YMCA Swimmers Set New Records

The Charlottetown YMCA held their annual swimming championships at the local pool Saturday afternoon and members of the YMCA also gave an excellent synchronized swimming display. Thirty new event pool records were shattered and two new pool records were established by Jamie George and Kerry Webb.

Webb and Jim Evans tied for the boy's high point aggregate while the top female swimmer was Olenka Gorazdowska. Lloyd copped the final honor of the day as he was named as the top diver in attendance at the competition.

The synchronized swimming team went through their routine midway through the championships and this was made more interesting by the fact that members of this squad will represent the island at the First Canadian Winter games to be held in Quebec City this coming winter. Janice Cox, Libby Cox, Maura Doyle, Suzanne Hughes, Beverly Kelly, Jane MacLennan, Honey Rankin, Betsy Smallwood and Marilyn Cox all took part in the display.

Officials for the meet included Mrs. C. Hodge, Miss Karen Jamieson, Dave Mills, John Evans, Mike Coady, Don Norton, Wayne Schlyer, Delmar Newman and Gretchen Walters.

In charge of the presentation of prizes were Mrs. Bruce MacLennan, Mrs. Reg Webb and Mrs. John Evans.

One thing about your daily newspaper...

you can take your own sweet time reading it

You can pick it up when you want to. Put it down. Go back to it in your own sweet time. No one ever stops you in the middle of a sentence to make you read an ad. You can take the ads or leave them alone. But you prefer to take them. We know that.

A survey of 42,000 homes from coast to coast revealed that 93% and 94% of the people in the middle and upper income groups respectively prefer daily newspaper advertising to other types of advertising.

Another survey validated by the Canadian Advertising Research Foundation showed why: they find newspaper advertising more reliable (41%), and less irritating (92%). In fact, they use their paper as a daily shopping guide (83%).

So you might be led to assume that newspaper advertising has a greater influence on Canadian buying habits than other advertising. You'd be bang right.

Most advertisers, of course, are well aware of the tremendous buying influence newspaper ads have. Which is why they continue to run ads. And why you continue to read them. Even though you take your own sweet time about it.
