My eyes shed many a tear
God alone knows how I miss her
As it dawns another year.

Describes Hardships In Salt Mine Of Siberia

"Capital punishment was rarely resorted to, you were going to die anyway," Dr. L. K. Zielinski, one of Canada's new citizens now residing in Kensington, told Rotarians at their luncheon meeting yesterday in speaking of his experience as a Polish prisoner of the Russians in the salt mines of Siberia.

Dr. Zielinski described the mobilization of his medical unit in Warsaw and the almost immediate evacuation to Lebus many miles away. "Seventeen days later we received the knife in the back from Russia, we were not prepared to face two enemies," the Doctor said. "We realized that our Nation had no chance, so I abandoned my army uniform and did medical work in the hospital." He described how while making a call on a wounded Polish officer to change a dressing, he was seized in the corridor and arrested, a victim of the NKWD of Russia. 47 persons were captured in the same apartment while on business.

Dr. Zielinski spent nine months a prisoner in Poland and two months in Russia. 32 persons existed in a room about 18 ft. square, sitting on the floor by day and taking turns to walk a little for exercise at night.

STARVATION RATION
"Until March 1940 the food was not a starvation ration but after that it rapidly became worse. Extract of dry fruits coloured hot water, and a little sugar added along with bread, was the diet. Barley soup with occasionally a little meat added, was the dinner

The B-A PLEDGE
WE AT B-A MAKE THIS PROMISE TO THE MOTORING PUBLIC. WE WILL NOT PERMIT A SINGLE COMPETITOR—NO, NOT A SINGLE ONE—TO OFFER GASOLINES SUPERIOR TO OUR B-A 88 AND 98. IT IS OUR SINCERE BELIEF THAT B-A 88 AND 98 ARE THE FINEST GASOLINES IN CANADA TODAY, AND, NO MATTER WHAT OTHERS DO OR SAY WE WILL KEEP THEM THE FINEST—IN POWER, IN PERFORMANCE, IN ENGINE PROTECTION. IT IS ALSO OUR BELIEF THAT YOU CAN'T BUY A BETTER MOTOR OIL THAN OUR OWN PEERLESS HEAVY DUTY MOTOR OIL. THIS IS NOT A BOAST, NOT A CLAIM. IT IS A PLEDGE TO YOU, THE CANADIAN MOTORIST—A PLEDGE BACKED BY THE RESOURCES—AND THE INTEGRITY—OF THE BRITISH AMERICAN OIL COMPANY LIMITED.

This spark plug was tested for thousands of miles in an engine using clean-burning B-A Gasolines. When they were removed they were dry and clean—free from harmful deposits left by ordinary "dirty-burning tail-end" gasolines. B-A has refined out these deposits to give you extra miles of full engine power with less engine wear. Next time—fill up with clean-burning B-A 88 or 98 Gasolines.
