

Weekend Football Games Hangs On Four Questions

By THE CANADIAN PRESS

The outcome of four football games in the West this weekend likely will depend on the answers to four questions.

The questions involve key players in the lineups of Calgary Stampeders, British Columbia Lions, Toronto Argonauts and Edmonton Eskimos.

Stampeders will be visited today by Winnipeg Blue Bombers and Ottawa Rough Riders are in Vancouver to play the Lions. In a Sunday game, the Argos meet Saskatchewan Roughriders in Regina and Monday Ottawa plays the Eskimos in Edmonton.

The questions:

Can Peter Liske get the Stampeders moving after a disastrous string of injuries caused coach Jerry Williams to drastically shuffle the lineup?

Can Willie Fleming revert to

form for the Lions after half a season of lackadaisical play led to criticism from fans and coach Dave Skrien.

Can Calgary castoff Eagle Day make the Argos look as good against Saskatchewan as they did beating Eskimos last weekend?

Will halfback Jim Thomas be dressed for Eskimos when they meet the powerful Ottawa team?

TWO ON NATIONAL TV

The Ottawa-British Columbia game will be nationally televised on the CBC starting at 11 p.m. EDT. The Toronto-Saskatchewan game will be shown on the CTV national network beginning at 4 p.m. EDT Sunday.

The first half of the season has been a dismal one for the Stampeders because of injuries. The only reliable target Liske has had is flanker Terry Evans-

shen, who ranks third in the West in pass receptions. The other most likely target, end Frank Budd, has a world of speed and trouble holding onto a football.

In Vancouver, Fleming so far hasn't been the breakaway threat of old and last week Skrien delivered a produce-or-else ultimatum. Willie performed better in the one game since then but he still has a lot to prove.

Day didn't conceal his displeasure at being cut by the Stampeders, and, with a point to make, would love to make it in the West.

ROOKIE LIKELY STARTER

Although theoretically the No. 2 Argo quarterback, he looked more like No. 1 in engineering a 34-14 win over the Eskimos. Rookie Wally Gabler may start against the Roughriders, but if he doesn't move the ball well and quickly, coach Bob Shaw will undoubtedly let the Eagle fly.

Eskimo coach Neill Armstrong hopes Thomas will be dressed for Monday's encounter with Ottawa. Thomas, a constant breakaway threat, is the Western Conference's leading ground-gainer, but missed the Eskimos' eastern swing last week because of a charley horse. The Eskies, in turn, missed him.

If Thomas doesn't dress, Lu Bain will replace him but neither Bain or anyone else on the club can match Thomas' ability to break up a game with one play.

Hamilton Up For Montreal Game

HAMILTON (CP) — Hamilton Tiger-Cats aren't expected to be in good humor when they meet Montreal Alouettes in an Eastern Football Conference clash tonight.

One reason is Ottawa Rough Riders and another is the Alouettes.

Hamilton and Ottawa were deadlocked for first place in the four-team conference last week when they met in Ottawa. The Tiger-Cats appeared headed for victory but the Rough Riders came to life and won 27-16.

And Hamilton players recall that they might not have been deadlocked with Ottawa in the first place had they not dropped a 16-9 verdict to Montreal earlier.

A Montreal victory tonight will put the Alis in second place with the Tiger-Cats.

The match is the only Canadian Football League game in the East this weekend. Other games involving EFC teams have Ottawa visiting British Columbia Lions tonight and Toronto Argonauts visiting Saskatchewan Roughriders Sunday.

Montreal coach Darrel Mudra says his club is healthy and "all

will travel" to Hamilton. But the fact the team is carrying 14 imports will necessitate benching of the quarter-back George Bork or defensive end Billy James Doss.

SUFFERED INJURY

Decision on this hinges on whether Bork has fully recovered from a groin injury suffered in last Friday's loss to Edmonton Eskimos.

"George seems okay now and we won't decide until game time whether or not to play him," said Mudra.

A heartening factor for Montreal is the recovery of fullback Bob Paremore from a pulled leg muscle. Paremore is the EFC's top rusher.

Mudra blames mental lapses and bad breaks for recent defeats and, although his club, 3-4 over-all, has scored just one touchdown in its last five games, he remains confident and refuses to panic.

"Over the long haul we'll get there."

The Alis will be strengthened by the addition of giant two-way tackle Roger Anderson, who will be appearing in his first game for Montreal.

Brown's Timber Goes In Moncton

Yankee Timber owned by Jack Brown, Charlottetown, and driven by Joe Smallwood drew the rail for tonight's first dash in the New Brunswick Pacing Derby at Brunswick Downs.

Five other horses are entered for the event including Gordon MacKinnon's J. Scotch Hal handled by Gerald Noonan and the Greenbrier Farms entry Eloise Wick handled by veteran Dave Wisener. J. Scotch Hal will leave from post position three, while Eloise Wick will leave from the outside five spot in the first dash.

Other starters are Senator's Sis who leaves from two, Borderview Roy who leaves from four, and Miramichi Fred who trails out Yankee Timber.

J. Scotch Hal is the winner of his last five starts with his best mile in 2:05, and Eloise Wick was a recent winner in Charlottetown in 2:05.4 a new race record for the bay mare. Yankee Timber will be making only his second start since Monday night

The first squads will take to the fields at 1 p.m. and competition will continue all afternoon. Coffee and sandwiches will be available on the grounds. Spacious parking facilities are available for spectators which in the past years has increased in this popular sport.

Local Midgets Face Moncton For Title

Today at 2:00 the Charlottetown Midgets meet the Moncton Midgets in the deciding game of their N.B.-P.E.I. championship baseball finals at Memorial Field.

In the first game of this three-game series in Moncton last Saturday, Charlottetown's John White pitcher a two hitter, striking five of the first nine batters as Charlottetown won 5-0.

But it was a different story in the second game Sunday. In adverse weather conditions including rain, Moncton completely outthrew and outplayed the disheartened local club which tried to silence the Moncton bats to no avail with a succession of three pitches. Moncton left the field only after mumbering the local club 15-3.

At the conclusion of the game, Moncton wanted to play the concluding game under the lights but John Kane, a local Maritime Baseball Official, ruled that the weather was much too poor to play. He offered Moncton the alternative choice of playing today or Saturday. Moncton accepted the latter.

The feeling among those who

know the club is that the score of the second game is definitely not an indication of the calibre of the Charlottetown Club and Coach Carl McQuaid has expressed confidence in his boys' ability to pull off a victory. McQuaid announced last night that he will be starting John White on the mound and that Bob Stewart will be covering the plate. Bill Weatherbie is expected to come out as an assistant for coach McQuaid.

Free-For-All Goes Tonight

Another exciting harness race card goes at the Charlottetown Driving Park tonight with the featured Free-For-All going in dashes 5 and 9. The roan mare Rose Robin driven by Clark Smith leaves on the well. Lee Taylor's Arond's Buddy leaves from two, Sid Stead's fine pacer Ozark Pete leaves from the three spot, the pacing mare Donaway owned by Charlie Willis and driven by son Orville will leave from four, and the tough mare Whirl a Wick owned by Reagh Sudsbury and driven by Don MacNeill will leave from the outside five spot.

Another fast class goes in dashes 4 and 8 and from the rail out the starters include: Brenda's Flame driven by Francis McIsaac, Knight Way, Bold Deby, Emily Hal, Far Stride, and Jo Anna Lynne. The betting fraternity should have a tough time picking a winner in this class as any of the six starters is capable of pulling off a win.

Dashes 3 and 7 has six more pacers and a win ticket in this race should produce a double figure pay. Lord Adios leaves on rail, Dr. W.A. will leave from two, Security Scott leaves from three, Lakeburn's Pride will race from the four spot. True Lady Lou will race from five, and Brown Budlong leaves on the outside.

Post time tonight is 8 p.m.

Legionnaires Host Vikings

SUMMERSIDE — Summerside Junior Legionnaires host Fredericton Vikings here Saturday afternoon in the opener of a best-of-three Maritime Junior semi-final series.

The Summerside squad won the island title when Charlottetown failed to field a team. Many of the players are stars of the juvenile team and coach Tim MacGuigan is expecting a well-rounded ball team to parade on the field this afternoon at 3:30 p.m.

Fredericton Vikings are an aggressive aggregation and the result could mean one of the smartest played ball games of the fastly dwindling season.

If the game meets the fate of the weatherman and is postponed, it will be re-scheduled for the Air Port Diamond Sunday afternoon.

Meanwhile, in other playoff news from Prince County, the local champions, Tignish, will host the opener of a best-of-three Island Intermediate "B" final Sunday afternoon at 2:30, with Morell visiting. Tignish are defending Island champs.

Minnesota Edges Yanks; Chicago Blanks Orioles

NEW YORK (AP)—Minnesota Twins, held without a base runner by Jim Bouton for 7 1-3 innings, scored twice in the ninth and edged New York Yankees 3-1 Friday night.

Bouton pitched perfect ball until Don Mincher grounded a single up the middle with one out in the eighth.

Zoilo Versalles led off the ninth by bouncing a ground rule double into the left field stands. Bouton then hit pinch hitter Sandy Valespino with a pitch, and Cesar Tovar followed with a sacrifice bunt toward third base. Mike Ferraro threw the ball past first as Versalles scored.

Valespino scored as Jim Hall

grounded into a double play.

New York scored on a walk and singles by Mickey Mantle and Tom Tresh in the first.

BALTIMORE (AP)—Joel Horlen, making his first start for Chicago White Sox since Aug. 25, hurled a three-hitter and blanked Baltimore Orioles 4-0 Friday night.

The loss was the fifth in seven starts for the American League-leading Orioles.

Chicago supported Horlen with a 13-hit attack, including three singles by Ken Berry and two hits apiece by Bill Skowron, Tommie Agee and Jerry Adair.

Horlen, shunted to the bullpen after several ineffective efforts, permitted only one runner to advance beyond first base while facing 30 batters—three over the minimum.

George Altman's pinch hit single in the seventh scored the Cub's run, but Gibson breezed to his 30th victory in 30 decisions, spacing eight hits.

DETROIT (AP) — Hank Aguirre scattered eight hits and posted his first victory since June 10 as Detroit Tigers tripped Cleveland Indians 3-1 Friday night.

Norm Cash's triple and a sacrifice fly by Al Kaline snapped a 1-1 tie in the fifth inning and Don Wert provided an insurance run with a sixth-inning homer.

The Indians scored in the first on Vern Fuller's double, but Detroit tied it in the third on a walk, an error and a single by Willie Horton.

BOSTON (AP) — Carl Yastrzemski's two-run double with two out in the ninth enabled Boston Red Sox to defeat California Angels 5-4 Friday night.

Yastrzemski's drive off Lou Burdette scored Lennie Green and Jose Tartabull.

The result moved the Red Sox into eighth place ahead of New York Yankees.

Borden Travels To Fredericton

BORDEN — The Borden Legionnaires travel to Fredericton today to open the best-of-three Intermediate "C" Softball series with the Fredericton Lumberjacks.

The round is the Maritime semi-final.

Borden defeated Charlottetown C.T.C. to win the Island championship.

Coach Emmett Ellsworth of Charlottetown will probably start Dale MacWilliams in today's contest.

Today's game in the New Brunswick capital starts at two o'clock, and the series concludes in Borden next Saturday afternoon, starting at 2:30.

On Tuesday, the best-of-seven East Finals begin under way between Bonshaw Bearcats and Borden Legionnaires.

Game time is 6 p.m. at Borden.

The second game is scheduled for Bonshaw on Thursday, with the winner copping the Royal Canadian Legion Trophy donated by the Borden branch.

The first grand slam homer of Chuck Harrison's major league career brought Houston Astros a 6-4 victory over Philadelphia Phillies Friday night.

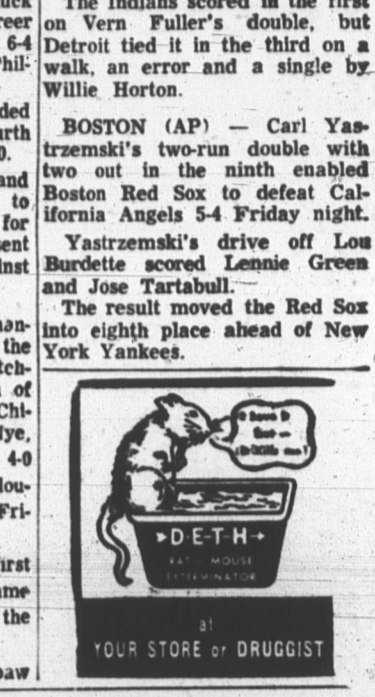

Until Harrison unloaded against Chris Short in the fourth inning, the Astros trailed 3-0.

Singles by Ron Davis and Sonny Jackson and a walk to Joe Morgan filled the bases for Harrison's wallop, which sent Short to his ninth defeat against 18 victories.

CHICAGO (AP)—Mike Shannon's three-run homer in the eighth broke a scoreless pitching duel between Al Jackson of St. Louis Cardinals and Chicago Cub rookie Rich Nye, sparking the Cardinals to a 4-0 victory and a sweep of a doubleheader with the Cubs Friday.

The Cardinals took the first game 3-1 as Bob Gibson became the fifth 20-game winner in the majors this season.

DETH

YOUR STORE or DRUGGIST

Nothing Food

If you really have to diet, they're great — up to a point. A few days of them, and it's easy to become tired, crabby and downright miserable. Simply because they've got no energy giving properties whatsoever. Nothing to replace the food energy you're constantly using up.

That's where sugar comes in. No other food delivers energy so fast or satisfies hunger so fast. A spoonful added to your coffee, tea, cereal or orange juice will make a world of difference to the way you feel when you're dieting.

You can still lose the pounds you want to. The difference is, sugar helps you enjoy doing it.

So remember, keep a little sugar in your diet...it goes well with Nothing Foods.

You're right to like sugar. You need it.
