Arson Rumored After Barn Blaze

City police indicated last night that there was a possibility of investigation into rumored arson after a barn fire last night at 16 Chestnut Street.

The barn, completely gutted in the blaze, though no one was injured, flames had almost run through the entire structure before firemen arrived. It was reported, but were quickly subdued.

Suspicion has arisen recently that more than mere coincidence is responsible for the comparatively large number of barn and garage fires, of which there has been a rash recently.

Officials last night were not available for statement, but it was understood that city police and firemen may take part in an investigation into the fires.
