Home, School Association Has Season's Final Meeting

The closing meeting of the Montague Home and School Association was held on Monday evening at the High School with the president, Mr. Archie Hilchey in the chair.

An interesting feature of the meeting was the report of the annual Provincial Home and school meeting held at Charlottetown in May.

Various committees were heard from and satisfactory reports submitted.

The nominating committee brought in the following slate of officers who were duly elected: president, Mrs. J. D. MacLeod; 1st. vice president, Mrs. Cyrus Shaw; second vice president, Mrs. Leroy White; secretary treasurer, Mrs. Sandra McEachern (re-elected).

A vote of thanks was extended to the retiring officers by Edwin MacDonald who also on behalf of the Student Council expressed his appreciation for any help received from the association.

A sum of money was voted as prizes for grades eleven and twelve.

Arrangements were made for holding the annual field day on the Beaver Club grounds on June 25th.

Before the meeting adjourned the retiring president voiced his appreciation for all the help afforded him during his term of office, from standing committees, also committees appointed for special occasions and from all those who shared an interest in the work of the Association.

Following the meeting, refreshments were served by the committee in charge.

Island Conservative Leaders Visit Ottawa

OTTAWA, (Special)-Matters of interest to Prince Edward Island were discussed here the last two days between members of the Federal Cabinet and Provincial Conservative leader Walter Shaw and R.R. Bell, house leader.

The two P.E.I. Conservatives, accompanied by their wives, arrived in the capital Saturday night and left for Charlottetown late Tuesday.

"We had some very interesting discussions," said Mr. Bell, who is a member for 2nd Queens, just prior to their departure. He said their visit to Ottawa was a "business one, to deal with provincial matters generally." Agriculture, fishing and transportation problems were discussed.

The two conferred Tuesday with Prime Minister Diefenbaker and Fisheries Minister J. Angus MacLean, the island's representative in the cabinet. They also held discussions with several other ministers.

Two leaders also met with the other three MP's from the Island, Heath Macquarrie (Queens), John A. MacDonald (Kings) and Dr. O.H. Phillips (Prince). They also conferred with Senator J.J. MacDonald, recently appointed to the Upper House. Before they left to return home, Mr. Bell and Mr. Shaw were guests of honor at a function held by Maritime Conservatives.

Want Change In Telephone Rates

HALIFAX (CP) — Maritime Telegraph and Telephone Co., Ltd., has applied for permission to increase rates within the Halifax-Dartmouth town limits to provide outlying areas with cheaper service.

The Nova Scotia Board of Public Utilities will consider the application June 17. The increases would be effective in December, 1960.

The company proposes to increase private phone rates 25 cents a month and business phones 50 cents. A one-party phone within the city limits of Halifax and Dartmouth now costs a householder \$5.10 a month. The individual business rate is \$6.

GEORGETOWN Workshop Held At St. Peters

Mrs. L.H. Douglas has returned home after spending the winter with relatives in Montreal, Boston and Halifax.

Miss Carol Walker has returned to resume her student nurse duties at the Prince Edward Island Hospital, after spending her vacation with her parents, Mr. and Mrs. Spurgeon Walker.

Mr. Andrew McKenzie of Gasperaus was a recent business visitor to Georgetown.

Mrs. J. W. Lavers was a visitor to the city on Wednesday.

Mrs. Norman Thompson and Mrs. F.J. DeLory visited Charlottetown on Wednesday, June 4th where they attended a reception held for Mrs. DeLory's nephew R.W. Arthur Pendergast, whose ordination took place on Saturday May 30th.

Mrs. John McRae, who spent the past few months in Georgetown left recently for Charlottetown, where she will visit relatives.

For several days a bulldozer has been engaged in levelling and cleaning up operations on the town dumping area, which is now in excellent shape. It is to be hoped that citizens and truckers will respect and appreciate the efforts and expense put forth by the Mayor and council, in this matter, and exercise care in dumping rubbish within the confines of the dump proper. While the bulldozer was available it was engaged to do some necessary work on the baseball diamond. The expense involved on this project are being jointly defrayed by the Town and the School.

co-operative and thoughtless parents, who listen to tales that are brought home by children and exaggerate them.

The following questions were then discussed: (1) What is the best method of grading pupils? The general opinion was that the year's work based on monthly or quarterly tests was preferable to a final long examination.

(2) How important is the teaching of good diction? The teachers all agreed that this is phase of school work should receive ample attention more than at present is given to it especially in rural schools.

(3) How can teachers encourage pupils to learn the art of public speaking? To this question two suggestions were offered namely: to have pupils conduct such meetings as Student Council or Junior Red Cross, and

encourage them to take part in debates.

The meeting was brought to a close after showing the film, "Canadian Landscape".
