

Dyspeptics will Rejoice.

Attention is called to the advertisement of "Dyspeptique" which appears to day. "Dyspeptique" has been a valued Household Remedy for a number of years in St. John, and without any advertising, has become well known in nearly every part of the Maritime Provinces; that it is so well known is due to its wonderful success in really curing not only indigestion, and all ordinary Stomach troubles, but the worst cases of chronic dyspepsia. There are thousands upon thousands of chronic dyspeptics who have used so many medicines without success that they will hardly believe a cure is possible; these are exactly the ones that are particularly requested to try the Remedy. The Pamphlet (copyrighted by "Dyspeptique") giving a history of its discovery and full information about Diet and Hygiene, is wrapped around each bottle or will be promptly sent free to any address. The fact of "Dyspeptique" having been thoroughly tested for ten years and being prepared by a responsible Druggist, Charles K. Short (Graduate Mass. College Pharmacy, Boston) of St. John, N. B. recommends this remedy to the full confidence of the public. 4

Cause for Alarm.

The great frequency with which pale, low and enfeebled girls are met now-a-days is cause for genuine alarm. The young girls of the present generation are not the healthy, robust, rosy lassies their mothers and grandmothers were before them. Their complexion is pale and sallow or waxy in appearance and they are the victims of heart palpitation, ringing noises in the head, cold hands and feet, often fainting spells, racking headaches, backaches, shortness of breath and other distressing symptoms. All these betoken chlorosis or anemia—or in other words a watery or impoverished condition of the blood which is thus unable to perform its normal functions and unless speedily enriched with those natural remedies which give richness and redness to the blood corpuscles, organic disease and an early grave is the inevitable result. Is not this prospect sufficient to cause the gravest alarm? Mothers are your daughters suffering from any of the symptoms indicated above, or from any of the irregularities incident to a critical period in their lives? If they are, as such cases are not only dangerous, but positively criminal. Dr. Williams' Pink Pills for Pale People is a remedy compounded especially to meet such cases. These pills are not a patent medicine, but a remedy prepared with the great care from the formula of an experienced physician, who has used it for years in his daily practice with unvarying success. These pills are especially rich in those constituents which stimulate the blood and give it that rich, red color necessary to preserve health and life. They are in all cases a never-failing blood-builder and nerve tonic, acting upon the system in a natural manner and restoring health and strength to all who suffer from a watery or deprived condition of the blood or from any of those weaknesses peculiar to females. Dr. Williams' Pink Pills are sold by all dealers, or will be sent post paid on receipt of price (50 cents a box) by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
