KINDERGARTEN HALL—Monday evening. Meeting of Liberal-Conservative electors of Wards 2, 3, 4 and 5. Let there be a full attendance.

GOSPEL MEETING.—Remember the Gospel meeting in the Y. M. C. A. Hall Sunday afternoon at 4 o'clock, conducted by the railway men. Strangers always welcome. Lesson, John 14-13, "In My Name."

REMEMBER THE DATE.—Make no other engagement for July 8th but come along to the Tea at Lower Montague and enjoy a pleasant outing. Arrangements will be made for a special train to Georgetown. Particulars later.

ZION CHURCH.—The sacrament of the Lord's supper will be dispensed in Zion church at the close of the regular morning service to-morrow. Rev. T. F. Fullerton will conduct the preparatory service to-night at 8 o'clock.

WELCOME MEETING.—There will be a welcome meeting tonight at the Salvation Army to Major Pugnare, the leader of the S. A. for the Eastern Provinces which comprise the Maritime Provinces and Bermuda. Adjutant Galt who was stationed here some time ago accompanies him. Silver collection at the door.

A PRETTY COMPLIMENT.—Rev. C. M. Southgate, of Ansburdate, Mass., preached the baccalaureate sermon to the girls of Lanes' seminary last Sunday. His wish was that "like our gracious Queen across the sea, when you have passed your threescore and ten years as Queen in your own home, you may enjoy a diamond coronation."

SPORTING ITEMS.—The Lynch brothers, of Halifax will accept Gaudaur and Hackett's challenge for a race for the double scull championship and \$1,000, the race to take place next fall. A meeting is to be held to arrange for the money for training expenses.

John L. Sullivan and Bob Fitzsimmons met in Buffalo a few nights ago and talked over fighting matters. Sullivan has issued a formal challenge for a finish fight for the world's championship and a side bet of five thousand dollars. Fitzsimmons promised seriously to consider it.

W. C. T. U.—The second annual convention of the W. C. T. U. held at Kensington, was well attended. The proceedings throughout were of a most interesting character. Helpful papers were read and addresses given. The following officers were elected: President Mrs. C. W. Strong, Summerside; 1st Vice President, Mrs. Johnson, Charlottetown; 2nd Vice President, Mrs. Brennan, Summerside, 3rd Vice President, Mrs. Dr. McNeill, Kensington; Cor. Secretary, Mrs. R. T. Holman, Summerside Rec. Secretary, Mrs. C. Matheson, Charlottetown; Treasurer, Mrs. L. M. Poole, Charlottetown.

THEATRICAL.—When "Master and Man" was constructed, the author certainly put some very strong scenery together. A realistic and striking scene of the furnace in the fourth act, is said to be one of the most sensational episodes ever shown on the mimic stage. The plot is continually developing new and somewhat unexpected features. The play will certainly be adequately interpreted and finely presented. The scenic features are an important factor in the play, and the resulting performance possesses every effort to please. A number of specialties are also introduced. "Master and Man" will, no doubt, please the many friends and patrons of the favorite actress, Miss Josie Mills and her excellent company on their re-appearance in this city after an absence of four years. The company open for a week with change of play nightly. Popular prices will prevail. Children 15c, adults 25c and 35c.

C. E. CONVENTION NOTES.

Please notice the correction of initials of the chairman of the billeting committee: instead of S. C., they should be D. L. McKinnon. Send all delegates' names to him.

The railway arrangements are completed and delegates will be carried to Georgetown from any point on the P. E. Island railway on the certificate plan at one first-class fare. Tickets will be issued on August 10th and 11th, good for return on and up to the 13th of August. Ask for certificate when you secure your ticket and be sure and get them properly signed at the convention.

Two missionaries from Japan (Island boys) will be on the Island during convention time and we can doubtless secure one, and perhaps both, to give us a talk on practical mission work.

In electing delegates you should not elect your pastor as he is expected to attend with all other pastors, who are members without election. Elect your best men and women who will bring you some good reports back again so that you may be as much profited as the delegates

Add to your programme the name of Norman J. McDonald, who will deliver one of the addresses of welcome.

JUBILEE RATES.

Sir,—Are there to be reduced fares by rail and steamer in connection with the Queen's Jubilee celebration? Probably the advertisement of the rates will be left so late that many people in the country will never see it.

COUNTRY.

A SHIPPER'S MISTAKE.—We've just opened a handsome line of Frilled Muslin Curtains and Curtain Muslins, plain and fancy, white and colored, the very latest novelties. By mistake these were shipped too late so we'll clear them at 25 per cent. discount. **Moore and McLeod.**

A loyal Briton proposes in the London Mail a unique method of honoring the Queen. He would have the year divided into thirteen lunar months, twelve of them to bear the present names of the months, and the thirteenth to be called Victoria. The latter month would consist of twenty-nine days, and would take in the period from June 18th to July 16th.

Of Interest to Cyclists.

After a spin you get thirsty and tired. Put up your wheel in one of our bicycle stands and come in and have a glass of our delicious Soda Water. It's quite the style now for ladies, when asked to have a glass of Soda, to say, "yes," if you mean Johnson's.

HOW TO LOSE A CLOTHING REPUTATION

The customer who buys any or every merchant's clothing takes his reputation in his hand,

READYMADE CLOTHING

is a mighty easy thing to go wrong in if the dealer has little or nothing at stake.

The only proper way to buy readymade clothing is to get it of a merchant who has a reputation to lose if it proves to be shoddy. We have been in the clothing business for 16 years. In that time we think we may say we have built up a reputation for scrupulously fair dealing. Our reputation is our best asset.

It's this condition that makes the selling of Clothing just as risky to us as to you. We have fully as much if not more to lose if the clothing is bad. Suppose we sell; it goes to pieces or does not turn out as you expect; you immediately blame us, and smash goes the work of 16 years. We can't afford to take chances on the clothing we sell, neither can you or those you buy from.

We are selling Men's, Boys' and Children's Clothing this spring upon which we are willing to stake our past, present or future reputation.

Our goods are all guaranteed the best, our assortment is guaranteed the largest, our prices are guaranteed the lowest.

With our past reputation and a large assortment to choose from, what more do you want?
