## Be a Part of the Fun!

Students,

I spent some time over the weekend playing with my dad's new computer and I came up with the calendar above. Listed on it, you will find Student Union events, athletic games, and sub-organization happenings at the barn. Why not save it so you'll know what's going on.

I've finally set my office hours so feel free to drop down to the barn and chat. I welcome your ideas and comments re: A.U. programming. You'll find me at the Barn on Mon., Tues., & Fri after 11:30.

Sincerely,  
Lisa Chandler  
Vice President Operations
