**MOTHERS:**  
 the truth about tooth decay

SCIENCE has proved that much of the decay that makes cavities is caused by acid-producing bacteria, formed by food particles left on the teeth after eating. The surest way to fight tooth decay is to keep children's teeth clean through brushing with Pepsodent right after eating.

**New Poor of Britain**

"English clergy are the new poor," says Rt. Rev. Leslie Stanard Hunter, Lord Bishop of Sheffield, Eng. In Canada to begin lectures at McGill University. He says ministers in England, often paid less than the working men they minister to, are combating low attendance at church by going into the factories to attract and interest working men. Communism, he believes, is making no headway in Britain.
