the fans in question, but at least they were civilized enough to do so at an unoffensive decibel level.

I can be as foul-tongued and abusive as the next person if adequately provoked but I would not embarrass my school in front of students from another school. And since there were only about five or six people being loud and obnoxious it appears that a lot of other students feel the same way.

Our teams want lots of fan support but I'm sure they don't need attention-seeking, tasteless fans making personal attacks on their opponents and officials.

In closing I would just like to say to these guys, I hope I've embarrassed you as much as you embarrassed those of us who heard you. So, smarten up guys and think about U.P.E.I.'s reputation with other schools. If you want to act greasy, go home and do so in your basement.

Dear Editor,

Once again Student Union Elections are upon us. I sincerely hope that a number of people contest each position. To my knowledge the following positions are open: president, vice-president, treasurer, comptroller, communications officer, education representative, four senators, six Arts representatives and two Science representatives.

Hopefully there will be enough interested students out of our population of 1500 who will consider running.

I also hope that this will be a clean election, none of the mud-slinging of the past, where the candidates will get down to the REAL issues concerning the university students of P.E.I.

Dear Editor:

"No Minds" or "animals" who start or participate in fist fights are: A. under the influence, B. get coverage in the media system, C. are

in good physical condition, D. All of the above. They may have had malice of forethought, but at least they've kicked it out of their system.

Actual animals try to destroy people by using vindictiveness, two facedness, clan-forming, or malicious gossip, etc., because of petty jealousies, wanting the lime-light or lack of maturity, etc. These people are dangerous if they're smart. They have no self respect or respect for others.

If people want a good university, perhaps they should get their moral values straight.

Dear Editor,

As a poor student of rural P.E.I. I sometimes wonder what happens to my Student Union fees. These fees increased last year from \$40 to \$45 with an extra dollar attached for AFS (Atlantic Federation of Students) fees.

As a student of U.P.E.I. I would like to know what AFS has done for me, for U.P.E.I. and for P.E.I.

Is the Student Union planning on remaining a member of AFS next year? Will there be a referendum during this year's election as there was last year?

A Concerned Student.

Dear Editor,

As one of the operators of the new Movie Club on campus, I would like to thank all the people who showed up for our first movie, "The Front", on the past Sunday evening at Duffy Amphitheatre.

I would also like to inform your readers at this time that our second movie of the season will be "The Deep", shown at 7 and 9 p.m. on Sunday, February 12th. Admission is only \$1.50.

Public support is needed in order that this new club may get off the ground. Please come out and support us so that we may continue to provide good movie entertainment.
