Tickets available from Donna Caruer and Chrissie MacLennan at the Home Ec. Dept. also 412 Bernardine Hall.

NEW MAGAZINE

At last someone is trying to improve the job opportunities for graduates.

Every month, starting November 1, a new newspaper will be found on your campus - "Career Probe".

This will contain valuable information on career choice and the world of work and will also contain advertisements from employers looking for graduates from all of Canada. In time we know it will become a major source of job information and job openings for graduates.

Distribution will be handled by a placement office; copies will be available free of charge to all final year students.

Look for advertisements telling you where Career Probe will be distributed.
