NEW YORK

NEW YORK (AP) - The stock market's rally, now in its third week, was interrupted again for a spell of profit-taking Tuesday but the overall loss was minimal.

Most of the biggest losers were the largest recent gainers. Traders apparently decided to nail down some of their short-term gains.

The decline was an irregular one. Although all the popular averages took a small loss, gainers actually outnumbered losers by \$25 to \$28 in the list of 1,208 issues traded.

The Dow Jones industrial average was down 1 1/2 to 623.11. The Associated Press average of 50 stocks declined 4 to 229.3.

Volume of 11.4 billion shares compared with 5,000,000 Monday.

Some leading issues responded vigorously to corporate news. Firestone jumped 1/4 in active trading on word that Montgomery Ward had signed a five-year contract for Firestone to manufacture the store line of tires. U.S. Rubber, which has been a major supplier of Montgomery Ward tires, reacted downward by 1/4.

A late feature was a jump of 130 points by Superior Oil of California. The news was that a new president, James Houston, had been named to head the company's headquarters.
