CIVIC ELECTION matters are beginning to move. Already two intending candidates publish their cards in our columns.

If cleanliness is next to godliness, why do not the Market Committee strive to have the north side of the square fumigated. On a warm day the stench is unbearable.

BRIG "Zinga," McLeod, with cargo of 10,000 feet of deals and ends, containing 285,000 feet sup. measure, and 625 pailings, shipped by Peake Bros. & Co., cleared for Liverpool on the 30th inst.

At the Stipendiary Magistrate's Court this forenoon, Alfred Farmer, James Farrady and Robert Miller were each sentenced to six months' imprisonment for larceny of clothing, etc., from the residence of Mr. William Hobkirk, jr.; Patrick Brogan, arrested for the same offense, was remanded 8 days for further evidence; Michael Bradley, arrested for being drunk and incapable on St. Peter's Road, was fined \$2 and costs or 8 days' imprisonment; Edward O'Neill, remanded to jail for larceny, was tried and sentenced to 1 month's imprisonment with hard labor; Patrick Cavanagh, for assaulting William Stableton on the 6th, was sentenced to one month's imprisonment with hard labor.

THE was a large attendance at the market to-day. Immense quantities of fruit were exposed for sale in the upper apartment. The supply of fruit and vegetables of all kinds was far greater than the demand, although vendors were asking very moderate prices. Cherries were sold as low as five cents per quart, and currants at eight cents. The following are the prices: Beef (small) from 8 to 15 cents per lb.; beef (gr.) from 5 to 8 cents per lb.; mutton, from 6 to 10 cents per lb.; lamb, from 8 to 11 cents per lb.; butter (fresh) from 17 to 20 cents; do (tub) 16 to 17 cents; eggs, from 9 to 12 cents per doz.; chickens, from 35 to 50 cents per pair; ducks, from 40 to 60 cents; potatoes (new) 20 to 25 cents per peck; do (old) 35 to 40 cents per bush.

THE large of the match race between Mr. A. N. Lorge's mare Fairy and Mr. S. McNeill's horse Sporter, which took place at Upton Park on the 25th ult., was highly dissatisfactory to all concerned except, no doubt those who were financially interested on Sporter's side. The cause of the dissatisfaction was that in the second heat Sporter's driver—Mr. Bone—intentionally fouled the Fairy from the rear, carrying off her right wheel, cutting one of her hind legs, and otherwise shaking the mare. Fairy's driver—Mr. Wescott—who had a narrow escape from death by the foul—made his statement regarding the matter to the Judges. It was considered; but notwithstanding the abundant proof of the intentional foul, two of the judges—who, by the way, belonged to Summerside—declared the heat in favor of Sporter. The remaining judge—Mr. James Currie—dissented from the decision of the others, and we are pleased to see the able decision given by him on that occasion corroborated, in an exactly parallel case which occurred on one of the first tracks in America, to which we direct the attention of all concerned in the recent match, as follows:—

In the fifth heat Proteine went to the front, followed by Midnight, and Adelaide third. They held these positions until after passing the half-mile, when Splan drove Adelaide up on the inside of Midnight, and told his driver to lay over, or he would run into him. The driver of Midnight did not pay any attention to him and Splan kept his word, and drove into him, upsetting the sulky, throwing the driver of Midnight out, and the horse ran away, following close behind the other horses. As soon as the mile was finished the horse stopped, turned around, and started back to the stand and was caught. After listening to the complaints, the judges decided it no heat, distanced Adelaide, and fined Mr. Splan \$75, and said they would keep the case open, and if all the allegations were proven, would expel Mr. Splan.—From Turf, Field and Farm, July 13.

THE dock of the Stipendiary Magistrate's Court presented a most juvenile appearance this morning. In it were placed six criminals,—five of whom were arrested for larceny, and one for assault, with intent to commit highway robbery. Of the six, none

exceeded eighteen years of age; while the youngest was some months over thirteen years. Still tender in years, they have fully reached maturity in criminal acquirements, and all have already served terms of imprisonment for larceny, drunkenness, or some similar offence. Miller, Farady, Brogan and Farmer appeared for burglariously entering the house of Mr. William C. Hobkirk, on St. Peter's Road, on Monday morning. The evidence shows that at five o'clock, a. m., they entered the porch by way of the cellar hatch, and forced open the door between the porch and the kitchen, and after searching several rooms, made their exit by a basement window, carrying off some wearing apparel. A truckman who was passing at the time saw them coming out through the window. After leaving the premises of Mr. Hobkirk, they went to Beer's wood, where they remained until arrested by the police, who disguised themselves for the purpose. Miller, Farady and Farmer were sentenced to six months' imprisonment with hard labor. Patrick Kavanagh appeared for assaulting William Stableton with intent to rob. On the night of the 6th inst. Mr. Stableton was passing the vicinity of the West End, when he was attacked by Kavanagh, who threw him to the ground. As he lay on the ground Kavanagh crawled over him, and raising a black glass bottle over his head said, "You bloody old rascal, if you don't give me all your money I will scatter your brains." He had scarcely uttered the words when Officer McConnell arrested him. He smiled on receiving the sentence of one month's imprisonment with hard labor. The evidence being too meagre to send him to the Supreme Court. The next juvenile was Edward O'Neill, who was remanded some time ago for stealing old brass from the forge of Alex. Russell, who was sentenced to one month's imprisonment.

Special Despatch to Examiner:

LONDON, July 29. Fifty-four convicts of Mount St. Bernard reformatory, in Leicestershire, escaped last night, after assaulting the officers in charge, going towards Loughborough.

The police of Loughborough and a number of constables were sent to meet them. Thirty-three of the fugitives were recaptured. They were armed with bludgeons, stones and knives, and made a desperate resistance.

Bogardus shot a pigeon match to-day with Captain Shelly, of the Nottingham Garrison Club, for £200. Shelly shot 100 birds at 300 yards rise. Shelly retired at the eighty-ninth bird, having killed only sixty-four, while Bogardus had killed seventy-seven. The latter continued shooting, and killed eighty-four out of one hundred birds. Captain Bogardus' score to-day is the highest ever made in England.

In the House of Lords to-night there was a sharp personal discussion between Earl Granville and Lord Beaconsfield relative to the latter's attack on Gladstone. Beaconsfield defended his conduct. Lord Salisbury incidentally expressed the belief that the Russians would evacuate Turkey within the allotted time.

An Astonishing Fact.

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 19 cents to try. Three doses will relieve the worst case. Positively sold by all druggists on the Western Continent.

A Bye-Law for Levying an Assessment on Real Property in the City of Charlottetown.

(Passed by the City Council 19th July, 1878.)

WHEREAS, it is necessary and expedient to pass a By-Law for the purpose of levying an Assessment on the rental of Freehold and Leasehold Property in the City of Charlottetown, for City and School purposes, for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine,—

Be it therefore enacted by the City Council of the City of Charlottetown as follows:—

1. There shall be paid by the occupants or owners of Freehold or Leasehold Property within the City of Charlottetown, for City and School purposes, the following sum, that is to say, the sum of Twelve Cents on every Dollar of the rental for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine, according to the valuations entered against the names of each and every person in the Valuation Book of Real Property made by the Assessors of the City of Charlottetown, and returned by the said Assessors to the said City Council on the twelfth day of July, in the year of our Lord One Thousand Eight Hundred and Seventy-eight.

2. In cases where the occupant named in the Assessment Book of real property, made by the said Assessors of the City of Charlottetown, shall have left the premises so assessed before the time of giving the notice of assessment required by law, such notice shall be served upon the person or persons actually in possession; and, if the premises be vacant, then such notice shall be served upon the owner or owners thereof, or his or their agent; and such owner or owners shall be deemed, for the purposes of this law, the occupant or occupants; and such occupant or occupants, owner or owners in the cases aforesaid, shall be severally liable for the payment of the sum entered against the name of the original occupant or occupants in the Assessment Book of Real Property made up by the said Assessors of the said City, and deposited with the City Clerk, subject to the same right of appeal as the person or persons originally assessed was or were entitled to.

3. In cases where tenement houses containing two or more occupants, and where either the owner or one occupant was originally assessed, the City Collector shall have power and authority to divide and apportion such assessment between the several occupants in proportion to their several or respective rents, in order that the notices for assessment may be served on such occupants in due form.

SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been

Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of her cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
