A Great Victory

THE Greenbrier Farms' June Byrd won a sensational triumph in the Maritime circuit free-for-all at Moncton.

The game-hearted, slick-going pacer hung up a new mark to lower the track record of 2:04.4 set by herself last July. This time June did the first trip of the feature in 2:04.3 and then headed the opposition home once again in the final outing in 2:05.4.

However, June's triumph in the Hub City wasn't any great surprise. We talked to several local racing enthusiasts and a great many of them were calling for her to win the famed Monctonian. However, we hadn't heard any of them express the idea that she would break her record of a year ago. That part of the proceedings surely must be termed an upset.

ISLAND racing fans must be a bit smug about the happenings in the last two big Maritime races. Tammany Hall copped both dashes here in The Evening Patriot Inaugural and now June Byrd walks off with The Monctonian. Doug Hill's Dominion Byrd was a fine 2-2 here in The Inaugural and his backers are figuring he should be due for a triumph Thursday night when Summerside Raceway presents a $2500 circuit pace at their attractive raceway. All the big ones will be in this one and the Summerside park should be jammed for the event.

Of course, Bob Brook will not be counted out in Summerside. This great pacer can't be discounted just because he failed to win a couple of races. He will be right in the thick of things Thursday and we understand that Walter Craig will have the job of handling him. If this is the case, owner Don MacKenzie should have no worries about a good drive. Walter has loads of experience and already this season he has made several great drives, especially with horses trained by Walter Downe.

Some Red Faces

BUT getting back to Saturday's race at Moncton..

That double triumph by Greenbrier Farms' mare surely must have left some faces red. There were those who insisted the June Byrd mare couldn't grab a big one this season. They were convinced her winning ways were at an end. However 'Roach' MacGregor put an end to such absurd thinking when he piloted June home in that record breaking time.

After her great season in 1962, it's surely nice to see this outstanding pacer back in the thick of things in this season's campaign.

Undoubtedly June Byrd will be one of the favorites when the tigers go at each other this Thursday night in Summerside.

Dominion Byrd Going

OF course Dominion Byrd's backers will tell you that June Byrd didn't beat their favorite this season. Doug Hill's pacer hasn't been worse than second this year and those seconds came in The Evening Patriot Inaugural when Tammany Hall romped home a winner.

However Dominion Byrd will surely be facing an improved June Byrd this Thursday. The Greenbrier Farms' mare has tasted victory and 'Roach' will be going all out for more of the same. Local interest will be extremely high in this great feature and it should react most favorably for the Summerside promoters. Their turnstiles should surely click merrily come Thursday night.

However, race fans mustn't forget there are other horses in this circuit free-for-all. Any one of them could grab all the marbles and we aren't referring to Prince Edward Island owned horses only. To forget this Glace Bay entry, Bob Brook. That fellow is always worth a pari-mutuel ticket and this coming Thursday night could see him in his best form of the present season.

Interest On Increase

INTEREST increases each night at these horse races.

Last Saturday was by far the best night financially for The Charlottetown Driving Park. That, of course, is excluding the night of the circuit free-for-all. Summerside should do fine this week if the weatherman co-operates to the fullest extent. From here until Old Home Week is concluded harness racing should flourish on Prince Edward Island.

The local folks are turning out in greater numbers and the tourists are getting great entertainment out of the pacers and trotters.

Right now, the very best to Summerside.

PONY BOY IS JOCKEY

Canada's leading Jockey, Ron Turcotte (right) acts as Pony boy for Pat Remillard on Ramblin Road, winner of the Victoria Stakes at Woodbine in Toronto while under a 10-day suspension. Turcotte who was to ride Ramblin Road, was suspended for not allowing another horse to pass him in a race. His supension became effective last Saturday.

Athletics Edge Yankees; Minnesota Blasts Tribe

By THE CANADIAN PRESS

New York Yankees still have their perennial first place lead in the American League baseball standings, but Monday afternoon Kansas City Athletics made them look just a little human, in winning 11-0.

With two out and the bases loaded Bill Stafford walked Jerry Lumpe with the winning run in the last of the 12th inning.

In other day action in the American League, homers by Earl Battey, Don Mincher and Harmon Killebrew powered Minnesota Twins to a 13-1 triumph over Cleveland. Washington Senators used home runs to down Detroit Tigers 11-6 and it was the same story in Los Angeles where Boston Red Sox' Frank Malzone hit a sixth-inning homer to lead his team to a 2-1 win over the Angels.

CUBS BLANK CARDS

The lone day action in the National League saw Chicago Cubs Dick Ellsworth and Lindy McDaniel combine in a five-hit 2-0 shutout of St. Louis Cardinals.

At Kansas City, the Athletics trailed in the game five different times.

With one out in the 12th, Stafford hit Bobby Del Greco with a pitch, then winning reliever Pete Lovrich sacrificed Del Greco to second before Bouton gave three straight walks to Gino Cimoli, Wayne Causey and Lumpe.

Cimoli collected four of the Athletics hits, a triple, double and two singles, and Ed Charles homered twice.

John Blanchard homered and singled twice for the Yanks and Elston Howard and Joe Pepitone added two doubles and a single each.

At Washington home runs by Chuck Hinton and Bo Osborne accounted for five of Washington Senators runs.

Hinton's three - run homer capped a five-run sixth inning off loser Jim Bunning, who also gave up Osborne's two - run homer in the third.

Bubba Phillips' three - run homer in the eighth off Don Rudolph brought the Tigers within two runs and that was all for Rudolph. Ron Kline protected Rudolph's victory.

WIN FOURTH IN A ROW

At Minneapolis the Twins, winning their fourth straight and third in a row over Cleveland, put it away with a four-run third inning highlighted by Mincher's homer. Mincher also drove in two other runs with a pair of singles.

Minnesota tacked on six more runs in the seventh inning, which featured Killebrew's 31st homer of the year, Battey got the Twins a 2-0 lead in the second with his 20th homer.

At Los Angeles dependable Dick Radatz came out of the bullpen after Malzone's blast, to save the game.

Radatz relieved Bill Monbouquette with one out in the Angel eighth and runners on first and second.

Leon Wagner hit a bristling line drive but it was right at shortstop Ed Bressoud, who doubled Bob Sadowski off second after making the catch.

Radatz retired the side in order in the ninth.

AIDS OWN CAUSE

At St. Louis, Ellsworth, besides pitching superbly, drove in two runs with a single. He broke up a scoreless duel with Ernie Broglio by lining a bases-filled single through the middle for the Cubs' runs in the seventh.

McDaniel came on in the seventh with the bases loaded and for the second straight game saved a Cub victory.

Another Big Card For S'side Tonight

Summerside Raceway continues its stellar week of harness racing with another top notch eight-dash program tonight.

Three double dashes and two singles comprise the menu that Perhas first class entertainment written all over it.

Those fourth and eighth dashes are certain to produce a great battle. There are only five horses getting the word but every one of them has the capabilities to get home a winner. They are Philip's Queen, Watch Top, Post Hanover, Janet M, and Hurrah. Both these dashes should surely provide the big crowd of spectators with plenty of thrills.

Perfect Hal leaves on the rail in the night's first dash and if George Gregory's pacer is really in the mood, it will take quite a horse to beat him. Those trying to do just that are Perfect Hal, Winston's Wish, Princess Spangler, Edgewood Hal, Countess Alice, Callie Hal and Win Barnis. The horses do a repeat in dash five.

The other events look equally interesting and tonight's patrons are assured of high class racing entertainment.

Make it a point to take in this great racing show. You'll not be disappointed.

Lions Take Nod Over Shamrocks

Barry's Lions came from behind in the final inning last night to hang a 4-3 defeat on the BIS Shamrocks in a City Softball League game.

Art Ballem went all the way on the mound for the Lions to pick up the victory. He only allowed three hits, the longest being a home run by Lester Taylor.

He was opposed on the hill by hard-hitter Sterling Simms who tossed a six-hitter.

The Lions jumped into an early lead when Len Kelly who had singled came riding home on Mike MacKinnon's booming double in the second inning. The Shamrocks took over the lead in the bottom of the second when they scored two tallies as the result of singles by J. Hennessey and L. Dowling combined with a walk and a fielders choice play.

The Lions tied up the game in the third without the benefit of a hit only to watch the Irish take the lead once again in their half of the inning on Taylor's home-run.

The score remained 3-2 until the top of the seventh inning when the Lions scored twice to win the game. A walk to Jerry Kane sandwiched between singles by Garry Gallant and Glen Thompson resulted in both runs crossing the plate.

Centertowners Tie For First

The Centertowners walloped the Uptowners 10-3 in a Souris Town League game last evening to move into first place tie with the Uptowners.

The game ended in the bottom of the fourth inning when umpire Ronald Cheverie awarded the game to the Centertowners because of alleged stalling tactics on the part of the Uptowners. The Uptowners have filed a protest to the league president.

Terry Clinton went all the way for the victory tossing a six hitter. He walked two and struck out eight. Maynard Paquet and Danny Mahar pitched for the losers. They gave up a total of five hits, nine walks and they recorded seven strikeouts.

Eugene MacDonald was the top stricker for the winners with a 3-3 performance. Maynard Paquet was 3-3 for the losers. League action resumes tonight at 6.15 with Centertowners facing the last place Downtowners.

St. Peters Take Souris Legion

St. Peters Rovers defeated Souris Legion 7-3 in a Kings County League game over the weekend.

Bob Lewis picked up his first win of the season by tossing a eight hitter. He walked five and fanned five.

Butch Cheverie went all the way for Souris, and was charged with the loss. He allowed seven hits, walked three and struck out seventeen. He was the victim of poor support by his team mates. Alec MacAulay was top stricker for the winners with two hits in five trips. Gus Clinton and Maynard Paquet were the leading hitters for Souris with two hits in four appearances.

Annual Rifle Shoot Gets Started Here On Thursday

Early Thursday morning some 40 Island marksmen along with about a dozen from Nova Scotia and New Brunswick, will converge on Squaw Point ranges, below Tea Hill, for the opening shots of the annual three-day Provincial Rifle Association prize meet which gets underway at 8 o'clock.

At stake will be more than $1,100 in prize money, along with two Governor-General's medals and some 15 items of silverware. For the Islanders, the most fought-for-honor is the gaining of the 24 places on the squad which will make up the 1963 Provincial team which will compete at the Dominion of Canada Rifle Association meet near Ottawa starting Aug. 5.

President Lieut. Ralph E. Jenkins and other officers of the association, beside expecting about a normal turnout, are also predicting that the standard of shooting is likely to be very high and will make for stiffer competition.

Three matches will be fired Thursday. In the forenoon it will be the DeBlois Bros. Ltd., at 200 yards, followed by the H. L. Sear and Co., at 300 yards. Following the luncheon break, firing will again resume at 200 with the first stage of the City of Charlottetown match which will conclude at 600 yards.

The scene moves back to 200 yards on Friday morning for the firing of the Moore and MacLeod Ltd., match. This will be followed by the first of the two main matches of the meet, the Macdonald Tobacco Company event.

The first range of this match will take place in the forenoon with 15 rounds at 300 yards, the second half of the match will be the final range of the day when 15 more rounds will be fired at 600 yards.

Also on the same day the Canadian Legion match will be fired at 500 yards closing out the morning program. Right after lunch the Peake-Martin Ltd., match will be run-off at 600 yards.

MAJ. REG. MAHAR

BIGGEST EVENT

The biggest and most important event of the meet gets underway at 8 o'clock Saturday morning, with the firing of 10 shots at 200 yards in the first of the three stages of the Jones Memorial Match, which is sponsored in perpetuity by the late Major J. M. (Bisley) Jones, in memory of his son PO. A.M. Jones, RCAF, who was killed while on a bombing mission over Vauneka, Germany in World War Two.

That same morning the Batt and MacRae match will be fired at 300 yards. Following lunch the two last stages of the Jones will be fired, consisting of 10 shots at 500 yards and 15 at 600.

This year activities at the firing point will be under the supervision of a new range officer in the person of Major Reg. Mahar, P.E.I. Regt. He has already issued the warning that improper conduct or careless handling of rifles while not in the actual process of shooting will be dealt with severely.

On the statistical side of the program, CPO Stan Bowles will for the 12th year handle the duties of chief statistician and he will be assisted by Mrs. Ross Affleck as typist and steno.

Any disputes or complaints that may arise during the meet will be dealt with by the executive committee, comprising Tpr. Bob Barwise, Tpr. Ken Jay, Capt. Roy McCabe, Tpr. Eldon MacLean and SSM Danny Clark.
