Happy Birthday Marie. Don't  
strain yourself, like you did the  
other weekend before, if you know  
what I mean.  
From Me

Jane, No spurs! No bridle!  
It's bareback all the way. Keep  
your back straight and hold tight  
to the horn. There's magic to  
be made. The Unicorn (Asking  
Jane the musical question: 'Can  
you play a boss horn for some  
swinging jazz?')

The Unicorn  
Thank you for letting me  
know how dependable you are.  
Jane X  
P.S. Are you saying riders and  
writers don't do it for fun?  
P.P.S Who Needs a saddle?  
Bareback is more my style

Happy 21st Birthday Patricia.  
Have one for me.

To Jane X: One-eyed Scottish  
monster looking for warm, damp  
cavern to slip in and out of. Wet  
wear will be supplied. Scottie.

Jane, Teleportation? Well,  
yes. But I need to know the des-  
tination before I wave my wand  
in public. Actually, I don't need  
any assistance from magic toys or  
props: I can do it off the top of  
my head. How about you? The  
Unicorn (Asking Jane: 'Get the  
point?')
