Thrilling Finish

If we get a few more "rags to riches" endings in our hockey matches at Civic Stadium, someone is going to start shouting "fix!" Twice in a row we've watched that clock tick away the hopes of Summerside fans, and, presto, in a few dazzling seconds the bitter dregs of defeat changed into the sparkling champagne of Victory. We've seen larger crowds at Civic Stadium than on Saturday afternoon, but we never heard a more deafening roar of applause and jubilation than when Paul MacWilliams scored that tie-breaking goal in overtime. If Charlie Hogan could guarantee that kind of ending, he could triple his prices and there wouldn't be a squeak.

MacWilliams goal was the climactic counter, but did not end the scoring as there was a flurry of three goals in the last 34 seconds of play. Scanger enough all the result of clever dekes in front of the cages. Dave Martin and Willie Gallant were the disk jockeys who engineered the two first by Summerside. Man for man, the Moncton team didn't have the skating ability nor the general all-round manoeuverability of our boys, but their combination, we think, was superior

Combines Meeting Hawks

Tonight Combines play their first game of a home and home series with Flying Hawks at Civic Stadium. Tuesday and Wednesday nights, we may have the Sydney or Halifax Juniors as visitors, and if Combines can weather the series with the Hawks, there is a possibility they'll be playing a mainland Intermediate "A" champion at Civic Stadium on Thursday night. If all this should happen to work out, this week in Summerside will be a sort of hockey "old home week."

RCAF Teams Decision

We were a bit surprised to hear that the RCAF Eagles had defaulted their game with Johnny's Hawks. The RCAF has produced some top notch teams, and some not-so-good teams since they've been playing softball and hockey with Island aggregations, but regardless of their ability, they have always shown a spirit of good sportsmanship and we have heard more than one Summerside fan remark on the quality of the boys from the airforce. So there must be a very good reason (which we have not heard of) for the default to Charlottetown. It is surely not "cricket" to default a game that will give an advantage to one team against another, and although we're not too familiar with MAHA regulations, we'll be surprised if there is not some stipulation that exacts a penalty for such action.

In the NHL and in the major baseball and football leagues, teams which have nothing to gain by a victory take special pride in their role of spoiler, and would be highly incensed if anyone accused them of not giving their best because victory was not important to them. The Combines had a tough struggle and lost a goaler who suffered a broken leg to achieve their victory over the Eagles. It seems less than fair that the Hawks should be handed their "victory" on a platter. Let's hope there is a valid reason which clears the Airforce team of all censure.

CONFEDERATION 'SPIEL' WINNERS

Shown above is the winning rink in the final days curling in the Confederation 'Spiel' on Saturday. Left to right are Andy Humphrey, skip; Cliff Campbell, mate; Bruce MacLennan second; and Clarence MacInnis, lead. The runner up rink was composed of Clarence Hebert, Tarky Whitlock, Mike Bourque and Fred Henderson.

Ernie Boushy Foursome Captures Curling Ch'ship

By ALLAN BAILEY

TORONTO (CP)—A Winnipeg rink skipped by Ernie Boushy swept its way to the first national mixed curling championship here Saturday and the O'Keefe Cup.

The Manitoba foursome downed Alberta 9-3 in the final round to finish with nine victories and one upset.

Gil LeMoel and his Trail, B.C., entry was second with seven wins and three losses. The Bill Tracy rink from RCAF Station, Bagotville, Que., and Northern Ontario, represented by the Wilf Biron quartet from Sudbury, tied for third each with six triumphs and four defeats.

Ontario, represented by the Mac Mallie rink from Belleville, and the Dean Miller crew from Weyburn, Sask., ended in a deadlock for fourth spot in the final standings with 5-5 records.

Newfoundland, Prince Edward Island and Alberta each had four wins and six defeats;

New Brunswick scored three victories and seven losses and Nova Scotia wound up at the bottom of the heap with two wins and eight defeats.

HAD LITTLE TROUBLE

Boushy and his championship rink of Mrs. Ina Light, third; Gary De Blonde, second; and Mrs. Bea McKenzie, lead, had little trouble in handing the Glen Gray Edmonton rink in their 11th round clash.

A Manitoba victory over New Brunswick in the 10th round Saturday morning and a British Columbia loss to Ontario in the final draw cinched the title for the Winnipeg rink.

The Ontario rink started to click too late, coming up with two of its best games in Saturday's closing draws.

White downed Gray of Alberta 12-9 in the 10th draw, then went on to edge LeMoel of British Columbia 8-7 in the final round.

Bill Allen and his St. John's, Nfld., squad scored three triple-enders in the first, fifth and eighth frames as it scored an 11-7 triumph over the Prince Edward Island foursome skipped by Cliff (Jiggs) Macdonald of Charlottetown.

WALLOP MONCTON CREW

Karl Stronach and his Kingston, N.S., rink won its second game of the tournament walloping the Irving Mitton foursome from Moncton, 14-5.

Biron upset the Tracy crew 12-8 to gain the third-place tie with Quebec.

Boushy, who commented halfway through the bonspiel that "good women curlers" were the difference between winning and losing, hit the nail on the head.

Mrs. McKenzie and Mrs. Light pulled off good shots consistently for the Winnipeg rink.

Officials of the Dominion Curling Association and the Canadian Ladies Curling Association will meet with the sponsor before April 1 to decide the date and place of next year's national mixed championship.

However, it is known that the event will go west next year and the most logical places mentioned were Winnipeg and Calgary.

Canadiens Edge New York; Chicago Shades Boston

NEW YORK (AP)—Old pros Bernie Geoffrion and Jean Beliveau came through with the clutch goals as Montreal Canadiens clinched the National Hockey League regular-season championship Sunday night with a 2-1 victory over New York Rangers.

The triumph gave the Canadiens 85 points, assuring them first place ahead of Chicago Black Hawks.

By holding Rangers to one goal, Charlie Hodge won the Vezina Trophy, edging Glenn Hall of Chicago, beaten three times by Boston.

Hodge and Hall had gone into the Sunday night games tied in the Vezina Trophy competition. Montreal and Chicago had each given up 166 goals to opposition marksmen during the season. The Vezina goes to the regular goaltender of the team with the lowest goals-against total at the end of the season.

Along with the trophy goes $1,000 from the NHL.

Geoffrion's goal, his 21st of the season and 371st of his career, broke a 1-1 tie early in the final period. Beliveau had put the Canadiens ahead midway in the first period with his 28th goal, the 338th of his career.

Hodge had 17 saves compared with 38 for Ranger goalie Jacques Plante.

Bob Nevin scored the only Ranger goal midway through the second period on a point-blank shot. Nevin's goal, his 12th, ended Hodge's scoreless streak of 100 minutes and 41 seconds against the Rangers over three games.

The Canadiens will open the best-of-seven series of the Stanley Cup playoffs against the third-place Toronto Maple Leafs Thursday in Montreal.

Beliveau's first-period goal put the Canadiens ahead at 10:50. With New York's Ron Ingram in the penalty box, Beliveau jammed Bernie (Boom Boom) Geoffrion's rebound past Plante who was sprawled about six feet in front of the net.

Beliveau had started the play by getting a face-off in the left circle from Phil Goyette. He got the puck back to Jacques Laperriere and the rookie defenceman slid it across to Geoffrion who peppered Plante with a 50-foot slap shot.

In the second period, the Rangers had a manpower advantage when Nevin scored at 7:46 with Laperriere and Ranger defenceman Mike McMahon had been sent off at 7:56 with majors for fighting. Then Montreal's defenceman Roberts went off at 8:55.

CHICAGO 4, BOSTON 3

BOSTON (AP) — Chicago Black Hawks got big goals from Ab McDonald and Eric Nesterenko in a 4-3 victory Sunday night over Boston Bruins, but again failed to attain that elusive first place finish of the National Hockey League by a single point.

The Black Hawks, who never have finished first in the regular-season race, were topped this year by Montreal, who defeated New York 2-1.

Boston defenceman Doug Mohns' two goals also cost Chicago goalie Glenn Hall a share of the Vezina Trophy with Canadiens' Charlie Hodge.

The Hawks thus drew fourth-place Detroit as their opening-round opponents in the Stanley Cup playoffs.

Chicago appeared to be pressing and was locked in a 2-2 tie with the last-place Bruins when McDonald clicked on a screened 30-footer in the final period. Two minutes later Nesterenko clinched matters.

MOST POINTS IN HISTORY

The Black Hawks' powerhouse registered the most victories—36—and most points—83—in Chicago's NHL history. Yet, the Hawks failed to finish on top.

Action Against Royals

WINDSOR, N.S. (CP) — The Charlottetown Royals have been suspended indefinitely from the Maritime Amateur Hockey Association after the Windsor Maple Leafs are the Maritime Hockey Champions.

Edgar Peterson, president of the MAHA, made the decision Saturday night after the Royals showed up here with only four regular players for the third game of their best-of-seven finals with the Leafs. The Royals were trounced 23-0.

In a telephone interview from his home in Dalhousie, N.B., Sunday night, Mr. Peterson said further action will be taken against the Royals, Prince Edward Island senior winners, after an investigation by the MAHA executive.

He said the Royals, by showing up with a short-handed team, "did not meet their obligation to Windsor, the MAHA or to hockey in general.

"They are just making a farce of hockey and we can't stand for that. If things like that occured every year we would be in a sorry state."

The powerful Windsor club, Nova Scotia senior league champions, won the first two games in Charlottetown 16-1 and 11-3.

Saturday night the Leafs showed no mercy. They scored seven goals in the first period, four in the middle frame, and banged in an even dozen in the third.

Leafs Netminder Receives Injury

By TOM WILLIAMS

TORONTO (CP) — Fourteen-thousand people roared and cheered in the stands above, while a quiet little drama unfolded in a Maple Leaf Gardens corridor Saturday night.

Johnny Bower Jr., a pint-sized youngster with a round face and black, crew-cut hair, stood in a doorway, nervously awaiting word about his father, John Bower, Sr. The Toronto Maple Leafs goaltender had left the ice in the second period of a National Hockey League game against Detroit Red Wings, blood flowing from a gash in his face.

Two ushers and another man stood with the boy, trying to reassure him. It was the third period now and the youngster kept his eyes fixed on the doorway across the corridor, leading to the Toronto dressing room.

Then his face lit up. His father appeared in the doorway, an angry bloody cut, closed with surgical stitches, on his right cheek.

"Hi, Johnny," said Bower.

"You okay, Dad?" asked the boy, relieved.

"Sure, son."

The youngster took another close look at his Dad, then heeded the call of a friend and returned to watch the completion of the game, won by Toronto 5-3.

"His stick caught me when he tried to hook away the puck," said the elder Bower, explaining how he suffered the cut in an incident involving Wings rookie Paul Henderson with about seven minutes remaining in the second period.

Henderson drove in on the goaltender as Bower dived out of his crease to clear a rebound. Bower knocked the puck away a split second before Henderson's stick accidentally ripped his cheek.

SDHS Hockey Squad Takes Clinching Tilt

St. Dunstans High School hockey team captured their Interscholastic Senior "A" semi-final series with Montague High by virtue of 3-1 verdict over the Montague lads in the third game of best of three series. The tilt was played in the Montague rink on Saturday night.

The game was extremely fast and featured slick passing and a fast breaking style of hockey. The share of play was very evenly divided and as the game progressed it turned out to be more and more a goaltenders duel; with Carl McQuaid guarding Saints cage and Herring in the net for the Stan Peardon coached team which had concluded the regular season in the top slot in the four team loop.

The St. Dunstan's team drew first blood in the first half of the opening stanza when the starry centre found the range from about ten feet in front of the Montague net. MacDonald's marker stood up for the rest of the period as his teammates fought furiously to protect their slim one goal lead.

The Montague pucksters got the jump on the defending champion St. Dunstan's squad at the eight minute mark of the second stanza. Brent Campbell beat goaler McQuaid to put the Montague boys on even footing with the Charlottetown team.

Cecil MacDonald stole the show from the hard St. Dunstan's boys as he scored the winning goal in the opening minutes of the final stanza as he banged one in from point blank range to allow the Saints to

CECIL MacDONALD

snort a one goal lead in this crucial contest.

MacDonald wasn't ready to call it a night yet though and in the second half of third stanza he stole the puck and broke in over opposing blueline and slapped the rolling puck high into the upper corner past goaler Herring; to put the icing on the cake for the St. Dunstans boys.

The Saints will now meet the winner of the Prince of Wales and Summerside High series, in the Island Interschoolastic Senior "A" finals.

Referees for Saturday nights game were Dick Tingley and Grant Crockett.

Toronto Topples Red Wings 4-1

DETROIT (CP — Toronto Maple Leafs, already assured of third place in the National Hockey League standings, added a little sauce to their pudding here Sunday with a convincing 4-1 victory over fourth-place Detroit Red Wings.

Frank Mahovlich scored goals 25 and 26 as the Leafs ended the season, winning the home-and-home series with the Red Wings who had threatened to move into third place.

Dave Keon connected for his 23rd and defenceman Bob Baun his 4th.

It was a meaningless game for both teams after Toronto clinched third place with Saturday's 5-3 victory at home to move five points ahead of the Wings.

SUMMARY

First period—1. Toronto, Mahovlich 25 (Kelly, Armstrong) 5:21; 2. Detroit, Smith 18 (Ullman, MacDonald) 10:12. **Penalties**—Shack, Gadsby 1:53, Hillman, Howe 6:57, Stewart 8:25, Hillman 15:23.

Legionaires Nip Moncton In Thriller At Citadel

A story-book finish, the second in as many games at Civic Stadium, snatched victory from defeat for the Junior Legionaires of Summerside Saturday afternoon, and they triumphed over Moncton Geldart Juniors 7-5 in overtime, winning the N.B. — P.E.I. Junior Championship in two straight games. Summerside won the first game in Moncton by the same score.

In Saturday's game, the score was 4-3 for Moncton with one minute and 21 seconds left in the final period. The fans had about given up hope when George Dalton poked the puck into the Moncton cage in a scrimmage in front of the net. After six minutes of play in the overtime, Paul MacWilliams, taking a pass from Dalton, brought the crowd of about 1,000 fans to their feet by scoring what looked like the winning goal. But three counters were scored in the final minute of play, two by Summerside and all three were the result of clever deception plays in front of the nets. Dave Martin and Willie Gallant were the decoy artists.

Melanson fired a badly screened shot past Sonier to open the scoring after five minutes of the first period, and Dave Martin, set-up by Wayne Trainor, flipped the water into the cage four minutes later. Moncton's Greg Crossman was awarded a penalty shot with three minutes left, but he failed to fool Joe Sonier who played a standout game in the Summerside net.

It took Summerside only 53 seconds to take the lead in the second period, Willie Gallant firing a blazing shot into the upper left corner.

DON CAMPBELL

The Legionnaires made it 3-1 on a solo effort by Alan Gaudet at 13.10, and the home team nursed their two-goal lead till the final two minutes of the period when Moncton scored two quick ones, tying the game at 3-all.

Moncton went ahead on MacPherson's screen shot at 1.25 of the final frame and the goal stood up till Dalton's tally at 18.39.

Gerry Smith received a bruised hip when he hit the goal post in the second period but later returned to finish the game.

Judson of Moncton was referee-in-chief, Red Gravelle and Glen Matthews, the linesmen.

The Maritime champions in a series between the Legionaires and Sydney Juniors, a best of five affair, will begin at Civic Stadium, March 30.
