In the winter there's nothing to do...

Except have the lawn and garden equipment fixed, the electrical appliances repaired, the car tuned,

the outboard motor overhauled, the drapes cleaned, the rugs shampooed,

the furniture re-upholstered, the screens mended.

Et cetera. And the work gets done faster and can cost less than at any other time of the year.

Men are available. Materials are available. Special discounts are available.

There go all the excuses for putting it off until Spring.

DO IT NOW! Everyone benefits when winter work is increased.
