# FOR A BRIGHTER TOMORROW JOIN A 4-H CLUB TODAY!

## 4-H'ers Face The Future With Confidence!

We are happy, indeed, to pay tribute to the youth of this province who are members of 4-H Clubs. In their hands they hold the key to continued progress and achievement . . . in their hearts and heads are the precepts of our way of life . . . and in their health—and the health of all young Canadians—lies the foundation of vigorous growth of this country.

To the future homemakers, farmers and craftsmen, the 4-H Club boys and girls, we say, good luck, good health and may your future be filled with bright hopes and great promise of living and working.

## WHAT IS 4-H ... WHAT DOES IT MEAN?

4-H Club work is a training in which rural children learn better way of farming and home making, better ways of working together in groups and on community matters, better ways of living. It recognizes the basic, educational values of farm life . . . it puts the emphasis on self reliance, character and an appreciation of the things of the open country. It makes for good homes, good citizens and a progressive rural life.
