MONTREAL (CP)—The closing bid on the U.S. dollar in terms of Canadian funds was $1.07 11-16, the asked $1.07¾. Monday the closing bid was $1.07 23-32, the asked $1.07¾. Pound sterling closing bid was $3.01 13-16, the asked $3.02 1-16. Monday the closing bid was $3.01 15-16, the asked $3.02 1-16.

NEW YORK

NEW YORK (AP) — A big leap by Chrysler and some wide moves by selected issues featured an irregular stock market Tuesday. Trading was light.

Semi-holiday conditions prevailed because of the Lincoln's birthday observance in the U.S. New York banks were closed.

Volume dropped to 3,710,000 shares from 3,880,000 Monday and was the lightest since Feb. 4 when 3,670,000 shares changed hands.

Chrysler ended the day as second most active stock, up 4⅛ at 91⅞ on 96,300 shares, having touched 92, its highest price since 1955. Brokers ascribed the strength in Chrysler both to investor hopes of further gains when the proposed 2-for-1 split becomes effective, and to short-covering.

The late recovery drive was not enough to put all market statistics ahead even though popular averages advanced. The Dow Jones industrial average rose 1.88 to 676.62. The Associated Press average of 60 stocks gained .6 to 256.7.

Steels and tobaccos made some fractional gains.

The Canadian section showed mostly minus signs with International Nickel down ¾, Dome Mines and McIntyre Porcupine ½, Aluminium Ltd. ¼ and Walker Gooderham ⅛. Granby Mining was up ½.

Prices were mixed on quiet trading on the American Exchange. Brazilian Traction moved up ½ while Scurry Rainbow Oil declined ¼.

Commission On Pilotage Scheduled To Leave Today

The royal commission on pilotage was to leave here today for Saint John, N.B., second port on its cross-Canada schedule of hearings.

The commission, headed by Mr. Justice Vyes Bernier of Quebec Superior Court, held its first hearing here Monday. The four-hour session heard testimony on qualifications and pay rates of Prince Edward Island's part-time pilots and the province's system of collecting pilotage fees.

Tuesday was spent viewing Charlottetown port facilities and preparing for the two-day sessions in Saint John.

Other members of the commission are Robert Knowlton Smith of Waterloo Ont. chairman of the National Harbors from 1950 - 1954 and Harold Alexander Renwick a Vancouver businessman.

The commission was set up November 1 1962 to investigate and report on all aspects of pilotage in Canada.

Announce New Healing Substance… Shrinks Piles, Checks Itch

Exclusive healing substance proven to shrink hemorrhoids… and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissues.

One hemorrhoidal case history after another reported "very striking improvement." Pain was promptly and gently relieved . . . actual reduction or retraction (shrinking) took place.

Among these case histories were a variety of hemorrhoidal conditions. Relief even occurred in cases of long standing, and most important of all, results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue. Bio-Dyne is offered in ointment and suppository form called Preparation H.

In addition to actually shrinking hemorrhoids, Preparation H lubricates and makes elimination less painful. It helps prevent infection which is a principal cause of hemorrhoids.

Just ask your druggist for Preparation H Suppositories or Preparation H Ointment (with a special applicator).

Satisfaction guaranteed or your money refunded.
