

# Yankees Recover And Score 6-2 Win Over Giants To Tie Series

By Gayle Talbot

NEW YORK, Oct. 8 (AP)—Revived by a day of rest, the Yankees came back behind Allie Reynolds' fine pitching today to batter the Giants 6-2 and tie the World Series up at two victories apiece.

Reynolds, knocked from the box in the opener, was a different pitcher today. He limited the National League to eight hits, three of them doubles by captain Alvin Dark, and was in charge all the way.

Joe DiMaggio, the aging clipper, snapped out of his series slump to hammer a mighty two-run homer into the second deck at the Polo Grounds, hastening the demise of Sal Maglie, Giants' 23-game winner and giving the crowd of 49,010 its biggest thrill of the one-sided exhibition.

Only once did Reynolds give Bomber fans a few fleeting moments of worry. That was in the ninth chapter when he permitted the first two Giants to reach base and Bobby Thomson singled one of them across with only one away.

That brought up youthful Willie Mays, the Giants' Negro center-fielder, who previously had rapped into two double plays to stifle potential rallies. Willie did it again, and the game was over. Four twin killings ripped off by the Yank infield tied the World Series record.

Maglie, whom Leo Durocher had figured to handuff the American League and shoot his club into an unbeatable 3-1 lead, didn't have his usual mastery and departed for a pinchhitter after the Yanks had taken a 4-1 advantage on DiMaggio's blow in the fifth. Sheldon Jones was the victim of two more unearned tallies in the three innings he worked. Monte Kennedy held the winners tightly in check in the ninth.

But, yesterday's long-day rain which made the outfield a marsh, Casey Stengel would have been forced to go today with Tom Morgan, a rookie, instead of Reynolds, one of his top aces.

ing on their home soil.

It was plain from the very start today that Maglie, with an unaccustomed four days rest since the playoff with Brooklyn, was not at his best.

When the Yanks got a run across in the second inning to the count at 1-1 and then forged ahead with another in the fourth by rapping two singles around a walk, it was obvious that the Giants were in trouble. By that time Reynolds had settled down from an uncertain first frame and was spinning magic.

The Giants had chalked up one in the opener on the first of Dark's three straight doubles and took a 2-1 lead in the series.

The Yankees played like school boys and were helpless against Giant pitcher Jim Hearn until the big right hander ran out of gas in the eighth inning when he lost his control. But the Yanks handed the Giants the fifth on a silver platter in the game.

## Saturday's Game

In Saturday's thrilling third game, the Giants scored five unearned runs in a big fifth inning and defeated the Yankees 6-2 to take a 2-1 lead in the series.

The Yankees played like school boys and were helpless against Giant pitcher Jim Hearn until the big right hander ran out of gas in the eighth inning when he lost his control. But the Yanks handed the Giants the fifth on a silver platter in the game.

They crumbled in the fifth after errors by Phil Rizzuto and Yogi Berra gave the Giants two runs and Raschi threw a three-run homer to Whitey Lockman. But he should have been out of the inning without a score.

So it didn't mean much when the Yankees finally got Hearn out of there in the eighth, capitalizing on the wisdom of a Giant right hander, or when Gene Woodling tagged Giant relief pitcher Sheldon Jones for a home run in the ninth.

## Game, Races Cancelled

Both the horse races and the football game between the Intermediate Saints and the R. A. F. from Summerside were postponed yesterday on account of rain. The races will definitely be held on Wednesday afternoon and the football match to be played on the same day.

## Scoreless Tie At Sackville Rugby Games

SACKVILLE, N. B., Oct. 8 (CP)—Scoreless ties featured both games of an exhibition rugby program here today which saw teams from Charlottetown take on two Sackville squads.

Prince of Wales College and Mt. Allison Varsity Juniors deadlocked in one game and Charlottetown Abbies fought the Varsity Seniors, defending Maritime intercollegiate champions, to a scoreless draw.

The teams played on a rain-soaked gridiron which made ball handling difficult and play ragged.

Two injuries resulted from the Abbies-Varsity tilt.

Flanagan of Abbies was feared to have suffered a fractured collar bone and Bill Clark of Varsity team received hospital treatment for a slight concussion.

## Large Entry List For Hun Trials Here Today

Advance entries for the Charlottetown Hun Trials are very satisfactory according to a report received from Mrs. W.M. Brahaut, Field Trial secretary. Indications of a large local entry are better than ever and several Nova Scotia and New Brunswick dog owners have applied for entry forms. A number of dogs have already arrived and everything points to the largest and most successful trials ever held by the local Kennel Club.

Entry forms are available from Mrs. Brahaut and all entrants are asked to attend the trial meeting at Wallace Rodds, Highfield Court, Tuesday evening. Dr. Errol Notting and Dr. George Fisher will examine the dogs before the trials and all entries should be on hand promptly on Wednesday morning. The program of events is as follows:

## Field Trials Courses Are Announced

Dr. Gil Houston, Field Marshal of the Charlottetown Hun Trials, has made his selection of the courses to be used in the trials which will be run in the Winsloe-Harrington Districts this Wednesday and Thursday. Assisted by Mr. Graham Rogers, who will supervise the placing of road in direction and course identification signs, Dr. Houston made a final survey yesterday. He received several good reports of birds in the course areas.

Following the veterinary examination at seven o'clock Wednesday morning at Highfield Court, the Puppy Stake will start at course on the Winsloe Road, just north of the C. N. R. crossing on the farm of Mr. Otto Campbell. From there the route of the trials will run north on this road to South Winsloe School, then east on the cross road opposite the school, to the Brackley Road.

## Sudden Death Junior Game Seen Possible

The Junior baseball Abbies and the Springhill Tankers may meet next Saturday in Springhill in a sudden-death game for the Maritime Junior baseball championship. It was learned last night from Major Danny McCormack.

This is far from definite, Danny stated, but Springhill said they will not return here for a game. The Tankers came over for a game yesterday but on account of the rain the game had to be called off for the second day in a row. Some of the Tankers came over Sunday night and the rest of the team followed yesterday. The Abbies were in the field for a game yesterday but on account of the rain the game had to be called off for the second day in a row. Some of the Tankers came over Sunday night and the rest of the team followed yesterday.

Both clubs are faced with financial difficulties and Springhill is in favor of a sudden death game. Originally a best two out of three series was planned with the first game to be played in Charlottetown Sunday and the remaining two games in Springhill on Monday if necessary. The weatherman went to the mound, however, and shut out both teams.

## S'ide Team Wins Soccer Game

SYDNEY, Oct. 8 — Summer-side R. C. A. F. a team made up mainly of Old Country players and with several ex-professionals in their ranks, Saturday defeated Broadway Ramblers 3-0 in the first game of a home and home round leading to the Maritime soccer finals.

Ramblers last week defeated Fairly Aviation of Dartmouth 7-1 on the round to take the Nova Scotia crown.

Winners of the Broadway-Summerside series will meet Moncton next Saturday.

## Six Players Get Halifax Contracts

MONTREAL, Oct. 8 (CP)—"Tomorrow night will tell the tale," Coach Wilf Fields of Halifax St. Mary's said tonight, reviewing his team's setup.

The former United States hockey coach said he had offered contracts to six players so far.

Of 24 hopefuls who showed up for practice today, Fields said he planned to keep 16. In addition, he said, Buffalo Bisons of the American Hockey League are expected to release two more players to St. Mary's following their exhibition game against Montreal Canadiens of the National loop tomorrow night.

Fields said the roster of the Maritime major club was "shaped up, except for two or three spots."

In the nets, he expects to use Larry Frchette, last year with the Bisons. Frchette is one of three goalies who tried out for a berth on the Halifax club.

Those offered contracts were Doug Lewis, an American League left-winger, Billy Watson, held-over centerman from last season's Halifax club, Pete Leswick, A.H.L. right-winger, Les Keating,

## "Buck" Whitlock Comes To Islanders In Trade With Moncton Hawks

Roy "Buck" Whitlock, the leading scorer in the Maritime Major Hockey League last year will be shooting goals for his hometown team this season as the result of a player trade over the week-end between the Charlottetown Islanders and the Moncton Hawks.

Islanders gave up three players in exchange for Whitlock and a large sum of money. Traded from the Islanders to Moncton were centerman Laurie Peterson, defenceman Morris Lallo and forward Danny Horeck.

Negotiations for the deal between the two clubs were under way for several days. The trade was finally agreed to on Sunday evening when the Hawks agreed to pay the cash that Islanders coach Leo Lamoureux demanded.

"Buck" Whitlock was elated with the trade which brings him to Islanders. Peterson, Lallo and Horeck, who have been practising with the Islanders, will leave for Moncton today.

The deal completes a happy cycle in the hockey career of Whitlock. "Buck" was a pre-war star here with the Junior Royals and early evidence of goal scoring ability was given one night when he made the red light flash thirteen times in a play-off game.

Early in the war he enlisted in the Navy and saw extensive service. The highlight of his naval career was the survival of a Nazi submarine attack in which his ship was sunk and many of his fellow crew men lost.

Following the war "Buck" along with "Bucko" Trainer and Mousie Dowling joined the Moncton Hawks in the Big Four League.

He stayed with the Hawks three years and in the 1947-48 season he was the league's leading scorer.

In 1949 he was sold to Saint John Beavers and in the two years he played with the Saint John club he easily led the league in scoring. Last year he put together 57 goals and 69 assists for a total of 126 points, the greatest total ever assembled by one player in the Big Four League. He was also the all-star centerman.

This year he expressed his wishes against returning to the Beavers and asked the M.M.H.L. to aid him in seeking his release from that club. About two weeks ago he was sold to the Hawks.

Laurie Peterson, all-star centerman in the Cape Breton League last year, came to the Islanders about a week and a half ago. Last season he played with the North Sydney Victorias and scored a total of 40 goals and 42 assists for 82 points. He was second highest scorer in the C. B. H. L.

Danny Horeck played right wing on a line with brother Johnny and "Hub" Beaudry for the Islanders last year and picked up 66 points on 34 goals and 32 assists. He was anxious to join brother Johnny in Moncton this season.

Morris "Moose" Lallo was another new player in the Islanders camp this year. Lallo was a former professional in the Pacific Coast League and last season coached Hollinger in the Northern Ontario Hockey Association. He weighs a few pounds over the 200 mark and is a good rushing defenseman.

## Large Crowd Watch Garnet And Gold Game

Leo Lamoureux' Gold coached team led by sharpshooting Johnny Morrow hung a 4-1 defeat on the Bill Brown coached Garnet six in an Islanders inter-squad game at the Forum last night. The game was viewed by more than 2,000 fans.

Morrow fired three goals in the second period for a hat-trick performance. "Red" Favaro scored the only goal of the first period and Charlie Knox saved the Garnet team from getting a whitewashing when he tipped "Buck" Whitlock's pass into the cage.

"Buck" Whitlock made his first appearance here as a member of the Islanders and received a great ovation when introduced to the crowd. He played on a line with Charlie Knox and Gordie Simpson and picked up an assist.

The game was cleanly played and very fast in spots.

The best hockey was played in the third period with the boys turning on the steam midway through the session. As a unit the Marshall, Bonhomme and Bellinger line looked the best and Larry Travis and Phil Vitale turned in a strong defensive performance. Both Hal Gordon and Frank Roper made a good job of guarding the nets with Gordon making several spectacular stops.

"Red" Favaro received credit for the first goal when a Garnet defenceman kicked the puck into the net. Favaro fired a short shot from the right hand side of the net which bounded out in front of Charlie Knox who tipped it into an unguarded corner.

But Johnny Morrow still had another goal left in his system. "Hub" Beaudry made the goal possible when he poked-checked the puck away from a Garnet forward. Morrow picked up the loose puck and drilled it high into the far corner from about 30 feet out.

Although it was an inter-squad game, the boys handed out a number of stiff body checks and roughed it up with one another. Jackie Kane refereed the game and did not hand out any penalties in the three fifteen minute periods.

Lineups: Garnet — Goal, Roper; defense, Dutnak, McLagan, Beaudry; forwards, Bonhomme, Marshall, Bellinger, Whitlock, Knox, Simpson.

Gold — Goal, Gordon; defense, Travis, Vitale, Gray; forwards, Trainer, Favaro, Clements, Beaudry, Smith, Morrow and Hennessey.

## SNAP SHOT FINISHING

## FIELD TRIALS

You Are Invited To Join Us! DINNER served at 1 P.M. at the Harrington Hall on Wed. Oct. 10th, and at South Winsloe Hall, Thursday, Oct. 11th.

Follow the signs from Charlottetown, the way is clearly marked, you can't miss. Bring the family—enjoy a lovely Autumn day in the country.

Dinners served by the Women's Institutes. Watch the trials from the road.

The holiday week-end's three for one hockey trade between the Charlottetown Islanders and the Moncton Hawks recalls to mind the five for one trade between the Toronto Maple Leafs and the Chicago Black Hawks several years ago. In the N. H. L. deal Conny Smythe, the shrewd major domo of the Leafs proved to the satisfaction of every hockey fan that quality far surpasses quantity. Smythe wanted strength down the centre and in Max Bentley he found the centerman that played a leading role in the Leafs' winning of the Stanley Cup four times in the past five years.

In the local trade the Islanders have received last year's best centerman in the Maritime Major Hockey League in the person of Roy "Buck" Whitlock but they had to pay quite a price for him when they gave up Peterson, Lallo and Danny Horeck. The Islanders wanted Whitlock and Moncton wanted players so the deal should suit both teams. Another important matter in the deal was the cash question and apparently Moncton shelled out enough of the green stuff to clinch the deal. Only time will tell which team will benefit the most but judging from past records the local club should not fare off too badly.

Neither Danny Horeck or Morris Lallo played much of a part in the Islanders plans for building a team this season. It is doubtful if Horeck could have clinched a forward's berth and Lallo had to compete with five of the finest defencemen in these parts to catch on. Laurie Peterson would be an asset to any team, but the Islanders already had three fine centermen in the persons of Trainer, Marshall and Beaudry. The acquisition of Whitlock made four and if Peterson had stayed the number would have been swollen to five. Some would have spent a lot of time bench warming and players of the calibre of these men do not sit on the bench for peanuts.

It's not often that the All-Star centerman in one league is involved in a trade with the All-Star centerman of another league as was the case of Whitlock and Peterson. A glance over last year's scoring statistics, however, shows that Whitlock was far ahead of Peterson in the scoring race. In approximately 70 games last year, Whitlock picked up 57 goals and 69 assists for a total of 126 points which was 40 points more than Peterson scored in 72 games in the Cape Breton League. "Buck" too is more rugged than Peterson and should stand up better to the tough going in the 90-game schedule.

There are other things too that entered into the trade. One of them was that the Islanders received Peterson through a break in hockey dealings and this break might have posed a few problems. Whitlock is a Charlottetown boy and wanted to play with the home-town club and the hockey public showed what they thought of him last night when they gave him a fine ovation at the Forum.

Peterson, Lallo, and Danny Horeck were as fine fellows as a person would like to meet. They deserve the chance to play full time hockey and doubtless will strengthen Moncton a great deal and according to reports Hawks may be a bit short of players. It would have been nice to see them playing for the Islanders but a team can only carry 18 men and wisdom dictates that only four centermen are required.

Johnny Black is expected to arrive in the City today or tomorrow from his Edmonton home. Johnny was granted a few days' leave from training camp as he was busy building a house in Edmonton.

On their own diamond Thursday, October 4th, the Lennox Island Micmacs scored a glorious victory over the Miminegash Royals by a score of 19-5 in the second game of the finals for the Prince County title. The Micmacs won the series 2-0.

The defeated Royals last season were winners of this honor over the Tignish Aces.

The winning Micmacs will compete for the Island trophy in the near future against the winning team in the finals now underway between Peakes Station and Fort Augustus.

Due to darkness the last inning was called off, and during the eight played the Micmacs scored one run in the first, two in the second, one in the third, five in the fifth and ten more in the eighth giving them a grand total of 19 runs. The Royals on the other hand salvaged only one run in the first, one in the second, one in the sixth and two more in the seventh giving them five runs all told.

Louis Mitchell, famous second baseman for the Micmacs, scored a home run early in the game. His record so far this season as a hard hitting batter has been the envy of many players in the league.

L. Maloney was on the mound for the Micmacs for the entire game, while the Royals used Aeneas Doucette as their star pitcher for the first five innings only, to be replaced by Claude "Rusty" Callaghan to finish the game.

Moss Bernard was catcher for the Lennox Island team and Max Callaghan served the Royals in that capacity.

Jack Schurman was umpire at the plate and Johnny Finn and Ben Arsenault acted as judges at bases.
