

Local and Other Items.

Good news comes from all parts of the country.

The Princess Louise, it is understood, will return to Canada in June.

The carcass of Messrs. McLeod and Blake is prospering most favorably.

Room Paper, of cheap and best in the city, at the Diamond Bookstore.

The barque "J. W. Williams" arrived at Halifax from Boston on the 3rd inst.

The Oppositionists hold the two Bowers. But they will be crushed, nevertheless!

The Monctonians enjoyed a pleasant evening's skating in Columbian Park, on the 1st inst.

The Rev. G. W. Hodgson left town yesterday, en route to Nova Scotia, where he intends to stay for about two weeks.

NAPOLÉON scaled the Alps before he was twenty-nine, and Mr. Peter McCourt "jumped the fence" before he was thirty-two.

The Canvassing Committee on behalf of McLeod and Blake met to night, at 8 o'clock, at the Liberal-Conservative Committee Rooms.

CRICKET.—We hear that the members of the Crescent Cricket Club intend to meet tomorrow afternoon, at three o'clock, at the Park Club house, to organize for the present season.

GENTLEMEN having special votes in Georgetown for Gordon and McDonald should be careful to put down in the schedules Mr. McDonald's full name—ARCHIBALD J. McDONALD.

We hear that some of the members of St. Peter's Church are making preparations for a Grand Concert, to take place in the Market Hall about the 1st of June. The best musical talent in town are promising to perform.

The Rev. Dr. Edward Sullivan, of Montreal, has been elected Bishop of Algoma by the Canadian Provincial Synod of the Church of England. The Rev. Dr. was a candidate for the Bishopric of Toronto a short time ago. The appointment is a fitting and popular one.

We hear a grand military concert, under the patronage of His Honor the Lieut. Governor, Col. the Hon. J. H. Gray, C. M. G., The Brigade Major, Capt. Maxwell and the officers of H. M. Survey, is to be given in the Market Hall, on the Queen's Birthday, under the directorship of M. S. N. Earle.

OMISSIS N.—In our notice of St. Vincent de Paul entertainment, yesterday, we omitted to mention the name of Miss Marion Crabbe, whose clever rendition of "Take me back a child again" was so well received by the audience. Miss Crabbe is a sweet singer, and with a little training will rank among our best vocalists.

MR. SAM J. AUSTIN, of the firm of McFarlane, Austin & Robertson, wholesale stationers and paper dealers, Montreal, is in the city. Mr. Austin has been the faithful representative of Alex. Bannin & Co., for a number of years, but is now a member of the above firm. He is at present making his usual tour of the Maritime Provinces. We wish the new firm success.

It is pleasing to see the editor of the Journal has faith in THE EXAMINER. He says:—"Supposing that THE EXAMINER's statement to that effect was correct, we have stated that John McLean (Gov.) and James R. McLean (Opp.) were elected in the First District of King's, by acclamation, on Nomination Day." THE EXAMINER is, of course, correct; and the Journal might just as well have given THE EXAMINER credit in the usual way.

MR. MANVILLE, who has been disposing of Manitoba lots in this city, leaves for St. John, this evening. The sale, which has been so well conducted by him, has been successful beyond expectation. Up to last night eighty lots were disposed of at fair prices. Mr. Manville is an energetic man of business, and throws his whole energy into the business he has at present in hand. His visit to the city gives us a glimpse of the lively manner in which land sales are carried on in new countries.

We are reliably informed that Col. Beer's Lieut. in Lot 43, who is supposed to be canvassing for Beer and McDonald, is using his influence to persuade the electors to plump Beer, thus throwing dust in McDonald's eyes. Electors of Pisiquid, Scotch Fort and Mount Stewart, don't be fooled by this petty officer's mean little game. This, by the way, is the same officer who was at one time offered \$1,000 for his vote and "influence"—which influence was sufficient to secure 7 votes for Bambrick.

CAPTAIN YATES, of the barque "Cardenas," at New York, from Gaboon River, Africa, reports that in the latter part of March the pirates of Pangways and Bakallas captured and plundered a French cutter. The Colonial Government at Gaboon sent a force to recapture the cutter and have the pirates delivered to them. An action took place in which a French surgeon was killed and three French soldiers wounded. The town of Virgining, on the island of that name, in the River Congo, was destroyed. Trade with the river emptying into Gaboon was entirely suspended.

The editor of the King's County Advertiser is a candidate for Legislative honors. He is a young man and he appeals to his constituents thus:—"The greatest triumphs of history have been won by young men. Alexander won the Empire of the world before he was 32 at Arbelia. Napoleon scaled the Alps and poured his troops on the plains of Lombardy before he was 29 years old. Patrick Henry stirred up the Virginians to revolt by his eloquence before he was thirty. Edmund Burke and William Pitt held the English Commons spell bound by their oratory before either of them were twenty-eight." and Peter McCourt.

ONE of the keenest pieces of sarcasm which has appeared during the present campaign, appears in the Georgetown Advertiser. Here it is:—"Mr. Bowers is a man of fine intellect and of a kind and sunny disposition. He is one who has raised himself in spite of all insurmountable difficulties by his indomitable energy and pluck combined with an astute knowledge of the character of his countrymen to the foremost rank among the literary men of our Island. In his capacity as an editor he has won the respect of all, by his fair and impartial conduct. In his newspaper he has shown that he has thoroughly grasped and understood the great questions that now agitate the public. His READY ADDRESS and PLEASING MANNER, even under adverse circumstances, will always be likely to meet with warm and enlightened approval by the councils of our country."
