R.C.A.F. Station Has 102 Donors

The Red Cross blood donor clinics held at the Trace Advancement Building, R.C.A.F. Station, Summerside, yesterday resulted in the registration of 102 donors. While this was considerably less than the objective it was gratifying in view of the fact that there had been a clinic on the Station just three months ago, as well as for several other reasons.

Great credit for the measure of success attained was due to P.L.T. S. Scott and LAV Alcorn who organized and made all the preliminary arrangements for the clinics as well as to all those who were donors or assisted in any way.

Crapaud Has 74 Blood Donors

There was a good response to the appeal for donors at Crapaud's "first" Red Cross blood donor clinic held last evening when 74 donors came forward and the 49 who reported for the first time found out how easy it is to make a blood donation and help to restore a patient to good health or perhaps save his life. 33 of the donors at this clinic were from Crapaud itself while the remaining 41 were from the following districts in the surrounding area, Victoria, Cape Traverse, Tryon, Lady Fane, North Tryon, Westmoreland, Augustine Cove, Thistle and Shamock, Rose Valley, Bonshaw, Kensington, and Mr. Tryon. The Women's Institute of Crapaud sponsored this clinic and provided the refreshments for the donors and the workers to assist the Red Cross Mobile Team.
