The treatment of many thousands of cases of the chronic weakness and distressing ailments peculiar to females, at the Invalid Hotel and Surgical Institute, Buffalo, N. Y., has afforded vast experience in successfully curing and thoroughly restoring females for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outcome, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested and more vigorously and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for women's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. Not overlooking the "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.
