

Santa Claus Didn't Come

BY MARY J. WINES.

I hung up my little stocking,
But Santa Claus stayed away;
I have got no toys nor candy,
And am very sad to-day.

But, for that, he should not pass me,
For he knows I'm very poor,
With no tender friends to help me,
I must cold and want endure.

Santa Claus, you are so cruel!
There's my stocking by the beam,
Very handy to the chimney,
Where I see the daylight stream.

Santa Claus—I'm crying bitter—
Should you pass poor children by,
When they have no toys nor candy,
And so sad they want to die?

For I see in the nice houses,
Tables filled with lovely toys,
Fruit, and cake, and candy-boxes,
In the hands of girls and boys.

"All right!" if you think so, Santa—
When next Christmas morn is near,
You may look in this cold garret,
But you will not find me here.

A romantic story is being told of one
of the members of Gilmore's band,
which has just returned from Europe.

The Greatest Medical Discovery since
the Creation of Man, or since the
Commencement of the
Christian Era.

There never has been a time when the heal-
ing of so many different diseases has been
caused by outward application as the present.

DR. MELVIN'S CAPSICUM POROUS PLASTERS
are acknowledged by all who have used them,
to act quicker than any other plaster they ever
before tried, and that one of these plasters will
do more real service than a hundred of the
ordinary kind.

Physicians in all ages have thoroughly tested
and well know the effect of Capsicum; and
it has always been more or less used as a
medical agent for an outward application; but
it is only of very recent date that its advan-
tages in a porous plaster have been discovered.

Being, however, convinced of the wonderful
cures effected by DR. MELVIN'S CAPSICUM
POROUS PLASTERS, and their superiority over
all other plasters, they now actually prescribe
them, in their practice, for such diseases as
rheumatism, pain in the side and back, and all
such cases as have required the use of plasters
or liniment. After you have tried other plas-
ters and liniments, and they have failed, and
you want a certain cure, ask your druggist for
DR. MELVIN'S CAPSICUM POROUS PLASTER.

You can hardly believe your own convictions of
its wonderful effects. Although powerful and
quick in its action, you can rely on its safety
for the most delicate person to wear, as it is
free from lead and other poisonous material
commonly used in the manufacture of ordi-
nary plasters. One trial is a sufficient guarantee
of its merits, and one plaster will sell hundreds
of your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM
POROUS PLASTER, and take no other; or,
on receipt of 25 cents for one, \$1 for five, or
\$2 for a dozen, they will be mailed, post paid,
to any address in the United States or Canada.
