Meeting of Spring Park Village Commissioners The regular monthly meeting of the Spring Park Village Commissioners was held in Spring Park Hall, Thursday, February 10th at 7:30 p.m. As this was the first meeting in the new fiscal year new officers and committees were appointed. Commissioner J. Edmond Arsenault was unanimously re-elected as chairman. Commissioner Randolph Manning was re-elected as vice-chairman.

In his opening remark the chairman thanked the Commissioners for their confidence and asked for their continued co-operation during the ensuing year. He also welcomed the newly elected Commissioners Eldon MacLean and Preston Hillier.

The following committees were appointed by the Chairman: Finance - Commissioner Randolph Manning, Chairman; Commissioner Willard Burke. Fire Protection, Water and Sewers: Commissioner Howard Douglas, Chairman; Commissioner Eldon MacLean.

By-law No. 1 which provides that the regular monthly meetings of the Commissioners be held on the second Thursday of each month at 7:30 p.m. in Spring Park Village Fire Hall was re-enacted.

On motion it was agreed to invite the Commissioners of Parkdale to a meeting at which mutual problems might be discussed this meeting to be held at an early date.

The Fire Protection Committee was instructed to further study the matter of procuring a suitable fire alarm sirens for the Village and authorized to order same.

The Chairman asked the Fire Protection Committee to present a report from the Fire Chief on the work of the Fire Brigade at future monthly meetings. The Clerk was instructed to write the Fire Chief to this effect.

It was agreed that the Street Committee enter into negotiations with the Maritime Electric Co. Ltd., for the installation of the seventeen new street lights as approved at the annual meeting of ratepayers.

One of the highlights of this meeting was an announcement made by Commissioner Howard Douglas, Chairman of the Fire Protection Committee that the P. E. I. Board of Insurance Underwriters had agreed to lower the fire insurance rates in view of the fact that the new Fire Department provides adequate protection to meet with their requirements.

To Speak Here

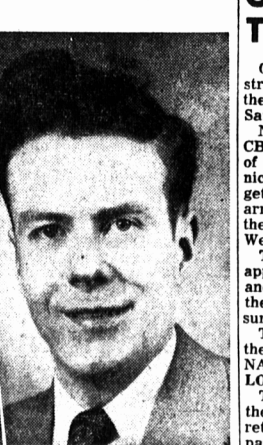

Mrs. Lane Knight

Miss Margaret E. Wilson

Mrs. Lane Knight of Toronto National Chairman of Red Cross Voluntary Services, has been a Red Cross volunteer for many years. She has played an important part in the development of the Canadian Red Cross Corps of which she was the National Adjutant during the war years. At the present time she is the Honorary Secretary of the Ontario Division as well as the National Chairman of Voluntary Services.

Miss Margaret E. Wilson, National Executive Secretary of the Canadian Red Cross Society began her Red Cross services during the war years as a volunteer in the Canadian Detachment of the Canadian Red Cross Corps. She went overseas with the Corps to make a survey of prisoner-of-war parcels. On her return from overseas she joined the National Staff and is now Executive Secretary of the Society. In 1953 she was sent to Europe to investigate the needs after the European floods, especially with regard to Holland, and the same year inspected the Canadian Red Cross Society's Welfare Team in Japan and Korea.

Presents Gavel

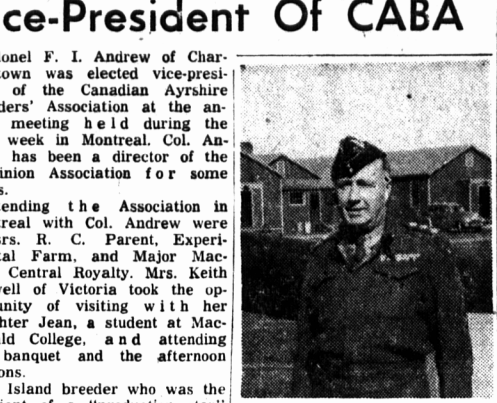

At the February meeting of the Benevolent Irish Society held in the Whelan Memorial Hall on Friday 11th February, 1955 a beautiful gavel was presented to the Society by Bro. Gerald P. Murtagh (above). The gavel is suitably engraved with the name of the Society and the date presented being very expertly finished in choice polished wood.

The honor of personally presenting this gift to the Society on behalf of Brother Murtagh went to Bro. John W. Hogan, Past President of the Society who also read an appropriate address for the occasion. It will be recalled that Bro. Gerald Murtagh was a former secretary of the Society and is presently employed by the Dominion Government in Ottawa. It is unfortunate indeed that Bro. Murtagh was unable to be present on this occasion, but in spite of his absence the good work being done for the Benevolent Irish Society by Bro. Murtagh is well known to all the members and is indeed much appreciated.

The president, Bro. Thos. McAvinn, gratefully accepted this gift to the Society and paid a glowing tribute to Bro. Gerald Murtagh for his generous gift and his continued interest in the welfare of the Society. The applause of the meeting supported the remarks of the president. Following the presentation the new gavel was put to immediate use by calling the meeting to order for the resumption of the general business of the meeting.

TORONTO (CP)—Ontario's brief warm spell fizzled out Friday as cold air moved in from the north. Temperatures dropped below freezing throughout the province and are expected to stay that way during the weekend.

Col. Andrew IS Elected Vice-President Of CABA

Col. Andrew

Colonel F. I. Andrew of Charlottetown was elected vice-president of the Canadian Ayrshire Breeders' Association at the annual meeting held during the past week in Montreal. Col. Andrew has been a director of the Dominion Association for some years.

Attending the Association in Montreal with Col. Andrew were Messrs. R. C. Parent, Experimental Farm, and Major MacRae, Central Royalty. Mrs. Keith Boswell of Victoria took the opportunity of visiting with her daughter Jean, a student at MacDonald College, and attending the banquet and the afternoon session.

An island breeder who was the recipient of a "production star" plaque was Mr. J. W. Lewis of Freetown. The plaque, which is beautifully designed to depict the head of an Ayrshire cow on a mahogany background, was accepted on behalf of Mr. Lewis by Colonel Andrew. The award which is presented for cows that have led their respective classes, was merited by Mr. Lewis' "Colunario Geraldine," a junior 2-year-old, which in 304 days produced 11,765 pounds of milk containing 572 pounds of fat.

Among the 1954 "production stars" were no less than five all-time production records for the breed. Special certificates for cows which had produced 100,000 pounds or more, were presented for 56 cows. Several of these were from Prince Edward Island. That P. E. I. Ayrshires had made many high R.O.P. records in 1954 was indicated by the large number of production tops effect.

Mr. Wyma n MacKeechne of Wyma n, Que., presided at the meeting and in his presidential address reviewed the year's highlights which included some important developments being planned by the directors for the coming year. Chief among these will be the field extension and the bull appraisal project. The secretary's report showed that there had been a substantial increase in registration and transfers over the previous years. The greatest increase in membership occurred in P.E.I. and British Columbia.

It was the decision of the meeting to uphold the present high standard of bull registration, now in effect.

published in "The Review" from month to month. P.E.I. cows had 21 top placings and 19 seconds during the year, representing 13 different herds.

U.S. Opposes Surrender Of Coastal Islands To Reds

WASHINGTON (AP)—The United States has told Britain that it is out of the question to surrender any Nationalist-held coastal islands to the Chinese Communists merely in the hope of inducing the Reds to stop fighting.

Britain has officially advised the United States of its view that all the coastal islands—including the Quemoyans and Matsus—being to Red China, although the Reds should not fight to get them.

U.S. policy does not, in fact, rule out the possibility some day of a settlement which would let the coastal islands go to the Communists in return for a firm Communist agreement recognizing a non-Communist status for Formosa. But any such deal now appears to be a long way in the future and officials said that, so long as the Peiping government continues to assert its intention to capture Formosa, the United States considers Gemoi, the Matsus and perhaps other offshore islands to be strategically important for Formosa's defense.

DOSE APPEASEMENT Some days ago Premier Chou En-lai of Red China was reported in dispatches from London to have original union demands ranged up to \$1,500 a year.

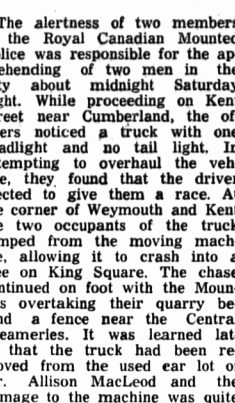

Termination of the strike threat came in the office of Labor Minister Gregg—without the minister present—after officials of the labor department had conferred in the morning with CBC officers and arranged the CBC-NABET sessions that lasted 5½ hours.

Up to then, the negotiations had been off and on during the week.

French Invent TV-Radar PARIS (Reuters)—French scientists Saturday announced successful experiments with television radar which they say could revolutionize aerial defence and navigation.

They said the old method was to train a television camera on a radar screen and relay the image to a receiver elsewhere. But their invention is said to do away with the camera. A sensitive metal plate inside the radar mechanism "memorizes" the image long enough for it to be transmitted direct to the television receiver.

Police Arrest Truck Riders

Truck Riders

The alertness of two members of the Royal Canadian Mounted Police was responsible for the apprehending of two men in the City about midnight Saturday night. While proceeding on Kent Street near Cumberland, the officers noticed a truck with one headlight and no tail light. In attempting to overhaul the vehicle, they found that the driver elected to give them a race. At the corner of Weymouth and Kent Street near Cumberland, the truck jumped from the moving machine, allowing it to crash into a tree on King Square. The chase continued on foot with the Mounties overtaking their quarry behind a fence near the Central Creameries. It was learned later that the truck had been removed from the used car lot of Mr. Allison MacLeod and the damage to the machine was quite extensive. The two men were taken to the City Police Station and will appear in Police Court this morning.

Factory, Three was piled four and five feet deep along the highway.

A 100-man volunteer brigade doused threatened homes with fire extinguishers and two bulldozers were used to pile snow around the flaming buildings.

Shortly after the fire was brought under control residents from nearby villages reached Leeds by snowplows and joined villagers in piling snow over the smouldering ruins.

CLEAR SKIES SUNDAY Clear skies and near-zero temperatures followed the storm in most parts of Quebec Sunday. All available snow-removal machinery was put to work clearing main highways.

The CNR said it was having all its trouble in a 15-mile stretch between Bic and Port Pic, two Rimouski county communities, some 160 miles east of Quebec City. Railway officials said snow was piled 10 feet deep on the track. They did not expect the stretch to be cleared until sometime Sunday night.

Meanwhile, three trains from the Maritimes—the Ocean Limited, the Scotian and the Maritime Express—waited at nearby stations for the track to be cleared. The Ocean Limited was already 15 hours behind schedule and was expected to arrive in Montreal more than 20 hours late.

STRASSER ON TRAIN The Scotian was 14 hours late and the Maritime Express was expected in Montreal about 12 hours behind time.

A railway spokesman said the passengers remained aboard the trains during the delay and "seemed to be enjoying it." Among them is Otto Strasser, one-time Nazi leader, on his way to Montreal to board a plane for Germany.

Trans-Canada Air Lines reported eight flight cancellations in the Maritimes Saturday and said eight other flights were delayed an average of three hours.

Famous Players In Agreement NEW YORK (CP)—Twentieth Century-Fox Film Corporation announced Sunday it has entered into a three-year agreement with Famous Players Canadian Corporation Ltd., under which Famous Players will exhibit Twentieth Century-Fox features and short subjects.

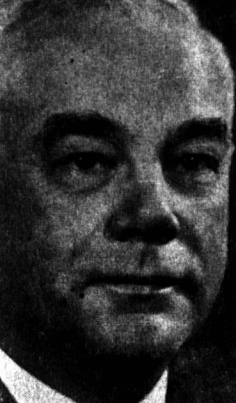

The deal was described as the largest ever arranged by Twentieth Century-Fox, the company estimating its revenues from film rentals over the three-year period at \$10,000,000.

Famous Players Canadian controls nearly 200 theatres from Newfoundland to British Columbia.

Soviet Magazine Lampons Monty MOSCOW (AP)—The Soviet magazine Krokodil published Friday a cartoon lampooning Britain's Field Marshal Viscount Montgomery.

St. Dunstan's Win College Debate; Donate Trophy

St. Dunstan's Team

A Saint Dunstan's University debating team of Tom McLaughlin and Alton Craig defeated a debating team from the University of New Brunswick by a two-decision in a Maritime Intercollegiate debate held here on Saturday afternoon.

The topic of the debate was "Resolved that peaceful co-existence between the Western powers and the Soviet bloc is impossible. Saint Dunstan's upheld the affirmative.

The University of New Brunswick debaters were Hugh Peacock and Norman Ford. The judges were Dr. Frank Mackinnon, Principal of Prince of Wales College; Dr. George Fisher and Mr. J. Elmer Blanchard.

It was also announced that St. Dunstan's have donated a trophy to be known as the Abegweit Trophy for competition in the Maritime Intercollegiate Debate League.

The trophy will replace the T. Eaton Trophy which was won last year by St. Dunstan's by virtue of their winning the Maritime Intercollegiate Debating championship three times. The T. Eaton Trophy is in the permanent possession of St. Dunstan's.

St. Dunstan's took part in three Intercollegiate debates this year. They lost on a split decision to the U.N.B. Law School last fall on the topic "Resolved that labor should share directly in the profits of management and industry." The Saints were represented by Charlie Roche and Ian Gillies.

Last week St. F.X. won on a split decision over St. Dunstan's on the topic "Resolved that capital punishment should be abolished." The members of the St. Dunstan's team were Mary Farmer and John Walsh.

Prime Minister This was followed by a discussion of the Formosa policy of the United States during the three speech debate.

EXPLAINS POSITION At that time External Affairs Minister Pearson suggested neutralization of Formosa pending his final disposition by international negotiation. He said the government feels the Formosa issue might be discussed at a conference on general Far Eastern problems.

On his return from the Commonwealth conference Mr. St. Laurent indicated that he favors a private meeting of Chinese Communists and Nationalists with other powers in any attempt to solve the Formosa crisis. He was opposed to a Russian proposal for an international conference on Far-East issues with Nationalist China excluded.

Recital At St. Paul's Church

St. Paul's Church

More than two hundred music lovers enjoyed an hour of rare pleasure in St. Paul's Anglican Church last evening when the Church Organist R. Elliott Brock gave his first recital since coming to the city from the United States.

Two of the numbers played were of his own compositions, which provided added interest to the splendid repertoire presented. Following is the program: Trumpet Tune (Purcell); Pastoral in F Major (Bach); Chorale—Preludes, Chorus Nova Jerusalem, Lux Benigna, Hyrdol (Brock); Allegretto (Mechanical Organ) (XVIII C.); Fugue in G minor (Frescobaldi); Te Deum Laudamus (Buxtehude); Antiphone: "A Te Deo, Mi Mir Gott" (Karg-Elert); Gavotte (Holberg Suite) (Grieg); Waterfront (City Impressions) (d'Aunton); Londonderry Air (traditional); Sinfonia in F Major (Handel); Parade of the Little Lead Soldiers (Pierne); Grottesque (Psal Solo) (Brock); Farandole (L'Arlesienne Suite) (Bizet).
