.

Coughs, Colds, Sore Throats, Diptheria, and Bronchitis.

Any of the above ailments may be quickly cured if the Ointment be well and effectually rubbed into the neck and chest twice a day, leaving the parts constantly covered with a rag spread with the preparation; if this treatment be adopted promptly, in six hours it will effectually stop the most alarming symptoms. It must be evident that an outward application applied to the seat of the disorder must be more effectual than any that can be taken by the mouth. Holloway's Pills should be used according to the directions in order to subdue irritation, inflammation or fever.

DROPSY.

This fearful disease often makes its appearance between the ages of forty and fifty, and might generally be prevented by attending regularly to the proper action of the liver and stomach: these organs, at this time of life, have a great tendency to derangements, when asthma, dropsy, or disease of the heart often sets in. The blood requires frequent elimination which no other medicines can so effectually perform as these purifying Pills, as they purge gently, and act immediately upon the liver and stomach, and thus remove all obstructions which at the turning point of life always occur. This dangerous period should be closely watched; two doses a week of about six Pills will ward of all dangerous diseases. But in all cases of dropsy the Ointment is a wonderful and sovereign remedy, and must be effectually rubbed twice a day into the suffering parts.

Youthful Indiscretion.

How many poor women suffer from the indiscretion of husbands—which result in bad legs, swellings, loss of health, and rheumatism—as they suppose—although it is nothing of the kind—but the effect of a certain disease taking hold of the system—no ordinary medicine can cure them, because the disease has sunk deeply into their constitution. Children often have sores, and bad heads, which do not heal, for the reason that contamination occurred before their birth. Let all who may suffer from such causes have recourse to the purifying and healing properties of these wonderful Ointment and Pills, observing carefully what is said in the book of directions on Secondary symptoms, which, if strictly followed, will effect any cure of the kind, but it will be a *work of a little time*.

Both Ointment and Pills should be used in the following disorders:—

J. S. CARVELL.

Charlottetown, Feb. 10. tf

[EXTRACTS FROM NEWSPAPERS.]

On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567 being upwards of £1000 more than paid by any other office ever yet established in this City.

[From Gore's General Advertiser, Oct. 24, 1861.]

"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement, we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."

[From the Civil Service Gazette, Nov. 2, 1861.]

"Among these important institutions stands eminent for its solidity, as well as for its success, "the Queen Insurance Company," which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained; and it attests at once the excellence of its management, and the public confidence in its constitution."

[From the Liverpool Mercury, Nov. 2, 1861.]

"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met, testifies to their financial ability and the care and prudence which marked the investment of these funds."

The Liverpool and London
FIRE AND LIFE
INSURANCE COMPANY.

THE Agent for the above first class English Fire Insurance Company begs to call the attention of the public to the advantages offered by this Company, in respect to the security to the assured, and promptness to pay losses, which, without disparaging other Companies, may be safely asserted to be superior to those afforded by any other Company in the Island. The Liverpool and London F. & L. Insurance Company has been in successful operation since 1836, with agencies all over the world, and has paid in losses about two millions and a quarter sterling. Its subscribed capital is £2,000,000 sterling, and its invested funds alone amount to £1,312,000 stg.; and the fire premiums for 1861 amount to £360,130 19s 9d; and in addition to this very large capital, the Company, having been established before the recent Limited Liability Act, the individual fortunes of each of the shareholders, comprising some of the wealthiest merchants in Liverpool and London, are liable for the losses, should the whole of the capital be swept away. In this respect it differs, it is believed, from any other Company established here.

And lastly, the Agent being appointed by Power of Attorney directly from England, is authorised to draw Bills the moment a loss occurs, and without referring to the Home Company, to the extent of one thousand pounds sterling.

With these superior advantages, the Company is not disposed (though it might be well justified) to ask a higher rate of premium than other English Companies, which do not present the same advantageous features, and the Agent has been advised that an uniform rate has been agreed upon by the Directors of this Company and the "Queen's," and that the Agents here should, in this respect, "act in concert."

W. A. JOHNSTONE,
Agent of the Liverpool and London
Fire Insurance Company.

In all cases of Bites of Rabid Dogs, Reptiles, Stings of Poisonous Insects, the application of RADWAY'S READY RELIEF to the wound will prevent inflammation and mortification.

FEVER AND AGUE.

Persons exposed to the Malaria of Ague, or if seized with Chills and Fever, will find a positive Antidote and Cure in Radway's Ready Relief. Let two teaspoonful of the Ready Relief, in a wine-glass of water, be taken on getting out of bed in the morning, and however exposed to malaria you will escape.

WHEN SEIZED WITH
CHOLERA, or Diarrhœa, or Flux;
Dysentery, Cramps, and Spasms;
Bilious Cholic, or Gastritis;
Scarlet, Typhoid, or other Fevers;
Influenza, Coughs, or Colds;
Inflammation of the Stomach or Bowels;

RADWAY'S READY RELIEF
SHOULD BE TAKEN INTERNALLY.

One dose will stop the pain; its continued use will, in a few hours, cure the patient.

HOW IT CURES.

The secondary indication of RADWAY'S READY RELIEF is to cure the patient of the disease or malady that occasions the pain; this it accomplishes rapidly and radically. *So swift* is the patient transformed from pain, misery, weakness, and decrepitude, to the delightful enjoyment of health and strength, that patients frequently ascribe its talismanic power to the supernatural influence of enchantment.

RHEUMATISM, LUMBAGO, GOUT, NEURALGIA, TOOTH ACHE, CROUP, INFLUENZA, SORE THROAT, QUINZY, DIPTHERIA, HOARSENESS, BRONCHITIS, STIFF JOINTS, ENLARGED TENDONS, HEAD ACHE, (Sick or Nervous,) ASTHMA, or HARD BREATHING.

It is truly marvellous how quick RADWAY'S READY RELIEF cures the sufferers of these maladies. The poor, crippled, and pain-stricken Rheumatic has not to wait days before a change takes place, but in a few minutes derives ease and comfort.

CHRONIC RHEUMATISM CURED.
Twenty Years of Sleepless Nights.

Wm. Sydney Myers, Esq., of Havana, Cuba, the correspondent of the London Times, suffered with Acute and Chronic Rheumatism for twenty-five years, and for twenty years he had not enjoyed one whole night's calm rest. He applied RADWAY'S READY RELIEF—it immediately gave him ease and secured him the first calm and undisturbed sleep during the twenty years. The continued use of the READY RELIEF cured him.

PREVENTION BETTER THAN CURE.
THERE IS NO OCCASION FOR SICKNESS.

When you first feel pain, then take a teaspoonful of the READY RELIEF, in water; or apply it to the parts where you feel the discomfort.

ALL MALIGNANT DISEASES

first give warning of their presence, and if met promptly before they become securely intrenched within the system, will be readily expelled.

SIGNS OF SICKNESS.

Headache, Pains in the Limbs,—in the Stomach, Bowels, and Kidneys—Cold Chills, and Hot Flushes, Coated Tongue, Burning Skin, Nausea, Shivering, Dullness, Loss of Appetite, Restlessness, Giddiness, &c., &c., are premonitory symptoms of Malignant Diseases. One dose of the READY RELIEF is sufficient to break up and expel diseased action, and restore the patient to health.

SOLDIERS.

Every soldier should carry with him a supply of Radway's Ready Relief. It supplies the place of all other medicines; and as a beverage, a teaspoonful of the Relief, to a wine-glass of water, is a nicer, pleasanter stimulant than brandy, whisky, or bitters.

SICKNESS PREVENTED IN THE 8TH MAINE REGT.

Eighth Maine regiment, Serg't J. P. Lord, writes that Radway's Ready Relief saved the regiment from death while quartered at Tybee Island, S. C., when working in the swamps, erecting fortifications. Every man seized with Typhoid and other Fevers, Fever and Ague, Diarrhœa, Dysentery, Rheumatism, was cured by the use of the Ready Relief.

CAUTION.

In all cases ask for Radway's Ready Relief. Take no other. See that the signature of Radway & Co. is on the outside label of each bottle. Every agent is supplied with a new and fresh stock. Price 25 cents per bottle. Sold by Druggists, Merchants and country Store-keepers.
