

JOE O'BRIEN WINS CLASSIC

Shadow Wave surprises the "experts", including his driver, pinto Joe O'Brien, by romping to victory in the \$65,252 Little Brown Jug for three-year-old pacers at Delaware, Ohio. Here O'Brien, a native of Alberton, Prince Edward Island, drives the chestnut pacer from California to victory in the first heat, edging Thorpe Hanover, second, and O'Brien Hanover, third. He won both heats for the S.A. Camp Farms

Montreal Royals Blank Leafs 5-0

TORONTO (CP) — Southpaw Bob Giallombardo baffled Toronto Maple Leafs on two hits Tuesday night—one an infield safety—as Montreal Royals scored a 5-0 shutout and took a 3-1 stranglehold on the best-of-seven International Baseball League Governor's Cup final. A crowd of 7,252 fans saw the Royals wrap the game up early with two runs in the first inning. They added a single in the third and another pair in the ninth with the help of some atrocious Toronto fielding. Righthander Billy Harris, a native of Dorchester, N.B., will face southpaw Pat Scandebury here tonight in what could be the series wrapper-upper. Should the Leafs pull out a victory, the

SPORTS FRONT

By PIUS CALLAGHAN

THIS IS THE NIGHT that Ivan Doherty has been working on for quite a while. Charlottetown's Sports Arena is the scene tonight of Doherty's top notch boxing card that is expected to draw a bumper crowd. It is the kind of a show that is deserving of solid support because Ivan has gone all out in an effort to give the customers real value for their money. Heading the action-packed program tonight will be Charlottetown's Don "Duck" Trainor and Halifax's Bob Leadley. These boys are scheduled for ten rounds but both have ideas of their own in regard to ending the action at a much earlier time. Both Trainor and Leadley are going to be on the lookout for an early knockout so the customers can expect action from the opening bell.

BRUNO BOUCHER and Vince Cook are the semi-finalists that Doherty has lined up for six rounds of slugging. Boucher, a real muscle man who hails from Quebec but is now working in Prince Edward Island is billed as a really rugged customer who delights in rough going. Those who have seen Cook perform maintain that the Halifax fighter is just the type to accommodate Bruno. Word is that Vince will stand toe to toe and slug it out if that's what Mr. Boucher is looking for.

ANOTHER SIX ROUND special brings together Leo "Whipper" Steele of Charlottetown and Billy Burns of Halifax. Steele always has given the fans their money's worth and there's not much chance of him disappointing this evening. Freddie Burke and Preston Wotton, both Charlottetown lads have been selected by Doherty as his curtain raiser entertainers. This scrap is four 2-minute rounds and should get the evening off to a fast start. It has all the earmarks of a great evening's entertainment and don't miss out. Action commences at 8:30 sharp.

THIS COMING SATURDAY the Annual interscholastic track and field championships are being staged at Memorial Field. To compete in these events, competitors must be entered by schools. No entry will be accepted if the boy or girl is not in regular attendance at school or college. There will be two types of competition: age events for boys and girls and open events for boys and girls. Each school is limited to two entries in each age race or in open events. Entries close Thursday evening at midnight and must be sent to W. W. Reid, Physical Fitness Division P.O. Box 2000 Charlottetown. Each year this meet is increasing in popularity and Saturday afternoon is expected to see the greatest number of competitors that this sport spectacle has ever drawn.

THE FOLLOWING WEEK two more track and field championships are to be held. On Saturday October 4 the Boy Scouts and Cubs are staging their annual get-together and once again have invited the Girl Guides and Brownies to participate. Each pack or troop are permitted to enter three for each event. Last year over 200 boys and girls took part in the meet and officials are looking for a greater entry list this time.

THE SAME WEEK Queen Charlotte and Birchwood are going to stage a duel of their own and this should certainly arouse much interest in the two city schools. We can recall, as can many of our readers, those great track and field meets that West Kent and Queen Square staged some years ago. The interest in those days was terrific and each school sent its entire student body on parade to the scene of action—the old Abegweit grounds. The rivalry was really something and everybody had a whale of a good afternoon. The idea to get Queen Charlotte and Birchwood at it again is an excellent one and physical instructors, Jack "Spy" Ready and Bill Ledwell are certainly to be commended for their efforts.

ROLLIE'S ARROWS, B.I.S. Shamrocks and Summerside Legion are still in the hunt for Maritime crowns. The Arrows won the provincial intermediate baseball championship on Sunday downing Peakes Bombers in the second game of their best-of-three series. The Shamrocks dropped the 11-9 decision to Saint John Burma Royals in an N.B.-P.E.I. football encounter last Saturday but they still have a chance with the rest of the three game set fixed for Saint John this coming Saturday. Summerside Legion are in the driver's seat in their best-of-three series with Halifax Navy for the Nova Scotia-Prince Edward Island intermediate football crown. The sailors go to Summerside Saturday for the rest of the series and the Legion should be able to gain a berth in the Maritime finals.

WHEN THIS COLUMN was written, Arrows' manager Willis Hennessey didn't know who would be his next opponent. Willis wasn't doing any great amount of talking about his team's chances but his air showed a slight trace of confidence. Hennessey has a pretty fair ball club and regardless of what team they are asked to face, the Arrows are most likely to give a creditable account of themselves.

THE IRISH ONCE AGAIN are on the ropes but that's happened so often to Ev Beagan and company this season that it ceases to be news. Their antics have amazed the softball public all season long and just when everybody had them among the also-rans, the Shamrocks have come through with the impossible. If you had told softball fans a month ago that the Irish would be playing for the N.B.-P.E.I. Senior B softball championship, you would have drawn a hearty laugh but here they are doing just that. This task facing them Saturday, of winning both ends of a double bill in Saint John, must definitely be classified as the toughest chore of the year. They shouldn't be able to overcome this obstacle. But, then the Irish love doing things that they haven't the chance to do. Here's wishing them the best.

Orioles Shade Nats 3-2; Tigers Nip White Sox

BALTIMORE (AP) — Pitcher Jack Harshman slugged two homers and a double, driving in all his team's runs, and spearheading the Orioles to a 3-2 victory over Washington Tuesday night. Harshman yielded nine singles to the Senators, but struck out nine and was tight in the clutches as he gained his 12th victory against 14 losses for a team which all season has provided him with few runs. The lean lefthander's home runs, both off Pedro Ramos, were his fifth and sixth of the campaign, leaving him three short of Wesley Ferrell's nine—a pitcher's record set with Cleveland in 1931. BOSTON (AP)—Ted Williams, fined and forgiven, drove in four runs with a homer, double and single Tuesday night as Boston Red Sox edged New York 9-8. Williams, who stirred the base-

ball world Sunday when he threw a bat that hit a fan, let his batting prowess talk for him by twice tying the score against the American League champions. Ted's 420-foot, two-run homer in the fourth inning pulled Boston even at 7-7 and his double to the right field corner in the eighth made the score 8-8. When Williams left the contest in favor of pinch-runner Marty Keough, the 21,552 Fenway Park customers gave the 40-year-old slugger a standing ovation. Jackie Jensen then singled to left scoring Keough with the deciding run. That plus Jackie's run-producing single in the first inning hiked his runs-batted-in total for the season to 120, tops in the league. Pete Rummels, the AL's leading batsman, got a double and single

in four trips to move his average up two points to .325. Williams finished 3-for-5 for the night and advanced his mark three points to .317. Micky Mantle drove in three runs for the Yankees on a pair of singles. Murray Wall, third of four Sox pitchers, was the winner with Johnny Kucks drawing the loss. CHICAGO (AP)—Right hander Paul Foytack and the Detroit Tigers prevented Chicago from clinching at least a tie for second place in the American League Tuesday night by clipping the White Sox 3-1.

teams will return to Montreal for the next two games if that many are necessary. Centrifielder Solly Drake, the first batter in the game, scored what proved to be the winning run. Facing righthander, Jack Crimian, the loser, he belted a double to right field and scored on Bob Lennon's single after going to third on an infield out. Giallombardo struck out five and walked two as he picked up his first playoff victory. He had lost one to Columbus Jets in the semi-final. About the only bright spot for Leafs was the work of righthander Ernie Broglio, the second of three pitchers. Working six innings, he held the Royals hitless and struck out five.

DUCK TRAINOR and BRUNO BOUCHER

Top-Notch Card At Arena Tonight

Promoter Ivan Doherty has a top notch boxing card in store for boxing fans tonight at the Sports Arena. Action gets underway at 8:30. In the main bout Don "Duck" Trainor, well-known local scrapper, will match mitts with Bob Leadley of Halifax. Trainor has been working out vigorously for this match and according to reports, is in top shape. He has to be, as this Leadley is a mean scrapper in his own right and really enjoys mixing it up. This shapes up as a real thriller with lots of mitt-slinging and very little back-pedaling expected.

Bruno Boucher of Chicoutimi, Que., tangles with Vince Cook, another rugged Haligonian, in the semi-final bout. Little is known about this powerful Frenchman except that he has had quite a few bouts in his own native province of Quebec and a couple of border States, and really likes to get into the thick of things so this should be a real slugfest. Leo "Whipper" Steele of Charlottetown and Billy Burns of Halifax meet in a special six-rounder and to round off the card, Freddie Burke and Preston Wotton, both local boys, tangle in a four-round event.

Attention Lady Curlers

Yvon Durelle To Headline Card

MONCTON (CP) — Chris Shaban, Moncton fight promoter-manager, announced Tuesday night that British Empire and Canadian light heavyweight champion Yvon Durelle of Baie Ste. Anne, N.B., will headline a boxing card here Oct. 2. Shaban said he expects to have an opponent for Durelle sometime this week. The fight will serve as part of a tune-up for Durelle before he takes on Archie Moore in Montreal Dec. 10 with the world light heavyweight title at stake. Durelle will probably have two or three other fights prior to the Moore scrap.

DOWN THE BACK STRETCH

Horsemen from all over the Maritimes were present to see the racing of the "Haglionian Stake" with a value of \$2,400 for three-year-old pacers, raced Saturday night at Sackville Downs. It was a foregone conclusion that one of the N.D. Hal's would finish first, but they did more than that—they were one, two, three!!! George Callbeck's Lizzie Reymard finished fourth in both heats; she had taken a record of 2:14 at Charlottetown some weeks previously and was expected to provide the principal opposition to the Hal trio. Peppy Hal, that finished first both heats, had set up a Maritime record for three-year-old pacers a short time ago at Fredericton, 2:07 4-5, and Lola Hal and Andrew's Girl were considered capable of pacing in about 2:12. They finished second and third, respectively.

WINNING YOUNGSTERS We think it would be interesting to go back into the breeding of the winning youngsters. The principal reason why they are stepping so fast is that they were sired by N.D. Hal, 3. 2.05, a bay stallion foaled in 1945 by one of the world's greatest pacing sires, Hal Dale, 2.02, dam Sally D. Scott, p. 2.03 by Peter Scott 2.03; second dam Abbe Gentry p. 2.12 1/4, by the Abbe 2.04, N.D. Hal, was bred by Leo MacNamara, Indianapolis, Indiana.

Our readers will note in the pedigree the name of Peter Scott 2.05; he was a lion-hearted trotter that never gave up until the finish and was raced as top winner on the grand circuit by Tommy Murphy as trainer and driver. Equal in interest in Saturday night's racing at Halifax was the performance of the only other double winner on the program, Royal Onyx, a four-year-old that won in 2:11 1-5. He was bred by George A. Callbeck of Summerside and his sire was Simcoe Harvester 2.04 1/4, dam Top Notch Can, a bay mare foaled in 1945 by Abner T. Clegg 2.04 1/4, dam Janet Bud by Calumet Budlong 2.02 3/4, second dam Jeanette Royal, p. 2.04 3/4, by Grattan Royal 2.06 1/4. Royal Onyx was a starter at Charlottetown in the third race on the night of Monday, July 28, and he won in 2:14 2-5. He had previously taken a record of 2:14. Shortly after he was sold to James MacGregor of Charlottetown, who gave him the above mark.

NEW HORSES Two new horses have been brought in by Saint John owners recently. They are Tennessee Com mander 4, 2:07 2-5, a five-year-old by Lieutenant Commander that has won \$3,170 and was eligible at the end of last season to the 2:21 pace. Making his first start at Saint John, Saturday night he raced home n front in both dashes, time 2:11 1-5 and 2:11 4-5, which will certainly be pleasing to the new owner Milt Coughlan of Coldbrook, who also drove him Saturday night. The other newcomer is a three-year-old filly, Sandra Time, by Time Table. She was not credited with any starts last season.

FROM THE O'BRIENS We are delighted to have a letter sent to us through the kindness of Harry O'Brien, father of Joe O'Brien, who writes from Indianapolis, Indiana: "Had pretty good luck here with Meadow Al, my free-legged, two-year-old pacer; we won the Fox Stake in straight heats in 2:00 3-5 and 2:01 2-5. "The Fox Stake is the biggest two-year-old pacing race of the year, and Meadow Al's share of the purse was more than \$25,000. He had 10th position the first heat

but won both heats with some to spare. Sun Belle, our home-bred (by Mighty Sun) three-year-old pacing filly, fell down in the first heat in the three-year-old filly race but wasn't injured. She won the next heat in 2:00 3-5 and won the third heat in a raceoff, with the last quarter in 27 2-5 seconds. "Razzle Dazzle won the second heat of his class, a 2:19 Pace in 200 4-5, and he won the raceoff with the last quarter in 28 2-5 seconds. Shadow Wave won both heats in the 2:24 Pace in 2:00 1-5 and 2:00." (We will break in on the letter here to remind our readers that on September 18 Shadow Wave won the Little Brown Jug Stake, purse \$70,000, at Delaware, Ohio, both heats in 2:01.)

Continuing Joe's letter: "Monday night I am racing Brogue Hlover in Detroit and Tuesday night Time Me at Yonkers Raceway. Then I will fly to Delaware, Ohio, where the Little Brown Jug will be raced. I don't have much hope for "The Jug"—never had any luck in that race, and besides, Bye Bye Bryd and a couple of others are a little too tough for me. Shadow Wave has been racing since April and he is not completely sound. Raider Frost, my other entry, has a knee that bothers him on a half-mile track. "After Delaware, we will be in Lexington for about two weeks. I wish you could be there this year. After Lexington, I have to go to New York for some big stakes there, and I will miss the first two or three weeks of rac-

ing at Hollywood Park." Our readers will be glad to know that Joe's anticipations in regard to the Little Brown Jug were badly off, and the results as we showed in "Down The Backstretch" was that Shadow Wave proved to be the winner, upsetting all predictions and expectations. "Razzle Dazzle won the second heat of his class, a 2:19 Pace in 200 4-5, and he won the raceoff with the last quarter in 28 2-5 seconds. Shadow Wave won both heats in the 2:24 Pace in 2:00 1-5 and 2:00."
