NEW YORK
NEW YORK (CP) — Profit taking clipped a strong stock market rally Tuesday. Steels, electronics, most motors and chemicals were good gainers but wilted as afternoon selling gathered impetus.

Make This A "Chairful Christmas" with a Gift from **BRACE McKAY LTD** Summerside

when **MONEY** is the logical gift
Here are three B of M ways to say "Merry Christmas"
Sometimes a gift of money is the only realistic answer to a Christmas shopping problem. Maybe it's a niece, last seen at the age of three, now going on sixteen (what to give her?). Or perhaps it's a relative with a small income and a large family (money would be the most meaningful gift). Then again, it could be employees or household help who've come to expect their gift in the form of cash (nothing else would please them as much).

If money is the answer to some names on your list — see the B of M. "My Bank" can provide you with a way to give that takes the chill off cold cash and trims your gift of money with festive decorations.

1. STUDENTS' AND BABIES' PASSBOOKS make a delightful extra for some youngsters on your list. Your gift of money is entered in a special passbook and enclosed in a Christmas cover guaranteed to make young eyes pop with glee.
2. MONEY ORDERS purchased for Christmas-giving come in gaily-decorated envelopes or folders that clearly spell out your Yuletide wish. Ideal for those "hard-to-buy-for" people on your out-of-town gift list.
3. SPECIAL CHRISTMAS CHEQUES are available in two colourful holiday designs — one for personal and one for business giving. They are "gift-wrapped" in a bright cover that glows with the spirit of the season.

See these special Christmas features at your neighbourhood branch of the B of M today (don't forget to bring your Christmas shopping list).
