## Halifax St. Mary's In 9-6 Victory Over Saint John Beavers Last Night

HALIFAX, Jan. 30—(CP)—Halifax St. Mary's built up a 5-1 lead in the first period tonight, then coasted to a 9-6 victory over Saint John Beavers to move nine points ahead of the third place New Brunswick club in the Maritime Senior Hockey League standings.

While it was a fast game, it was ragged with Saints apparently able to score as they pleased. Saints split a pair of goals in the second while Beavers held the edge in play. Outscored in the third 4-3, Saints seldom extended themselves and won with ease.

Fast skating Saints, with a good sheet of ice, outshot Beavers 46-35 and gave hard working Dennis Brodeur the Saint John goal, more than he could handle. Brodeur's work in the Beavers cage was more than adequate, but with the Saints parking on his doorstep most of the time, he was an overworked player.

George McGregor was flying all night. The Halifax centre set up Bill Ford for two goals and made the plays for another pair by Cy Thomas. Ford connected for three goals. Thomas scored twice and Hollett, Anderson, Campbell and Watson registered singles. Buck Whitlock, deadly as always, potted two goals for the Beavers with Platz, Nicolle, Jackson and Thaler scoring once.

Apart from the second period, when referees Goode and Elliott handed out five penalties, it was a mild game. Few heavy body checks were thrown with the players sticking to orthodox hockey most of the way.

Eddie D'Aoust, while not tested as frequently as Brodeur, was forced to come up with some brilliant saves. Hollett sent the Saints ahead early in the first period with Thaler tying it up shortly after. Anderson pulled the trigger for the second Halifax goal, and before the session ended three more had beaten Brodeur.

**Line-ups:**  
Saint John: Goal, Brodeur; defence, Bolan, Carnegie; centre, Whitlock; wings, T. Watson, Nicolle; subs, Blackburn, Heon, Thaler, Jackson, Jodoin, Brennan, Platz.

Halifax: Goal, D'Aoust; defence, Powers, Myketyan; centre, B. Watson; wings, Campbell, Hollett; subs, Grabowski, Brown, McInyre, Thomson, McGregor, Anderson, Ford, Black, Diguier, Sullivan, Hayes.

Officials: Goode, Elliott.

## La Motta Scorns Odds Favoring Ray Robinson

NEW YORK, Jan. 30—(AP)—Down to 160 pounds, Jake LaMotta snorted tonight at reported 3 to 1 odds favoring Sugar Ray Robinson for their Feb. 14 middleweight title bout at Chicago.

Nobody outside his cozy family circle in the Bronx knows how much LaMotta weighs. All you have is Jake's word "160, on or about" tossed over his shoulder with an implied "Believe it or not."

He is more positive about his chances of whipping Robinson, the welter king, in his sixth renewal of a series.

"I figure I beat him three times," he said after boxing four rounds at Bobby Gleason's gym. "I give him the two New York fights. He won them.

"This time, there will be no question about it. I'm going to try to make it decisive."

"He'll knock him out," said one of his enthusiastic followers. LaMotta confined himself to a wise smile.

Asked to compare the Robinson of their previous fights (1942-45) with the present day Robinson, Jake said, "He's just as good as always. Maybe slowed down a little bit. Just enough for me to catch him."

Hadn't LaMotta slowed down too? Jake admitted he had. "But I'm smarter and stronger," he added.

## Solly Cantor To Fight Pep

TORONTO, Jan. 30—(CP)—Solly Cantor, Toronto lightweight, today accepted an offer of a 10-round bout with the world featherweight champion, Willie Pep, at Buffalo Feb. 13. Jack Allen, Toronto matchmaker, said the offer came to Billy Haines, Cantor's manager, from Charlie Pinto of Buffalo. It is not known here whether Pep has accepted.

## Ross Rates Bill Ezinicki At Top

BOSTON, Jan. 30—(AP)—Art Ross, a rugged character himself when he played professional hockey, placed Bill Ezinicki of the Boston Bruins at the top of his list today.

Ross, now Bruins' general manager, said "I've seen courageous guys in this game but Ezinicki beats them all."

Ezinicki had a severely-broken nose set Monday. It was an injury he didn't know he had suffered in a stick-and-fist-swinging brawl last Thursday in Detroit with Detroit Red Wings' Ted Lindsay.

The nose fracture wasn't discovered until Monday when x-rays were taken.

be little use keeping Conway on our team.

Conway was a popular member of the Islanders when he played here, and many fans will be sorry to hear that the "Crusher" didn't make the grade on his first bid in to pro ranks, and will no doubt be wishing him success and luck in his future hockey activities.

## Aussie Tennis Fans Pessimistic

SYDNEY, Australia, Jan. 30—(AP)—Australia's tennis fans were drenched in gloom today and there were few who would predict that this country will retain the Davis Cup against the next American challenge 11 months from now.

The sudden ebb in Aussie spirits followed the surprise victory of Dick Savitt, the Orange, N. J. slugger, over Ken McGregor, the Australian cup team in the final of the national championships.

It wasn't just that Savitt defeated McGregor; it was the convincing manner in which the six-footer did it, by scores of 6-3, 2-6, 6-3, 6-1 on this country's No. 2 star. The previous day Savitt had turned back Frank Sedgman, Australia's No. 1, in a five-setter.

The Australian fans have watched the game of Savitt, 22, improve out of all recognition since he and Art Larsen, the American champion, hit the Australian tournament circuit three months ago.

## Chicago White Sox Sign Star

CHICAGO, Jan. 30—(AP)—Al Zarilla, former Boston Red Sox star who figures heavily in the Chicago White Sox' 1951 outfield plans, today signed a contract calling for a reported \$20,000, the club's largest player salary.

Zarilla, who finished fifth in the American League batting race last season with .325 for 130 games, came to the White Sox in the winter's biggest deal. Zarilla and pitcher Joe Dobson and Dick Littlefield were swapped by the Red Sox for Chicago pitchers Bill Wright and Ray Scarborough.

## Miners Too Aggressive For Apparent Leg Weary Islanders Hockey Club

Glace Bay Miners of the Cape Breton Major Hockey League made an impressive showing here last night when they came up with an aggressive brand of hockey to down Charlottetown Islanders by a score of 4-2 in an exhibition hockey contest.

Outclassing the Big Four League leaders in the opening period when they outscored them 2-0, Miners shot Islanders one for one in the two following sessions to pull off their victory by a two-goal margin.

Appearing to be a weary club from a long schedule of six games in nine days, the Islanders just never had the pep left to stave off a hard-skating Glace Bay team, and although they did rally at times with showings of the fighting spirit exhibited earlier in the season, stellar goal-tending by Woodall in the Miners cage, and close defensive tactics by the entire team, held the Islanders in check.

## Islanders Outplayed In First

Pressing the attack deep in the Islanders zone right from the opening whistle that bottled the Islanders up continually behind their own blueline, Leger banged home the first goal for Miners at 5:03 in a power attack around the Islanders cage with Biggs and Dalgleish, and just one minute and 49 seconds later, Holmes fired home their second marker on a smart two-way attack with Marshall from the opposing blueline in.

With intermittent breaks by Islanders, Glace Bay continued to hold a wide margin on the play, and except for some really hot net-minding by goalie Hal Gordon, might have run the score even higher, with the locals making their most determined bid in the closing minutes of the frame, but all to no avail.

## More Aggressive In Second

Showing more aggressiveness in the opening of the middle session, Islanders rallied to hammer in around the Miners cage and after a sustained power attack finally rang up their first tally at 5:58, Favero potting the goal on a passing play around the net with Trainer and Pawlyshyn. Play remained more even and resistant for the major part of the period with both teams having their scoring opportunities, only to have goalies Woodall and Gordon bar the door to any further scoring until the 15:44 mark, when Miners garnered their third tally. It was a tough goal on Gordon, too. Breaking away from a hammering attack by Islanders, Miners carried the play back deep into Islanders territory and after a couple of flurries around the net, Biggs flipped a high puck at Gordon, and after jugging it for a brief second, lost control of it, allowing the puck to drop right into the net. Mandrick got an assist on the play.

## Hold Edge In Opening Half

Driving back hard again at the start of the third session to hold the edge on play, Islanders made it plenty hot for Miners in the first ten minutes of play, but assisted by many shots going wide of the target, Woodall limited Islanders to one goal. Danny Horeck got the marker at the early 1:07 mark of the frame when he teamed up on a nice attack around the net with brother Johnny and Ba'gate. Danny banged home Johnny's rebound after Woodall had blocked a close-in shot by the latter, after Bathgate had set up the play.

The first ten minutes of the pe-
