

A BUSY CORNER of the Rotary Radio Auction set-up fund raising project for crippled and handicapped children, at the Clover Club last night was the spot where the various bids were recorded.

Co-Operative Spirit Is Seen At Annual Rotary Auction

Following a pattern of successes which started more than a quarter of a century ago, the annual Rotary Radio Auction conducted from the Clover Club last night once again spoke volumes for the co-operative spirit between buyer and seller when financial aid for crippled children surgery is the objective. More than 550 items were sold

Donor Response 'Gratifying' But Is Short Of Objective

A total of 437 donors registered at yesterday's Red Cross blood donor clinics held at Trinity Social Hall in Charlottetown to bring the total for the two days to 1048, which was 152 short of the objective. A Fremont Archer, chairman of the Red Cross blood donor committee for Charlottetown, said last evening that this was a most commendable result in view of the stormy weather all day yesterday and taking into consideration the fact that the locale of the clinic had to be changed from the usual place. He said the response was very gratifying and that the committee

Electricians Told 30-Ampere Service Seems 'On Way Out'

"The 30-ampere service is definitely on the way out in the rural districts," A.D. Cameron, manager of Maritime Electric told electricians and contractors from various sections of the province at a general dinner meeting at the Charlottetown Hotel last evening. Mr. Cameron noted that only 185 out of 397 new connections were 30 ampere services as compared with 300 30-ampere services in 1957. Most of these new rural services, he said, are going in as 60-ampere of which 117 were installed this year, representing nearly 30 per cent of the total as compared with 18 per cent in 1957. "Of course," he said, "the Red Seal homes do not represent all of the 100 ampere services which are now three per cent of the total new services connected on the Island."

Talks Given YPS On Safe Driving
Zion Young Peoples Society held its regular weekly meeting Tuesday evening. The devotional period was led by Helen MacRae and Corena Steele.

Constable Dick Poole, of the Royal Canadian Mounted Police then led a discussion on safe driving. A panel of three, consisting of Judy Millar, Clair Smith and Paul Weatherbie started things rolling with some questions prepared beforehand after which an informal discussion took place with all of the young people participating.

Mr. Poole also spoke of the background of the Mounted Police the reason for its being formed, its divisions and branches, and the qualifications and training required to become a Mountie.
