NEWS FROM BISLEY CAMP.

The Canadian Team.

BISLEY, July 17.

The more important matches in which Canadians are eligible to compete have yet to be fired. A match was fired yesterday for a series of prizes given by Major Palliser for competition among members of the Canadian team. The match was fired at the Queen's ranges, and an interesting feature of it was that it was fired with the new magazine rifles with which the regular army is now armed. This was the first experience of the Canadians with the new weapon, and in spite of the fact that there is a radical difference between the sighting and grip of the new rifle and those of the Snider and Martini-Henri, some very good scores were made. The first prize was won by Staff-Sergt. Simpson of the 12th York Battalion, second prize by Sergt. Morris, 13th Battalion, Hamilton, and the third by Staff-Sergt. Bilston of the 20th. The following have been selected as the eight to represent Canada in the match for the Kolapore Cup: Lieut. Mitchell, 12th; Staff-Sergt. McAdam, Victoria Rifles; Sergt. Windatt, Royal Grenadiers; Sergt. Morris, 13th; Staff-Sergt. Mitchell, 12th; Staff-Sergt. Simpson, 12th; Staff-Sergt. Armstrong, G. G. F. G.; Staff-Sergt. Ogg, Welland Field Battery.

The Star

THE BEAUTIFUL STAR

Has vindicated her right to be called Beautiful from the universal admiration of our patrons for the Beautiful in Art. This is evidenced by the good taste they display in patronizing the Star Tailoring Establishment when they want something particularly nice and artistic. Our success in filling the bill has passed into a proverb, namely, when you fail to get suited at the Star Tailoring Establishment you are too fastidious for this yere world.
