

## ROSES AND THORNS

Another Thursday night Main Event has come and gone with, at best, a mediocre turnout. During the past four weeks two groups of first rate entertainers have been featured at the "Barn", Mason Chapman Band, and Long John Baldry. Both were first rate, (ask anyone who was there) yet both drew a very disappointing number of students. I would imagine that both the Junior Class, who sponsored Mason Chapman, and the Student Union, who sponsored Long John Baldry, lost money on their events. Students, what the hell is the matter? You are able to spend both the time and the money at Gentleman Jims, why not give the Barn a try on one night out of twelve.

Certainly there is an admission charge but the cost of refreshments is considerably lower at your favorite building on Campus, not to mention the fact that the clientele is predominantly students (your friends and classmates).

Fall Fest is fast approaching I hope that all of you will get off your butts and go down to the Barn, or out to the Soccer field or wherever and show a little bit of good old UPEI school spirit instead of the apathy which has been so predominant on campus during the past month. Remember people, its your University

**Bouquet of Thorns:** All of those people who have been apathetic in their attitudes towards student events and affairs during the first month and a half of this year. You know who you are....

**Bouquet of Roses:** Those people who got off their butts to voice their opinions or take some actions on the President's Advisory Group Report. I commend you one and all- you are the lifeblood of this University!

### Panther Notes

- Fall Fest is next week
- Hockey Panthers had a tie and a loss over the weekend but are lookin' good.
- Soccer Panthers were ranked 10<sup>th</sup> in the nation last week.
- The Panther Lounge seems to be a

popular place on Friday afternoons to watch the movies.

Have an enormous week and show some spirit!

## PUB POST BALDRY

The Long John Baldry Pub last week had to be the best pub yet this fall since Frosh Week.

The band did an excellent job for only being together one week before they played at the Barn.

I hope to have the pleasure of seeing Long John again at the Barn this year, for another great time for everyone there.
